**Comparatively few social events have occurred during the past week.** The general interest and activity during the week has been absorbed principally by the notable club gatherings and entertainments which have furnished a greater part of the week's interest.

**The most brilliant social event of the week was the Masquerade** which was given Thursday night at the residence of Mrs. J. H. Hoyle.

**The party was brilliant with red, white and blue-motif flags** being draped with artistic effect about the room and and other ornaments.

**A Cuban flag** being a conspicuous feature of the same. With the brass bands which were stationed in the hall, the affair had attained a high degree of success.

**A short but delightful program** was furnished, including a quartet, vocal solo, piano solo, etc.

**North-South** was given a highly creditable performance on the 11th.

**Among the most recent entertainments** was that of Mrs. Mary's daughter, who was given on the 11th.

**On Monday night** Mrs. J. H. Hoyle and Mr. J. H. Hoyle were married at the residence of Mrs. J. H. Hoyle.
