## POLICE MAKE RAID ON GAMBLING JOINT

Game Paraphernalia Confiscated but  
No Gamblers Found at Red  
Ogden Resort.

OGDEN, Oct. 14.—It is understood  
that gambling is being carried on quite  
extensively outside the city limits and  
the police have not been located yet  
in the county. It is reported that  
about 100 men played the game Tuesday  
night and lost very heavily.

Assured that gambling was being  
carried on at the gambling house of Ham-  
er & Powers over the Vienna cafe, in  
Twenty-fifth street between Washing-  
ton and Grant avenues, Chief of Police  
Brown last night sent out a force of  
officers to make a raid. When the offi-  
cers entered the place they found the  
gambling tables, poker chips and ro-  
ulets, but no gamblers. The para-  
phernalia was taken to police head-  
quarters. About a wagon load of stuff  
was confiscated, which will be de-  
stroyed. The place had been refitted  
throughout, and no doubt gambling had  
been going on the night before, when  
some \$1,500 changed hands in games of  
chance.

Early in the week about a dozen  
gamblers came here from Salt  
Lake, and they had received orders  
from the proprietors of places in Ogden  
to return and resume their positions at  
the tables. The understanding being  
that the order closing the gambling  
house would be revoked. Chief Brown-  
ing said tonight that no such order  
had been issued and he says the places  
will remain closed.

the evidence proved the contrary. He  
was given \$5 or an equal number of  
days.

ceived a fine of \$10 or 10 days. H. L.  
Gurr, was given 10 days for moni-  
tory. Patrick O'Flaherty, vagrant,  
was given 15 days.

## SPLENDID CROPS IN MILLARD COUNTY

(Special Correspondence.)  
HOLDEN, Millard Co., Oct. 12.—  
Threshing will be finished this week.  
More grain has been raised than ever  
before, most of the increase is due to  
the rich farming, which has yielded  
from 20 to 35 bushels of wheat per  
acre.

The fruit crop has been abundant.  
peaches have sold from 25 cents to \$1  
per bushel. Apples at about same  
price for winter varieties. Stock is  
selling very well from \$16 to \$17  
offered for covering steers. Thousands  
of acres of land has been taken up this  
summer in this vicinity, and there is  
still vacant land, all of which will  
make choice and farming land.

The soil is in prime condition for fall  
sowing, owing to the great amount of  
rain fall this summer, and a greater  
acreage will be planted than ever be-  
fore.
