

LOCAL AND OTHER MATTERS.

THEATRICAL.—To-night the management announce the favorite drama of "Ten Nights in a Bar Room," Mr. Chaplin appearing as "Joe Morgan," and little Della Clawson as "Mary Morgan," with the popular song of "Come home Father."

CALLER.—We received a call to-day from Mr. Lyman D. Morse, of Boston, and Mr. Wm. B. Robinson of Philadelphia. Mr. Morse represents the house of Joseph Burnett and Co., of Boston, proprietors of cocaine, cologne water, kailston, floral oriental tooth wash, Whitcomb's asthma remedy and Burnett's standard extracts for cooking purposes. This is one of the principal houses in this line on the continent.

Mr. Robinson represents the house of McKee, Van Hagen & Co., of Philadelphia and New York, manufacturers of fine toilet soaps. The business of these gentlemen in the Territory is to forward the interests of the firms they represent, and we can confidently recommend them to our business men.

CHAPLIN'S BENEFIT.—This popular young actor takes his farewell benefit to-morrow evening previous to his last appearance on Saturday night. His undoubted ability and the great versatility he has displayed since his engagement commenced, have made him a general favorite; and the bill selected for the occasion should draw a house crowded in every part if anything could. Sparkling comedy, touching pathos, fine dramatic situations, and the most comical of burlesques, offer a variety of entertainment to suit the most varied tastes. Bulwer's beautiful comedy of "Money" leads the bill, a piece which made an immensely favorable impression when performed here before. Mr. Chaplin appears as Evelyn, the sometime misanthrope and always noble-hearted, and Miss Lockhart as Clara Douglas, supported by a strong cast.

The capital burlesque which closes the performance will send everybody home in the best of humor. "The Lady of the Lions," is a tragical, comical, tragically comical, and indelibly side-splitting burlesque, and a capital one on the ever favorite "Lady of Lyons," its points will be readily taken by an audience that has so often appreciated and applauded this favorite creation of Bulwer's. Mr. Chaplin plays Polly Ann, not Pauline; and Miss Annie Ward the youthful Glad Medlenott. The burlesque is rich, and cannot fail to make a vast amount of mirth.

We hope to see the gentleman receive a substantial benefit.

Burnett's Cologne Water is inimitable in quality, and put up in bottles of superior finish and beauty.

Burnett's Cologne for the hair once used recommends itself to the hairdresser, Boston.

The peculiarity in Burnett's Florida consists in its delicate and lasting odor.—Boston Herald.

Permanent Cures of Asthma have been effected by the use of Jonas Whitcomb's Remedy.

Burnett's Kailston for the skin has been used generally with success.—Montreal Herald.

STILL THEY COME.—We notice in the columns of the Wisconsin State Journal of the 15th inst. a statement that a large party of Wisconsin gentlemen mostly from Madison City, intended to start from Chicago on Monday last for this city and California. "The party is composed of the following gentlemen: Hon. B. F. Hopkins, member of Congress from that district; Hon. Philo Sawyer, of Oshkosh, member of Congress from the 5th district; Hon. Thomas S. Allen, Secretary of State; Hon. William E. Smith, State Treasurer; Hon. Charles R. Gill, Attorney General; Hon. J. M. Rusk, Bank Commissioner; Hon. Henry Cordier, State Postmaster; Hon. Geo. B. Smith, Col. Thomas H. Reynolds, U. S. Vols., President first National Bank; D. R. Tenney, Esq., Hon. James Ross, E. Burdick, Esq., Major P. B. Parsons, Dr. J. B. Bowen, S. Klauber, Esq., Philo Dunning, Esq., and J. E. Moseley, Esq., all of Madison. Major S. B. Finney, of the Oshkosh Northwestern; Wm. H. Wyman, Esq., of Milwaukee; Dr. R. B. Treat, of Janesville; Hon. N. S. Green, of Milford; Hon. Wm. Griswold, of Columbus, and Hon. Geo. W. Rely, of Wausau." We hope to quote the sentiments of the Journal, that the "Excursionists may have a tour of great pleasure and profit to themselves and a safe return to their families and friends in Wisconsin," and that while in this city, admiring its loveliness, they may realize who it is, who have made the valleys of Utah the places of beauty they are to-day, and who are the people that will continue their labor of love and faith until the valleys of Utah will yield the palm to none throughout the whole earth, neither for peace and beauty, nor for fertility and population.

GENERAL TOM TRUMER.—Yesterday afternoon we paid a visit to the "Ladies and Gentlemen in Miniature," who are at present giving their exhibitions at the 13th Ward Assembly Rooms. We must confess that we were more than pleased with the songs, duets, dances, comic delineations and tricks of the little people. The beautiful little Miss Minnie, the tiniest of the party, is about the height of an average child of four years old, the rest are just a little bigger. The Commodore is the "funny man" of the company, his "Jim Crow" and "Captain Jinks" being particularly good. Mrs. Stanton, the General's wife, sings a number of songs in a very pleasing manner; whilst last, but not least, the General appears in several characters, one of the most interesting, being his personation of Napoleon the First. This interesting little party will only remain in the city until the end of this week, and all who desire to see them must pay them a visit between now and Saturday evening.

