OFFICIAL VISIT TO STATE SCHOOL.

Governor Cutler and Atty.-Gen. Breeden Decide on a Number of Improvements.

DR. HINTON LAID TO REST.

Real Estate Men Would Boom Ogden—Wedding Bells—Mrs. Rose Cook Wants a Divorce.

Ogden, Feb. 22.—Governor Cutler and Attorney General Breeden came to Ogden yesterday on the noon train and spent the afternoon at the State Industrial school in company with members of the board, Mayor Conroy, President Josephs, T. B. Evans and Supt. H. Thomas. A thorough inspection of the school buildings was made by the gentlemen. The visit of the state officials was made at the request of the school management, who a few days ago visited the governor and other prominent state officers for the purpose of securing an appropriation for the buying of new furniture, carpets, linoleum, and other necessary improvements at the institution. The governor and attorney general were much pleased with the progress it is making. The pupils at the school appear to be more industrious and are doing well in the trades departments, also in their scholastic studies. The gentlemen were satisfied that the furniture, etc., asked for by the board are absolutely necessary, as the present furnishings are badly worn, especially the carpets and linoleum, and the management was assured that it would receive as large an appropriation as can possibly be made at the present time for these improvements. In inspecting the buildings the visiting gentlemen noted the lack of light in some of the apartments, and that matter was also discussed. It was decided to put in several extra windows, so that more light can be had, a number of other small improvements are also to be considered. The governor and attorney general returned to Salt Lake last evening. A number of bids have been received for the new furnishings and improvements, and these will be considered by the state officials in making the appropriation. Supt. Thomas has arranged an excellent program to be rendered this afternoon, consisting of patriotic songs, recitations and speeches in honor of Washington's birthday.

FUNERAL OF DR. HINTON. Impressive Services Held in Methodist Church Yesterday.

Ogden, Feb. 22.—The last sad rites over the mortal remains of William H. Hinton were performed yesterday afternoon, and his body was placed temporarily in a vault until definite arrangements are made as to the place of interment. The funeral services were held at the First Methodist church yesterday afternoon at 3 o'clock. Rev. Samuel Blair officiated in the impressive service, and preached a very comforting sermon and eulogized the exemplary life and many good, kind deeds of the deceased. The musical part of the service was under the direction of Prof. Squire Coop. A solo entitled "Who Treads the Path of Duty" was sung by Hagbert Anderson. "Ave Maria" was beautifully rendered by Mrs. Besse Dean Allison. A wealth of floral tributes were silent tokens of the love and esteem in which Dr. Hinton was held in Ogden. The Masonic order attended the funeral in a body and performed the ritual at the vault. A number of the deceased's fellow surgeons and physicians also attended the services.

SCROFULA AN AWFUL INHERITANCE

While it is true that Scrofula may be acquired under certain conditions, it is usually inherited. Parents who are related by the ties of blood, or who have a consumptive tendency, or family blood taint of any character, are sure to transmit it to their children in the form of Scrofula. Swollen glands, brittle bones, poor digestion, weak eyes, Catarrh, emaciated bodies and general weak constitutions are the principal ways in which the disease is manifested. The blood has been diseased from birth, and being in this condition cannot properly nourish the body and Scrofula is the result. A hereditary disease like this can only be reached, by a constitutional remedy and nothing equals S. S. S. as a cure for it. It cleanses and strengthens the deteriorated blood, drives out all scrofulous and tubercular deposits, and there is a gradual but sure return to health. S. S. S. supplies to the anaemic, lifeless blood the properties necessary to build back to strong, robust health, and does this gently and so thoroughly that no signs of the disease are ever seen in after life. Being purely vegetable S. S. S. is the best remedy for Scrofula; its harmless but healing ingredients enter into the circulation and replace wax-like, bloodless faces with vigorous strength glowing with health. Book with information about Scrofula and medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.
