LOCAL AND OTHER MATTERS.

WEATHER ITEM.—The highest point reached by the thermometer to-day was 60.

BENEFIT OF THE "JAPS."—To-night is the last but one of the appearance at the Theatre of the famous Japanese troupe of acrobats and jugglers; it is also for their benefit, and as performances of such unrivalled excellence are rarely seen, there should be a crowded house. Several tricks, not hitherto introduced, but as wonderful as any they have yet performed, will be presented this evening.

RIGHT THIS TIME.—It will be seen, from a despatch in another part of the NEWS, that the gentleman who makes up the press telegraphic news at Washington has got it right this time about the petition received at the Executive Mansion, from the ladies of Utah. The 2,500 ladies who signed it, were, as we before stated, in favor of, and not against polygamy.

LETTER.—The following, per W. U. T., was received last night:

OPHIR, East Kanyon, Oct. 26th.

Joseph Filax who was shot by Mellen, yesterday, is better to-day, though still in a critical condition. Mellen was taken to Tooele jail yesterday.

SEEN AGAIN.—A few weeks since, as Bro. Joseph Alley was driving leisurely along by the south end of Bear Lake, his attention was suddenly attracted to an object moving in the water, a short distance from the shore, and upon intent scrutiny he was convinced that it was the veritable "Bear Lake Monster" itself. He could only see the head of the creature, which appeared to him to be similar to that of a seal or sea lion. As all but the head was immersed in the water, he could not form any correct idea of the entire dimensions or shape of the creature, but judging from the goodly proportions of its seat of knowledge, he thought it must be of large size. Although but a short distance from Brother Alley, it did not seem at all afraid of him, but surveyed him for some time with quiet complacency and apparent curiosity. When it commenced to move through the water it traveled with astonishing rapidity.

THE MATINEE To-MORROW.—Fathers and mothers, remember the MATINEE at the Theatre to-morrow afternoon, and let the youngsters go and see the wonderful infant acrobats, "All Right," "Wonder" and "Spider." To say that the performances of these children are extraordinary is saying very little, they are, in many respects, really startling and terrific. The youngest of the three is not more than four years old, and to see the way this little fellow can twist himself up is a caution; while as for the other two, their balancing tricks are impossible to surpass. Then there is the ball playing of Professor Gangero—the like of it, we should think, was never seen before; and the tight rope dancing of the "Belle of Japan," the paper butterfly trick, the bow and arrow shooting with the feet; and in fact, the entire performance, is the best in quality and just the kind to delight juveniles. Let them go and have a good time to-morrow afternoon; the price of admission for all under twelve years of age is only two bits; over twelve, fifty cents. Remember that to-morrow night is the last appearance of this wonderful troupe.

SOCIAL PARTY.—A very pleasant social reunion of the European missionaries of 1870 and 1871 came off in the Fourteenth Ward Assembly Rooms, last evening. Most of the brethren indicated, with their excellent ladies, attended. After the intermission, the party were addressed, in an instructive and happy style by Presidents H. S. Eldredge and A. Carrington, when the fantastic tripping recommenced and was continued as long as the company wished. One who attended assures us that it was the pleasantest party he had attended for years.

WOMAN SUFFRAGE IN UTAH is a fixed fact, but it does not seem to afford much encouragement to some people who hoped to see peculiar disintegrating results flow from it. *Every Saturday* says—

Woman suffrage prevails in the Territories of Utah and Wyoming. Its adoption in Utah was brought about by the real or fancied exigencies of the Mormon Church, and so far as outsiders are advised it has not as yet had any special effect on either the morals or politics of the community. Since the passage of the suffrage act two city and town elections have been held, at neither of which did more than a small moiety of the women exercise the privilege of suffrage. It was held by some hopeful but short-sighted persons, that great changes and noble reforms would speedily follow the enlargement of the franchise; but these anticipations have not been realized, and not much of an argument can be based on the results of the experiment in Utah. Wyoming furnishes a legitimate argument, however, which may fairly be used for what it is worth. The population of the Territory, exclusive of Indians and Chinese, is but 8,916, according to the last census, of whom certainly not more than 1,500 can be women above the age of twenty-one years. The value of an argument drawn from the experience of a community of nine thousand persons is not great in any sense; but such as it may be, the woman suffragists shall have, and the concurrent testimony from all sources is favorable.

ANOTHER DODGE OF THE RING.—Every move made by the anti-Morm on "ring" in this place, only reveals how utterly contemptible they are, and to what meanness, paltry shifts they will stoop to show their spite to the people and government of Utah Territory. Another *little* trick in their game was brought to light in the Third District Court this morning; it is too contemptible to notice, but as the new move was treated with derision by the members of the bar present we mention it here just for the purpose of exposing it cheerfully to the contempt it so well merits.

Some months ago the City Council passed an ordinance by which public draymen were restricted to a certain locality for their stand; for the violation of this ordinance a man named Heilbruner, a drayman, was arrested, taken before Justice Clinton, and fined five dollars. Although several months have passed since the fine was assessed, it has never been paid, and now this man, Heilbruner, who, by the way, as stated in court by his legal adviser, is a "gentile," anticipating, probably, that an attachment to compel the payment of this fine may be issued at some time, commences a counter action, the first step in which was taken this morning by a brilliant luminary of the bar, who gave notice, before his honor Chief Justice McKean, of a motion to stay proceedings in the case, the ground being, forsooth, that Jeter Clinton, the justice before whom the case was tried, is incompetent, under the 14th Amendment to the Constitution of the United States, to discharge the duties of any office, having been "an officer in the Mormon rebellion of 1857." The learned gentleman who made this startling announcement has, so far as we have been able to judge by a pretty close attendance at Court for the past three or four weeks, had a very small share of business; but a case of such immense magnitude as this will no doubt be worthy of his transcendent abilities, and he will likely make a tremendous splurge over it.

COAL AND WOOD!—The cold season is approaching, and now is the time for subscribers to the NEWS to bring in their Wood and Coal; supplies of which are needed at this office. Bring along the fuel.

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFEGIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