"THE PEOPLE'S LIBRARY."—We have received the first number of this very valuable work, now being issued by the American News Company, New York. The design of the publishers, according to the prospectus, is to issue, at such a price as to be within the reach of all, works upon all the various sciences, in such a form as to place a real knowledge of the subjects treated upon within the reach of those who will take the trouble to read. The work commences with an English translation of Zoroaster's "Wonders of the Ancient World," in which the geological developments and changes of our earth, as far as scientific investigation has revealed the facts, will be made known, together with the various forms of vegetable and animal life contemporaneous with those developments; also, the origin of the earth and the solar system. The work is printed in clear type and abounds with illustrations of the plants and animals inhabiting the ancient world. The first part contains fifty-six pages of close reading matter and illustrations.

It is of a very convenient size for preservation and binding. The publishers price is twenty-five cents per part, and we presume, though it is not so stated, that it will be published monthly. All orders can be forwarded to Mr. James Dwyer, Railroad News Depot, East Third Street, Salt Lake City.

This promises to be a very valuable addition to the literature of the country, and its perusal and study, by young or old, cannot but be attended with profit and pleasure.

If our young folks, especially, will devote their leisure time to the perusal of this similar work, they will as surely develop and strengthen their mental powers, and become well-informed, as by the perusal of trashy tales and novels they will become shallow, light and trifling in character, and remain in ignorance.

SPECIAL NOTICES.
WANTED. Sharp to herd on Shares by MORTIMER & FREEZE.

FLAHS FOR THE SACK.—Everyone wanting 1 Phillips' American Flahs, had better see him before Friday eve, at the Eagle Emporium 265.

"LIGHT AS A COKE." is the expression of all housekeepers after using Dooly's Baking Powder. It is chemically pure in its composition, and possesses no ingredients but such as are perfectly harmless, healthy and nutritious. This is not only the best, but the cheapest in market, as one pound will go further than a pound and a half of those ordinary manufacture. Use no other. Inquire at your grocers for Dooly's Baking Powder. 629-14

JAMES MILLER, formerly of Hamilton, near Glasgow, Scotland, arrived at New Orleans, by the ship Zealand, in the Spring of 1898, accompanied by his sister Jane, who had been married to a man by the name of James Wright. The last he saw of his sister was in St. Joseph, Missouri, in the Spring of 1891, where he left her, expecting she would follow him to the Valley the next year. Any information respecting her, directed to Christopher Williams, Third Ward, will be thankfully received. 6290 1st 47 14

Those who suffer from Liver Complaints may rely upon the Red Jacket Bitters, because they derive from its anti-bilious properties immediate and certain relief, when all the usually prescribed remedies have proved useless.

Cash paid for Clean COTTON RAGS at this Office, or at the Paper Mill, Sugar House Ward.

WARRANT DEEDS for sale.—The citizens of this Territory are now in possession of all the rights and privileges according from the enjoyment of the Pre-emption and Homestead Laws, and hereafter all transfers of titles to land will have to be effected by means of Warranty Deeds, instead of the Quit Claim Transfer Deeds heretofore used. In view of the demand for such documents, we wish to inform the public that we have them on hand, at this office, in legal form, and are prepared to sell them singly, or otherwise, at very low rates, to suit purchasers. 6-6-97

MOWERS AND SULKY RAKES.—In consequence of the great demand for Mowers and Rakes, we have made arrangements for getting through from Omaha, another car-load of Champion & Woods' Mowers, and a few of the Hollingsworth Sulky Rakes, which will be ready for delivery either in this city or at Deseret, about the 20th inst. We will, as heretofore, sell them as low as possible, and having only a limited number, those wishing to secure them, must send in their orders immediately to the Eagle Emporium.

Established January 1, 1897, for the carriage
of Freight without Transfer.

This Line is owned and operated by the Michigan Central, Illinois Central, Chicago, Burlington and Quincy, Chicago and Alton, Great Western of Canada, New York Central, Hudson River, Boston and Albany, Providence and Worcester, Worcester and Nashua, Housatonic, and Jackson, Lansing and Saginaw Railroads.

THE "BLUE LINE"
Is the only route that offers to shippers of freight the advantage of an unbroken range of track from Chicago and the Mississippi river to the seaboard, and is of the
SAME GAUGE AS THE UNION PACIFIC,
over which these cars will run on completion of all road.

THE BLUE LINE CARS
Are ALL OF UNIFORM BUILD, thus largely
eliminating the chances of delay from the use of
cars of a mixed construction, and the consequent
difficulty of repairs while remote from
their own roads.

The Blue Line is operated by the Railroad
Companies who own it, without the intervention
of intermediate parties between the Roads
or Line and the public.

The facilities of the Line for making
uniformly quick time are unequalled.
