Catarrh.

Called an American disease, is cured by an American medicine, originated and prepared in the most catarrhal of Am-

erican countries. That medicine is Hood's Sarsaparilla. It cures radically and permanently, in that it removes the cause, cleansing the blood of scrofulous and all other impurities. It ove of catarrh, too, and builds up the whole system.

The Irish national party today unanimously decided that in consideration of Ireland's present position the Irish members would take no part in the ceremonies inaugurating the new reign. "For the first time in ten years eighty Irish members met in a united party in Westminster today and determined on a vigorous campaign against the new king. They intend not only to dis-cuss Irish questions, but to interfere in every British question which may arise. We purpose to expose the iniquity of the Boer war and to make a general assault upon the whole line."
