LOCAL AND OTHER MATTERS.

THEATRE.—The Theatre will be closed this evening and opened on Friday evening.

The performance will consist of the play of "Sybilla, or Step by Step;" a "Triple Irish Jig" by Mr. Mat Williams, Willie Clawson and Miss Susie Spencer; and the farce of As Like as Two Peas.

IRON COUNTY.—We h d a pleasant call from Hon. Jesse N. Smith to-day. He arrived from Parowan last night. He informs us that grasshoppers' eggs are very numerous in Beaver County and they are reported to exist also in Iron County, but not in such large quantities.

Previous to leaving, Brother Smith visited the iron works in Iron County, and he states they are prospering beyond expectation. Large quantities of castings are being turned out for the repairing of quartz mills; nevertheless orders come in for them with greater rapidity than they can be filled, mostly from Pioche. There are now two furnaces and a foundry in operation, and the erection of another and much more capacious furnace had been commenced. Overtures have lately been made by outside capitalists, to those interested in the works, to invest capital for the extensive development of the concern and it is probable that negotiations will be entered into.

Numerous silver mines had been discovered in the vicinity, but those engaged in the manufacture of iron think they have got a better and a surer investment, and conclude to stick to the iron, and we think they are not out in their calculations either, for besides the development of the iron resources, which are exhaustless, ultimately resulting in vast benefit to the whole community, there is money in it, lots of it, to those immediately connected with it. Go ahead with the iron by all means. Iron is worth more than silver or gold or diamonds.

ROBBERY.—George Snyder and John Crane went into a store in the Third Ward to day, and the former snatched up a bundle of fish and the latter all the money that he could seize that was in the till, and both started off on a "dead run." Rather a daring piece of business in broad daylight. Luckily Bishop Weiler, his two sons, Joseph and Malin, and a gentleman named Hall were close at hand. They at once started in hot pursuit of the thieves and, after a sharp chase, succeeded in capturing them, fish and money and all. Snyder and Crane were brought to the City Hall and lodged in jail. The latter is an old offender, having only lately been released from the chain gang.

INTERESTING CRIMINAL STATISTICS.—Our reporter dropped into the Police Court just as Captain Andrew Burt had finished his report to Mayor Wells of the criminal statistics of that Court, and we are therefore enable to publish it in substance, as follows:

From June 1st 1869 to May 31st 1870:—Drunkenness 99, drunkenness and disturbing the peace 79, assault and battery 39, fighting 31, assault and threatening 6, assault with intent to kill 1, petty larceny 26, grand larceny 9, robbery 3, perjury 1, gambling 2, prostitution 7, swindling 2, assault 9, doing business without license 20, fast riding 11, exposing person 2, vagrancy 3, insulting ladies 5, nuisance 2, selling whisky to Indians 3, shooting in streets 1, assault and rape and attempted rape 3, resisting officers 3, profane swearing 12, passing counterfeit money 3. Total 382. Total convictions found against the parties arrested 337.

From June 1870 to June 1871: Drunkenness 227, drunkenness and disturbing the peace 79, assault and battery 38, petty larceny, 41, fighting 39, assault and threatening 5, profane swearing 12, gambling 5, doing business without license 17, prostitution 4, assault with intent to kill 4, fast riding 3, swindling 4, exposing person 5, vagrancy 8, assault 9, insulting ladies 3, nuisance 1, shooting in the street 2, obstructing sidewalks 2, selling whisky to Indians 3, burglary 1, seduction 2, assault with intent to commit rape1. Total arrests 517. convictions found 482.

An approximate average has also been estimated for the year ending May 31, 1872, which shows the amount of crime committed to be double that of the previous year.

This great increase of crime in the city is very suggestive and naturally leads the mind of the reflective person to search for the principal causes which are producing such hideous evils in a formerly far more exemplary, virtuous and orderly community. The chief of those causes need not be searched for long. It lies in the faith of bad characters that they ply their nefarious practices under the protecting ægis of those who should be the promoters and sustainers of honesty, sobriety and good order. Very suggestive indeed.

PUBLISH HIM.—A dispatch dated at Coppercopolis, Cal., will be found in another column, which tells of an aged scoundrel of that place eloping with a girl fourteen years old and leaving behind destitute a woman to whom he had been married thirty-five years. We agree with the hope expressed in the dispatch—that the press would publish the rascal.

THE WORST OF ALL.—If some of those excessively "loyal citizens" would take to heart the following truism, from the Cleveland *Plain Dealer*, it might be to their and their country's good:—

"Bigotry, whatever guise it assumes, is a monster; but the high-moral, 'loyal' bigot is the worst of all."

THE CHEYENNE "LEADER."—H. Glasfacke assumed editorial control of the Cheyenne *Leader*, April 1.

LAST LECTURE.—The last of the series of Professor Orson Pratt's able and logical lectures will be delivered to-night at the Old Tabernacle. All who delight in clear and lucid reasoning should not fail to attend.

RETURNED.—John T. Caine, Esq., of the *Herald*, returned yesterday from a trip to California.

PARTIALLY DISABLED.—Brother George Anderson, the well known herdsman of this city, met with an accident the other day. While pursuing his avocation on horseback the animal slipped and fell on his leg, severely bruising his foot and ancle. He desires through the NEWS to ask his numerous patrons to be a little lenient towards him till he is entirely recovered from the effects of the accident, and pledges himself meanwhile to do the best by them he possibly can under the circumstances. George has the reputation of being punctual in attending to business.

THE CINCINNATI CONVENTION.—The committee of arrangements for the Cincinnati convention have issued a circular, inviting voters, without distinction of party, to join in sustaining the Constitution as it is, and in securing civil service reform, a tariff for revenue only, amnesty for past political offenses, and local self-government. It says further that while the objects of the liberal republicans and the reverse reform organization are in the main the same the latter organization has the special object of gathering together all parties who are in favor of these principles. It also states that arrangements have been made with most of the railroad companies to return persons home free who have paid full fare in coming to the convention.—*Washington Star, March 2.*

HOW NOT TO DO IT.—Says an eastern exchange:—

"The reform legislature of New York seems to be perfecting itself in the art of 'how not to do it,' shown in its action on the bill to regulate public amusements in New York city. The main object of the measure was to suppress those foul offences against decency known as 'concert saloons,' in which 'pretty waiter girls' dispense poisonous liquor at high prices; and yet so much of the bill as related to the employment of female waiters in places of amusement was stricken out. At this rate not much good will be accomplished by the body from which so much was expected."
