The Latest Proceedings - The following is the assignment of errors

gress made by the Mormons there. liet us premit s what we have to say And now comes the defendants, by remarking that no one can tell George Q. Cannon, Albert Carring. why the Mormons have devoted so | ton and Brigham Young, and upon much time to the counties of Cherotheir petition for a writ of certorari kee, Georgia, in which they, have and the record of the proceedings been working so long. They are not against these defendants for conbeen working so long. They are not to be found elsewhere, and they tempt, allege and assign the following errors in said record, to wit: seem to be determined upon capti-vating the section spoken of. The

First-It appearing from the re-cord that the order for the delivery of property to a receiver, was to deliver the assets of an estate without arecifying the property; that these defendants delivered property, and answered under oath they had delivered all, the Court had no power to proceed as for contempt, until after an inquiry into the mat-

ter by some proceeding in the case and the ascertainment of what, if very few men could argue with any, property was in the hands of defendants, and ordering a delivery of the same by particular specifica-

Second-The affidavits and proseedings upon which the attachment issued are not positive, or cer-tain, they do not charge that since the commencement of the suit del's. Office hours from 9 a. m. to 5 p. m. these defendants had any assets in

their hands, or specify any assets. Third-The affidavits, on their d12 8-9- 1 face, show the charge of contempt is based on past waste alleged, and for a mere thing in action, and hot on a retention of jassets, and state no surject matter in reference to which a contempt could be com mitted.

of the mountains), Walker County, Catoosa, Whitfield. They have a post or two in Floyd County and in Murray and Dade, and have gone Fourth-The court exceeded its Jurisdiction in making the finding and judgment of July 36th, 1879, there being no subject matter on into Pickens and Fannin. They which the same could be based. drifted on towards Tennessee

and North Carolina, ap pearing to shun the railroad and stick to the mountaineus dis-Fifth-The court exceeded its jurisdiction in finding the defendants retained and should deliver each telegraph, are as follows: The civil government organized by the citiv-zens of Sitka, August 2d, in accord-ance with the sense of a public meeting held July 25th, provides for a chief magistrate and five se-lectmen, with authority to two other of these items, and in adjudging made in the principal suit or affida-vits; that they retained \$11,000 in-terest paid on borrowed money, no an their converts to Utan. The truth is, they take only a small por-tion of them. At one time they took over 40 converts on one train, the crowd being gathered from several counties. At various other times they have sent batches of 10 or 12. It is probable that 150 or 200 will a that they have been that the they have such charge being before the court; that they retained \$31,000 paid out on claims barred by the statute of limitations, no such charge being before the court; that they retained \$53,682,22 paid out on debts of John or 12. It is probable that 150 or 200 will cover all that they have sent out from North Georgia. These people were mostly poor and shift-less folks, and generally past mid-dle age. One or two pretty girls are known to have gone, but the most of the women were old and agly and not liable to be pressed into polygamic relations. Many bushands and wives went, the

most of the women were old and agly and not liable to be pressed into polygamic relations. Many husbands and wives went, the wives insisting that as the Mor-mons based their polygamic theory upon the fact that Rachel selected new wives for Jacob, they would be allowed to select new wives for their husbands, whenever, if ever, like Rachel, they deemed is neces-sary. Sixth - The record shows the Court went into an examination in he nature of an accounting, to harge defendants with waste, the subject matter of the inquiry being in issue in the main case, and the Court had no jurisdiction to try such issues in a summary examinaion of this nature.

But the elders made many con-verts that still live in Georgia. These are personn who are Mor-mons in everything, save that they do not attempt to practice under Georgia laws the polygamic part of their creed. They believe in the Book of Mormon—in the divine inspiration of Joe Smith—and in all theory and teaching of the Mormon church. They have been tion of this nature. Seventh—The Court exceeded its jurisdiction in adjudging the de-fendants retained and should de-liver, and be imprisoned until com-pliance, the items of personal pro-perty distributed to Brigham Young as devisee, no such charge being made in any of the proceed-ings.
