## Local and Other Matters.

FROM WEDNESDAY'S DAILY, OCT. 25.

**Married.**—On Sunday last Mr. M. Young, son of President B. Young, and Miss Agnes McIntosh, were united in marriage, President B. Young performing the ceremony. We wish the happy couple joy and prosperity.

**Bitten by a Dog.**—A little daughter of Bro. L. Pratt, aged about four years, while playing yesterday, was very severely bitten by a large dog, in the left arm. The wound was immediately attended to and the dog was killed.

**Fatal Accident.**—On Thursday, Oct. 5th, Phineas Cook, jr., of Swan Creek, Bear Lake Valley, was accidentally shot dead. He let his gun slip upon the hay rack of his wagon, when it was discharged. A brother of deceased and a little girl were with him when the accident occurred. Those particulars are obtained from a letter from Sister Merkley, of St. Charles, to her husband, Brother C. Merkley, who is now in this City.

**Sixteenth Ward Y. M. M. I. A.**—Last evening a meeting of the Sixteenth Ward Young Men's Mutual Improvement Association held a meeting, for the election of officers for the ensuing year, which resulted as follows—

President, Francis Cope; 1st Vice-President, J. H. Parry; 2nd Vice-President, John G. Smith; Secretary, C. E. Silverwood; Asst. Secretary, A. Frewin; Treasurer, J. W. Summerhays.

**Missionary News.**—Elder Jabez W. Taylor, now on a mission in England, writes encouragingly concerning the work in the part he is operating in, to bishop Alex. McRae. He labored as traveling Elder, for the first three months, in the Nottingham Conference, but now presides over the Norwich Conference. He baptized five persons recently, and expects to administer the same ordinance to several others shortly. The letter is dated Oct. 4th.

**Sequestration.**—According to the sequestration order issued this morning by Judge Shaeffer, the special officer, Mr. A. K. Smith, took possession of certain property of President B. Young, at two o'clock this afternoon, consisting of carriages, horses, mules, cows, &c. After the usual notice the property is to be disposed of, to satisfy the order heretofore issued requiring President Young to pay between \$3,000 and \$4,000 alimony pendente lite, in the divorce suit of Young vs. Young.

**What It Shows.**—When a Court issues an order for the sequestration of the property of a citizen and provides that the receiver, appointed by the Court, shall not be required to give a bond, how does it look?

Does the object appear to be to put remedy beyond the reach of that citizen, if possible?

Does such a mode of procedure look as if money was wanted and not justice?

If polygamy is not marriage, is it right to legalize plunder in the name of alimony pendente lite?

Is not the enforcement of alimony pendente lite a virtual or even actual recognition of the legality of plural marriage?

**Small-Pox.**—We have taken pains to ascertain the condition of the sick of Ogden to-day, and find that since our report yesterday there has been one death from small-pox, (that of Mr. Wilson A. Wright) and that there are no more new cases.

We understand that all the patients now suffering from this loathsome disease are said to be apparently doing well.

In order that the public may be apprized of the true state of facts as to the fatality attending this disease, we are able to state, from what we deem an authentic source, that up to this time, there have been ten deaths, all told, since it made its appearance in this city.—Ogden Junction, Oct. 24.

**City Council.**—The Council met last evening, Mayor Little presiding.

Petition of Thomas Fenton and

fifty-five others, asking the city to repair the street crossings in the 6th Ward, west of the Utah Southern Railroad track; the delinquent taxes and sufficient of the present year's taxes, of that part of the city, to make up the sum of \$400, was appropriated to make the repairs asked for.

Petition of Isaac Brockbank and forty-three others, asking an appropriation of taxes to repair the streets and crossings in the 8th Ward, under the direction of the supervisor; \$740, delinquent taxes, appropriated to be applied for that purpose.

Petition of Walker Brothers & Co., for the privilege of laying a substantial plank crossing across Second South Street, from their premises thereon to the south side of the street.

Petition of the Pioneer Rifle Club, for the privilege of establishing, free of taxation, a shooting or rifle gallery in the hall over the livery stable of Mr. T. F. Mulloy; granted during the pleasure of the Council.

Bill of J. L. Rawlings, city attorney, for one month's salary, \$166.60, allowed and appropriated. Adjourned till next Tuesday evening at 7 o'clock.

**An Unfortunate Building.**—The White House, at the corner of East Temple and Second South Streets, seems to be a most unfortunate structure. It has been on fire several times, having lately received great damage from that cause, necessitating a general reconstruction. A new wall had lately been built along the north side and a new roof was just about finished, the tinnings having been expected to put on the concluding touches to-day; but they were not permitted that privilege. At five minutes to six o'clock this morning the east half of the north wall gave way, most of the brick and other materials crashing into the store of Mr. Bailey, next door north, making an indiscriminate pile of debris, groceries, crockery, and other goods. The east half of the roof, thus losing a large portion of its support, also came down inside the structure, making a heap of ruins in the interior and causing the front to sway outward from the top and come near being precipitated upon the street. The walls of the corner building were also greatly racked and twisted, in fact so great is the damage to the White House and the corner building north that there appears no alternative but to take them both down and replace them with entirely new structures. This new loss to Mr. Romney will amount to several thousands of dollars.

**The Young vs. Young Contempt Case.**—In answer to an order to show cause why he should not be punished for contempt, in refusing to comply with a previous order commanding him to pay to the plaintiff, in the divorce suit, alimony pendente lite, President Brigham Young appeared in the Third District Court at 10 o'clock this morning.

