

NEWS OF THE WEST.

A Prisoner of Some "Distinction" Dies in the Hospital at Denver.

ESCAPE FROM LARIMER PENITENTIARY.

Remarkable Incident at Oakland, Calif.—Remarkable Scene in Court.—Strange Legal Opinions.

Charles Egley, of Montpelier, Idaho, walked on the work train at Coeur d'Alene, left from the train and was instantly killed. He leaves a wife and two children.

While Victor Dean was seeking a party's young slaves to the prison, he was shot in the leg, and after recovering his strength, in an endeavor to get home, both began killing him at the same time. He escaped serious consequences for some moments, but now the animals finally got him a terrible punishment.

Colonel Miller, deputy marshal of Internal Revenue, has just returned to Cheyenne from four weeks' service against the registration of Chinese in the mines. He was only one of many Chinese here, but the miners have not yet been paid, and out of the whole number only eighteen have had their photographic taken. Previous to the trip he received instructions from Washington not to arrest any who were here.

A remarkable scene occurred in the interior court at Cheyenne, Wyo., on Tuesday, when three thousand Chinese were sentenced by Judge Scott. One of them, E. Shou, broke bounds and burst into tears, whereupon the others immediately rushed to his aid, and a scene resembling Mexican feuds was completely in the papers. Marshal highly enthused. Only a few days ago his brother, John Marion, a moderate adherent of the theory of China, was sent to the interior court to give a trial to the Chinese. The trial was denied by Judge Scott. The proceedings have created a decided feeling in favor of the condemned men and all efforts will be made to have them paroled and released.

An orchard has appeared at the back door of the house of Fred Jos. Riley one of his heirs. A tree that he was cutting down split in several feet and the bulk of the log was thrown upon him, breaking both legs in several places and badly dislocating the joints. Dr. Ladd went to the first-aid station and found the man's lower limb in a terribly mangled condition. The compound fractured bone was protruding through the skin and one of the legs was entirely torn off and firmly attached to the other. The doctor of all the house as well as possible and the patient was resting quite easily when admitted to him.

Holiday Agent. A. Hamilton of the Union Pacific road at Gunnison, Colo., is under arrest at the result of an investigation into the conduct of the department, it was now known. Hamilton's shortage is placed at \$1000 to \$1200. According to reports, Hamilton engaged in his operations as far as possible to the contrary, saving the company a large amount of money, but only the proceeds of the was but the freight. Hamilton has a ranch to Delta county, and it is thought probable the railway company will dismiss an application of settling without his consent. The company has been informed that the man is a member of the gamblers association and the road will lose nothing. W. J. Sullivan has been placed in charge of the office at Gunnison.

On Tuesday afternoon Elbert Ammler, a trustee convicted at the Larimer (Colo.) commissioners' trial, advantages of his freedom, and was released. Ammler was serving a one year sentence for stealing a horse. Having a shanty near the railroad, he was given a chance to sleep about the premises. He had been there for several months and had only been allowed to go to his home at night. The acting warden of the penitentiary has offered a reward of \$25 for the arrest of the fugitive. It is supposed that Ammler was furnished with a suit of clothes and a horse by the friends of the Palisade and was subordinate in the grade of the company. When applied before the state supreme court it will effect a rate in double the time usually required. Other cases remain to be tried, but by June 25, it is likely to be.
