### Naval Changes.

WASHINGTON, 7. — Commodore James A. Spotts will be detached from duty as light-house inspector in the twelfth district, on the first of December, and placed on waiting orders. Commander A. T. Snell is ordered to assume the position of inspector of the twelfth light-house district on the first of December next. Commander Wm. E. Fitzhugh, senior aid to the Commandant of the Navy Yard at Mare Island, and commander J. C. Watson, ordinance and navigation officer of that yard, will change places.

### The Safe Burglary Trial.

In the safe burglary case to day, Jesse Ward, of Newton, New Jersey, called for the defense, said he would not believe Zirruth under oath. Harrington asked witness to speak louder, but was called to order by Judge Humphreys, and a passage of words occurred, which ended in Harrington taking his seat; the Judge then said, "The court understands your position exactly, but your position does not prevent the rule from being carried out. One of the leading counsel on each side must conduct these examinations, now go on with the case." The testimony for defense was resumed, when a number of persons swore that Whitely was in Boston on the 5th of April. The court then took a recess.

After recess testimony was taken to show that Whitely was not in New York on April 5th and 6th, as witnesses for the prosecution had sworn. The Court then adjourned till Monday.

### Cannot Accept Papal Infallibility.

PHILADELPHIA, 7.—On Thursday, the day after Father Gordeman disappeared, Bishop Wood received a letter from him, stating that he had left the Catholic church because he could not believe in the infallibility of the Pope, and saying: "By the time you read this you will know all about me, therefore I have no need to make an explanation." He also said that his debts had overwhelmed him.

### Arrested for Contempt.

NEW ORLEANS, 7.—U. S. Marshal Delyi, and Lieut. Modson of the U. S. cavalry, were arrested by the sheriff of Lincoln parish yesterday, by order of Judge Trumble, for contempt of court, and they are now at Vienna, awaiting the judge's action.

A dispatch from Monroe this morning, says that twenty men of company B, 3d U. S. Infantry, Captain Head in command, left here this a.m., for Lincoln parish; it is said that cavalry have been ordered from Shreveport to the same parish, but for what purpose it is not known.

### Indicted.

MEMPHIS, 7.—Only five indictments were found against the persons arrested here last evening, charged with a violation of the enforcement act; the story that five hundred warrants had been issued is unfounded.

### A Destructive Fire.

CINCINNATI, 7.—A relay of fire engines worked at the fire at L. Werk & Co.'s soap and candle works, till two this morning, when the fire was put out after burning eighteen hours.; a complete list shows the insurance to be $74,000. The proprietors put their loss at from $150,000 to 200,000.

### $7,000 Fire.

The Union furniture factory at Batesville, Indiana, was burned this evening; loss $7,000, insurance $3,000.

### Frost Elected.

BOSTON, 7.—The official count of the congressional votes in the 4th district gives the election to Frost, rep., by a small majority.

### A Famous Trotter Killed.

NEWBURY, 7.—The trotting stallion "Manhattan," valued at twenty thousand dollars, was fatally injured to-day by running away.

### Latest Election Returns.

ATCHISON, Kansas, 7.—The State vote from 91 districts elects 24 democrats, 2 republicans and 2 reformers in the House, and nineteen republicans, and 13 democrats and reformers in the Senate.

### Another Failure—Strike of Laborers—Welcome to Gen. Sherman—Charlotte Cushman's Farewell Performance—A Wife Murdered.

NEW YORK, 7.—Cyrus J. Murray, of the firm of Murray, Meade & Co., wholesale dealers in shoes, whose failure was announced yesterday, states their liabilities will amount to $250,000; he attributes the failure of the firm to the general shrinkage in business.

The laborers in the employ of the Delaware, Lackawanna & Great Western Railway, at the new tunnel in Jersey City, are on strike in consequence of a decrease in wages; those paid a dollar and a half a day have been reduced to one dollar and thirty-five cents, and those paid one dollar and seventy cents have been reduced to a dollar and a half.

General Sherman visited the Produce Exchange to-day, and was warmly welcomed.

A very large and enthusiastic crowd of people visited the matinee performance of Charlotte Cushman, at Booth's Theatre this afternoon; the play was Macbeth. The occasion of the general attendance at the performance was that this was the farewell representation of Miss Cushman on the mimic stage. William Cullen Bryant made an address at the close of the play, concluding by placing a laurel on Miss Cushman's brow. The distinguished actress made a feeling reply, and the programme having been concluded, she was driven away from the theatre to the Fifth Avenue Hotel; a grand serenade followed.

During a drunken quarrel to-night, Joseph Rosenthal pushed his wife Mary Ann, aged 32, from the roof of their residence, 43 East 14th Street, and she was instantly killed; the murderer was arrested.

## FOREIGN.

### DENMARK.

#### Do Not Want Interpellating.

COPENHAGEN, 7.—The Danish ministry has requested the Rigsdag not to interpellate the government respecting the expulsion of Danish subjects from Schleswig while the matter is under discussion with Germany.

### PRUSSIA.

#### Will Not Support Turkey.

BERLIN, 17.—It is stated that the northern powers will not support Turkey in her proposal that Roumania must obtain the sanction of the Porte before concluding commercial treaties.

### SPAIN.

#### Rare Work of Art Stolen.

MADRID, 7.—The great painting of St. Anthony, by Murillo, has been stolen from the cathedral at Seville.