Mr. Sheeks, on behalf of the defendant, presented and filed an answer to the order to show cause, which set forth that defendant had taken and perfected an appeal from the order for payment of the alimony, and had filed a good and sufficient undertaking thereon; and the defendant therefore prayed to be discharged.

Mr. Sheeks stated that defendant's counsel were ready to sustain the answer by argument and authorities, providing the Court would hear them.

The Court said, "I will not hear you." Mr. Sheeks, replying, "Then that is all the defendant has to say."

The Court asked if the property heretofore levied upon to satisfy the order for alimony pendente lite, belonged to defendant, Mr. P. L. Williams answering that it did.

The Court then said it should order that the property heretofore levied upon be sequestered, and should appoint a receiver and commissioner, as a special officer of the court, to take the property, without bonds, sell it, and with the proceeds, or so much thereof as may be necessary, satisfy the order for al-

imony pendente lite, and the expenses of these proceedings.

In answer to a question of plaintiff's counsel the Court stated that providing the aforementioned property was insufficient to satisfy the order and expenses the "special officer" of the Court would be empowered to make a further levy.

At the suggestion of Mr. McBride, of counsel for the plaintiff, deputy U. S. Marshal A. K. Smith was appointed, by the Court, the "special officer" in the matter.

FROM THURSDAY'S DAILY, OCT. 26.

**Another Branch.**—A tailoring department has been opened in the ladies' store for home productions, in the Old Constitution Building.

**In the Penitentiary.**—The notorious "Idaho Bill," having been tried and convicted in the Second District Court, was brought to town last evening, and placed in jail.

**Sunday School Concert.**—A concert, last night, at the 7th Ward School-house, for the benefit of the Ward Sunday School, was attended by a large audience, and the entertainment gave great satisfaction, the whole programme being well rendered.

**Departed.**—We regret to learn that Hannah Mary Allen, daughter of Brother and Sister W. L. N. Allen, of the 20th Ward, aged twenty-one years, expired yesterday, from an affection of the region of the heart, from which she had suffered more or less severely for over a year.

**Surgical Operation.**—Dr. Anderson and Richards recently performed an operation for hare-lip and cleft roof, upon the youngest son of Mr. W. Brown, of the 13th Ward, which was entirely successful. The lip was about an inch apart, but is now entirely closed, the operation having made a wonderful improvement in the little fellow's appearance.

**Examination Concluded.**—The preliminary examination, before Commissioner Sprague, of a number of men, accused of riot at the Sheridan Hill Smelter, was concluded to-day, resulting in their being bound, thirteen in all, in \$500 each, to answer to the grand jury. The men were busy this afternoon finding bonds, and the prospect appeared fair for all of them obtaining the necessary security before the day was over.

**Insanity.**—Yesterday a man known as "Col." Johnson, proprietor of a bootblack stand, on East Temple Street, having become hopelessly insane, was taken in charge by the police and placed in the city jail, for present safe keeping. During the day he had threatened to kill Mr. John Lollin with a knife, asserting that nothing would satisfy him short of that gentleman's life. His mind had been failing for a considerable time past.

**Concert.**—The concert given, last night, at the 14th Ward Assembly Rooms, for the benefit of Elder O. F. Whitney, was well patronized by his friends. The various choice vocal, instrumental, and dramatic readings selections given by Brother Whitney and his associate amateur artists, were excellently rendered, and well worthy the liberal applause bestowed. The Theatre orchestra, and Union Glee Club, under the direction of Prof. Thomas, gave some fine specimens of their ability. It would probably please the public to hear more frequently the fine selections of the Glee Club.

**At His Old Tricks.**—Last night the boy Thomas Brunner was arrested for opening the post office mail boxes and extracting the contents, having been, we understand, caught in the act. He was taken to the city jail and locked up for the night. The officers of the United States took him in custody to-day, as an effort will be made to conduct the case under a United States statute, instead of making it a local offense, that, if found guilty, this apparently incorrigible lad may be sent to a U. S. House of Correction. It is thought the case will be taken up in that way, as

some of the boxes broken open by him were not rented.

The same boy committed a similar offense last Winter, in stealing mail matter belonging to members of the Legislature, and was punished according to a local law. Subsequently the matter was reviewed by the District Court, at the instance of U. S. officials, who claimed that the offense was one against the United States, Judge Emerson ruling, however, that the offense was local, deciding that the mail matter, after its delivery into the boxes rented by the parties to whom it was directed, was private property, and he therefore sustained the action of the lower court. In the present instance, some of the boxes robbed not being rented by private individuals may change the character of the case. Anyhow a house of correction seems the most fitting place for the accused.

**Supervisors of Election.**—The following was presented to Chief Justice Schaeffer, yesterday, and by him ordered filed in the Third District Court—

To the District Court for the Third Judicial District of Utah Territory: To Hon. Michael Schaeffer, Judge of said Court:

The undersigned citizens of the United States, and entitled to vote in all elections in the Territory of Utah, respectfully represent that on the 7th day of November, 1876, the regular election for delegate to Congress of the United States takes place, according to law in the Territory of Utah; that the city of Salt Lake, in Salt Lake County, of said Territory, contains more than 20,000 inhabitants as your petitioners are informed and believe; that the undersigned desire to have said election in the various precincts of said city guarded and scrutinized as provided for by the act of Congress, to the end that the same may be fairly and legally conducted and the result thereof fairly obtained.

Wherefore we ask your honor to appoint for each precinct, to wit, the 1st, 2d, 3d, 4th and 5th precincts of said city, supervisors of election, under the rules and laws governing in and applicable to such cases, to act at such election.
