Reported Daily by HOOPER, REDDRICK & Co., Bankers.

LOCAL AND OTHER MATTERS.

THEATRE.—That fine play, "The Ticket of Leave Man," will be presented at the theatre to-night. Miss Kitty Blanchard will appear as Sam Willoughby, and will sing "How's that for High?" and "Have you seen Louisa?" Mr. Rankin will play the part of "Bob Brierly," a Lancashire lad. Mr. Power, Hawkshaw, the detectives. Other characters by the Company.

DISTRICT COURT.—During this morning session of the Third District Court, twenty-nine applicants for naturalization were admitted to citizenship.

WARD ENTERTAINMENT.—The young folks of the Seventh Ward had a good time at their second entertainment, which was given last night to a crowded and highly appreciative audience. There was some twenty-two pieces in the programme, which were all well rendered. The recitations and dialogues given by the children, and the rounds and glees sung by the Sunday school choir, were especially good. A great amount of labor is required to get up entertainments of this kind; but their pleasing effects upon all participating afford a large share of compensation.

IN THE HANDS OF THE POLICE.—The following telegram was received this morning per Western Union Telegraph line:

"STOCKTON, Utah, 13.

Captain Burt,
Chief of Police, Salt Lake City:

We have McKay. Ringwood and all of us will be in to-night, about 10 o'clock.
signed A. LIVINGSTON."

HOME AGAIN.—Mr. James Cummings, who left this city about the beginning of the year, on a trip to the East, reached home in good health, last evening, by the 7:30 train. Since he left he has travelled about seven thousand miles. He has had a very pleasant trip, visited relatives whom he had not seen for over thirty years, been treated with marked respect and courtesy everywhere, has gleaned a fund of very valuable information about woolen mills, and after having had an opportunity of contrasting the East and Utah, returns home appreciating, more than ever before, the peace, tranquility, good order, security and happiness which characterize the valleys of the mountains.

THAT BRIDGE.—Our gentlemanly and obliging Road Commissioner, Theodore McKean, Esq., called in this morning, in reference to that dilapidated bridge over Jordan, mentioned in yesterday's issue. With his usual promptitude he paid a visit to the bridge as soon as possible this morning, and found that repairs were badly needed; but unfortunately it is not on the County road, and he has no authority to make repairs. He says the bridge was made by those interested in the Old Canal, and if any are under obligations to make repairs they are the ones.

IMPORTANT TO PRE-EMPTORS.—An exchange says

"The laws of Congress provide that all persons who filed a pre-emption claim to public lands prior to July 14th 1870, must prove up and pay for their land before the 14th of July 1871, or not only will their title to the land be worthless, but their right of pre-emption. Those who filed on land after July 14th, 1870, will have eighteen months from that date to prove up. These facts should be known and heeded by every settler who has not got a clear title to his land.

The above is true, but the following, being Sec. 3, chap. 272, of an act approved July 14th, 1870, page 279, of the Statutes at Large, passed at the 2nd session of the 41st Congress, may make the matter a little clearer:

"*And be it further enacted*, That nothing in the act of Congress approved March 27, 1804, entitled 'An act for the relief of settlers on lands reserved for railroad purposes' shall be construed to relieve such settlers from the obligation to file the proper notices of their claims as in other cases, and all claimants of pre-emption rights shall hereafter, when no shorter period of time is now prescribed by law, make the proper proof and payment for the lands claimed, within eighteen months after the date prescribed for filing their declaratory notices shall have expired: *Provided*, that where said date shall have elapsed before the passage of this act, said pre-emptors shall have one year after the passage hereof in which to make such proof and payment."

ELKEDDFOD.—Remember the literary and musical Elkeddfod, in the 13th Ward Hall, on the 5th of April.

INFORMATION WANTED.—The following letter has been handed in for publication:

"HART, February 10, 1871.

To the Postmaster, Salt Lake:

SIR:—Being warned by approaching age and poor health, that life is short with me, I have a great desire to hear once more from my father's family; and as I have lost all trace of them I have concluded to write to you as the last effort which remains for me to make. If this fails they are lost to me forever in this world.

My name is Eunice Frazier. My mother married a second time, but I have forgotten the man's name she married; probably she is dead before this time. My brother's name is Wm. P. Wells; my sister Mary married George Snow, and my sister Harriet married Truman Glitton or Gliddon, I do not know which way the name was spelled. They joined the Mormons and went with them from Kirtland, Ohio.

The last I heard of them was while they were at Fort Leavenworth, about thirty years ago. Now if you know any persons of the names I have mentioned, you will confer a lasting favor upon me by letting me know of their P. O. address.

Direct to Elias Frazier, Hart, Oceana Co., Michigan."

WORTH REMEMBERING BY BUSINESS MEN.—An exchange says the following is a list of all the counterfeits known to be in circulation, the plates of which have not been captured. Tons on Flour City National bank of Rochester, N. Y.; Saratoga County National bank of Waterford, N. Y.; Highland National bank of Newburg, N. Y.; First National bank of Red Hook, N. Y.; Auburn City, N. Y. National bank; Mutual National bank of Troy, N. Y.; American National bank of New York; First National bank of Lockport, N. Y.; National Bank of Commerce, N. Y.; and First National bank of Poughkeepsie, N. Y. Two on Marine National bank of N. Y.; Market National bank of N. Y.; St. Nicholas National bank of N. Y.; National Union bank of Lindenpark, N. Y.; National bank of Rhode Island, Newport, R. I. Ten of the eleven $10 counterfeits, and four of the five $2 counterfeits, are printed from the same plates, with only the name of the bank changed.

MUSICIANS AND SINGERS, ATTENTION!—To-morrow night, at 7 o'clock, the second meeting, for the completion of the organization of the Deseret Philharmonic Society, will be held in the City Hall. Members of choirs and musicians are invited to attend. The formation of this society is a matter in which they are all interested, for it is designed to promote a knowledge of the principles and practice of music. A full attendance is requested.

A WASHING RECIPE.—Anything to lighten the labors of housekeeping is a blessing, and in no department is this truer than in the laundry. As the following recipe, published in the Western Rural, may prove useful to some of our lady readers, we give it a place.

"For two tubs of clothes, take one-half teacup of coal-oil and mix it thoroughly with enough of soap to form a suds. Separate the white from the colored clothes, and put them in separates tubs to soak over night. In the morning, wring out and make another suds, and wash them thoroughly. Then boil and rinse. The clothes will be very white."
