POLICE BEGIN REFORM CAMPAIGN

Slot Machines Must Go and Other Forms of Gambling Interdicted.

MORAL WAVE STRIKES CITY.

Saloons Are to be More Closely Regulated and Probably Closed On Sunday.

Ogden, Dec. 6.—Gambling and saloon keeping in Ogden will be more stringently regulated in the future, and once more the slot machines must be removed.

Some months ago a raid was made by the police on the slot machines in Ogden and every one was removed from the saloons and other places, but gradually they were replaced, and run as briskly as ever.

A conference has been held between Dist. Atty. Halverson, Sheriff Bailey and his deputies, Captain of Police Brown and Detective Pender on the proposition and it was decided to notify the owners of the machines to immediately close them up or else suffer punishment. Dist. Atty. Halverson is determined in the matter and says that the law must be complied with, that these evils must be stopped, and that he will use his authority to the fullest extent to stop the same. When the slot machine evil has been remedied, the officers will direct their attention to gambling and the saloon business. Gambling may be entirely wiped out in Ogden and the saloon men may be required to close their places at midnight every Saturday night and remain closed for 24 hours over Sunday.

COMMISSIONERS RESTRAINED.

Obstructions in Canyon Can be Removed Only by Legal Process.

Ogden, Dec. 6.—The county commissioners are not going to remove from the Ogden Canyon right of way belonging to Weber county, the buildings, fences and other obstructions without first fighting the cases through the courts. A short time ago the commissioners passed resolutions concerning these obstructions, and decided to notify the owners of the same to remove the obstructions. This order was not obeyed, and the commissioners notified the road supervisors of Eden and Huntsville to proceed to remove the same at the owners' cost.

The Ogden Canyon Resort company through its attorneys, C. R. Hollingsworth and Henderson and MacMillan, have filed suit with the district court against Joseph W. Graham, Andrew S. Graham, road supervisors of Huntsville and Eden and the three county commissioners asking for a restraining order prohibiting defendants from interfering with the property of the company said to be on the county right of way. A temporary restraining order was granted by Judge Howell. The resort people claim that one of their buildings known as the "Winslow hotel" has stood on the present location over 20 years; that because of this fact the county has lost jurisdiction over the land on which it stands and has no right to interfere with the same. They claim that the building and grounds thus affected are valued at \$3,000.

It is understood several such suits are to be filed by individuals whose property is affected by the orders of the county commissioners to have all obstructions removed from the county's right of way.

for false imprisonment. The complaint alleges as a first cause of action that on July 11, 1904, the defendant maliciously and without cause and without any warrant of law unlawfully arrested plaintiff and against the will and protest of the plaintiff, forcibly imprisoned plaintiff in the Weber county jail and kept plaintiff a prisoner for the space of three hours, and that the said acts were done with intent to injure the good name and credit of plaintiff in the sum of \$2,000.

For a further and separate cause of action, plaintiff alleges that on July 11, 1904, defendant wrongfully to a complaint before a judge charging plaintiff with obtaining \$50 under false pretenses and defendant was placed under \$500 bond to answer to the charge, and was imprisoned in the jail two hours until he could secure bail for his release. It was found guilty in the justice's court at North Ogden and bound over to answer to the charge to the district court, and was held under bond of \$5,000 until April of this year, when the action was dismissed at request of Mr. Bailey, and that on this second cause plaintiff's good name was injured in the sum of \$2,500, making a total of \$4,500 for which plaintiff asks damages against Mr. Bailey.

DISTRICT COURT RULINGS.

Judge Howell Decides Number of Cif and Damage Suits.

Ogden, Dec. 6.—Judge Howell has rendered his decision in the following cases:

The motion of the defendant in the case of Pauline Griffin, administratrix of the estate of Herbert J. Griffin, against the Southern Pacific company, was denied. The suit was brought to recover \$25,000 for the death of Mr. Griffin, who was killed because of alleged carelessness of the railroad company. The jury who heard the case gave a verdict of \$5,000 to the plaintiff, which verdict will stand.

In the case of A. R. C. Smith vs. Eldredge Alvord, the suit in which the jury gave defendant a verdict of \$10 damages, the plaintiff moved for a new trial, which the court held should be granted unless the defendant refunded the \$10 paid on the verdict.

The partnership existing between A. R. C. Smith and George Ekina in the sheep business was dissolved and the profits, amounting to \$1,208.54, is to be equally divided between the two partners.

The demurrer of the defendant to plaintiff's complaint in the case of O. P. Henderson against the South Pacific coast company was denied. The defendant alleged that the court had no jurisdiction in the case, as the plaintiff was not a resident of the state and that the plaintiff met his injuries in another state.
