EASTERN

A Riot.

VICKSBURG, 26.—A *Herald's* special at Macon, Miss., dated the 24th, says that there was a riot at Newhope Church, in which eight negroes were killed and several wounded; the cause of the riot was a quarrel between a white man and a negro about drum beating.

Annuity Received.

EUFAULA, Indian Territory, 26.—The regular annuity for the support of the Creek national government, and also the appropriations for their schools, for this fiscal year, amounting to $34,900, have been received, and will be paid out here to-morrow; this amount is five per cent. of the interest on the investment of funds held by the United States in trust for the Creek Indians; an additional sum of $2,700 will also be paid, appropriated by the act of Congress of March 3rd, 1875, to resume the fulfilment of portions of the Creek treaty of 1872 that had been suspended under a ruling of the Interior Department for two years past.

Opposition to the Democracy.

PHILADELPHIA, 26.—The national committee of the Union League of America met to-day, and a movement was inaugurated looking toward the union of all the elements of opposition to the democratic party, especially in the South.

Another Big Failure.

BALTIMORE, Md., 26.—Sterling, Ahrens & Co., said to be the largest sugar importing house in the United States, suspended payment this p. m. Ahrens thinks the liabilities will amount to about two hundred thousand dollars, but if the assets are judiciously administered the creditors can ultimately be paid dollar for dollar. He assigns as a cause for the failure the general depression of business and the shrinkage in value of coffee and sugar, of which the firm have large stocks. They have also large real estate, not at present available. A detailed statement of their affairs will be prepared as quickly as possible.

The Tripolitan Affair.

WASHINGTON, D. C., 26.—No information has yet been received here in regard to the action by the U. S. steamers *Congress* and *Hartford*, sent to Tripoli to demand reparation for the insult offered to the American consul and his wife. The negotiations are being conducted by Captain English, and should the Tripolitan authorities refuse to make reparation upon his demand, Rear-Admiral Worden, of the European station, will be directed to proceed to Tripoli with all his force and there await instructions.

Sold by Auction.

NEW YORK, 26.—The horses, harness and carriages of William Butler Duncan were sold at auction to-day, for $4,464.

Died of His Injuries, &c.

J. H. Noe, assaulted in his store on Sunday, died this evening; so far the assassins have not been identified.

It is reported that General Butler has been retained as counsel for Tilton in his second suit against Beecher.

Completed.

BROOKLYN, 26.—The anchorage of the East River Bridge is completed, and cable making for the Bridge will commence at once.

Mutineers Committed for Trial.

BOSTON, 26.—The mutineers of the schooner *Jefferson Borden* have been fully committed for trial.

Held for Trial.

The examination of Wm. S. Carson, ex-superintendent of J. P. Squires' Pork Packing House, charged with embezzling one hundred and fifty thousand dollars from the firm, was concluded to-day, and Carson was held for trial in $150,000 bail.

Struck a Sea Serpent.

PORTLAND, Maine, 26.—The schooner *Emily Holden*, Captain Fred. York, which arrived to-day, reports that on the 22nd, off Martinicus, she saw a sea serpent, and that she sailed for and struck it, and received a violent blow from its tail as it dove.

WESTERN.

True Bill Found.

SAN FRANCISCO, 26.—The Grand Jury, yesterday, found a true bill for embezzlement against Miller *alias* Woodruff, the defaulting secretary of the Contract and Finance Co.; the charges against Rosener, the ex-assessor, were ignored.

Bank of California Stopped Payment.

The Bank of California stopped paying checks at a quarter to three. In an interview with Ralston he says the bank has sufficient assets to meet all its liabilities, and no one will lose anything, but at present there is no coin with which to transact business.

At five p.m. the representatives of the press met in the office of the President of the Bank of California, when the following written statement was read—

"Office Bank Cala.,
"Aug. 26, 1875.

"The Trustees are under the painful necessity of stating to the customers of the Bank and the public that the Bank is compelled to suspend business at this moment, and, without reports from its agencies, they are not prepared to make a statement as to the situation of the Bank, but are now examining its interests critically, and will, at the earliest possible moment, make a definite report.

"By order of the trustees,
Signed "S. FRANKLIN,
"Secretary."

President Ralston stated orally that, on his own responsibility and that of the officers of the bank, he had no doubt they would be able to meet all their obligations. In reply to a question as to when they expected to open again he said—"Not at all;" and subsequently, on a repetition of the question, he said—"We do not expect to resume." Ralston further stated that about one million four hundred thousand dollars had been paid out to-day. No assistance had been received from other banks, though application had been made for it. He had telegraphed to fall the agencies of the bank to close. He thought that no banks in the interior would be affected by the failure. The excitement on California Street was intense, and the street was blocked during the p m. The crowd, on the whole, was quiet and good natured, and much confidence was expressed in the ability of the bank to redeem its obligations. A run was made on the National Gold Bank and Trust Co., but the bank continued paying until the closing hour, and asserted its ability to settle all demands in coin or bonds. The other banks in the city report no unusual demand on their resources. The San Francisco and Pacific Stock Exchanges held no sessions this afternoon, adjourning to call, and the former passed resolution forbidding members to do business in the interim. The late hour at which the suspension of the Bank of California occurred renders it difficult to calculate the effect on other financial interests at present.

Gloomy Financial Outlook.

The general feeling about town to-night is rather blue. The cashier of the National Gold Bank and Trust Co. stated to a gentleman, in an interview this evening, that the bank would open in the morning, but might have to suspend during the day. This bank paid out all its gold this afternoon and a good deal of silver. If it can make arrangements to-night for coin it may be able to ride over to-morrow. A run is expected on the San Francisco and Merchants' Exchange Banks to-morrow. A meeting of bank presidents has been called for this evening to concert measures of relief; the board of brokers have also called a meeting.

The Gold Bank and Trust Company Closed.

The National Gold Bank & Trust Co. have sent in the following notice for publication in the morning papers:

"In consequence of the panic and the impossibility of obtaining coin, the National Gold Bank and Trust Co. will close until further notice. The bank has thirteen hundred thousand dollars over and above all its liabilities, and as soon as coin can be obtained it will resume business as usual; in the mean time any creditor desiring them, can have good assets of the bank to the amount of his claim.

"By order of the Board of Trustees. "HENRY L. DAVIS,
"President."
