THIS IS WHY.

You keep your house insured, because it may burn, and you don't know when. You want to be safe. Do you know when disease will attack yourself or child? To be safe and save life and Doctor's bills, keep on hand BROWN'S EXTRACT BLACKBERRY AND GINGER, a safe, pleasant and reliable remedy for Diarrhea, Dysentery, Cholera, and all diseases of the stomach and bowels. Physicians and druggists endorse it every where. Ask your druggist about its merits, he keeps it.

Why shake, when EUREKA AGUE PILLS will cure you? When taken in connection with BROWN'S VIOLETTABLE LIVER, they never fail to cure, and you suffer none of the bad effects that result from dosing with Quinine. All of BROWN'S Family Medicines for sale by Zion's Co-operative Mercantile Institution, Godbe, Pitts & Co., and Moore, Allen & Co., Salt Lake City. Trade supplied.

Solid Merit will Tell. For the bitter opposition of saloon rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir. For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kaiser, and his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department and Moore Allen & Co., Salt Lake City.

HOWEVER QUICKLY A PATIENT MAY RECOVER AND APPROACH TOWARDS ROBUST HEALTH, BY THE USE OF FELLOWS' HYPOPHOSPHITES HE MUST ABOLISH THE HABITS OF LIFE WHICH INDUCED THE DISEASE; THE EFFECT OF THE GREATEST TRIUMPH IN MEDICINE CAN ONLY BE TRANSITORY, WHILE MAN PERSEVERES IN THE GRATIFICATION OF VICIOUS OR PERNICIOUS HABITS.

FRESH SELECT OYSTERS.

The season commences Thursday August 21. For sale wholesale and retail by W. O. Smith, First South Street, two doors east of Main Street.

FAIRER BROWS THAN THOSE whitened by the clarifying action of GLENN'S SOAP are not to be found. Disturbing pimples, blotches and other blemishes of the complexion which mar the effect of pleasing features, fine eyes, and other agreeable physical traits, are quickly eradicated by this healthful aid to beauty, which is also specifically adapted to the cure of local diseases of the skin and the alleviation of pain arising from rheumatism and gout. The utility of sulphur baths is too generally understood and appreciated to need comment. They are expensive, however, and GLENN'S SULPHUR SOAP, which possesses the same properties in a highly concentrated form, is sold at a price which renders it available by all, and obviates the necessity of seeking beyond one's own threshold the remedial advantages of sulphur baths. Obsolete ulcerous sores, scalds, burns and diseases are healed by it; and it is extremely efficacious in relieving the suffering caused by sprains. It nullifies the danger of diseases produced by contact with poisons, and is used as a preventive, and disinfects clothing and linen worn by persons troubled with contagious maladies. Regarded merely as an article of domestic use, it is a most valuable article of the household, and for its utility and economy, it is unequalled. Its use is sanctioned by the Medical fraternity, and testimony of the highest authorities kind proves its merits. No statements are put forth in its behalf which the facts will not justify. It is a respect worthy of the rank which it holds among American proprietary remedies. Inexpensive, convenient and reliable, it especially recommends itself to the use of families in which there are children who are liable to contract at school or elsewhere, diseases of the skin, to which it is the best known antidote.

Sold by Druggists. Price 25c. per cake. 1 Box (3 cakes) 75c. sent by mail, prepaid, on receipt of price. C. N. Crittenton, Prop'r, 7 Sixth Avenue, New York.

Hills Hair and Whisker Dye, Black or Brown, 50c.

An Important Geological Fact.

Geology has shown us that nature accomplishes her greatest revolutions in the earth's surface conformation slowly. Every year the river makes its channel deeper, the glacier wears a deeper gorge in the Alpine rock, and the ocean tide deposits the sand it has crumbled from the rocks upon which it breaks. We note the earthquake and the devastating hurricane; but these changes are so gradual man seldom observes them until the cliffs, or a mountain has disappeared before the icy stream, or the ocean has given us a Florida. Thus it is in disease. Every year the chronic affections of the liver and stomach are the commonest of these chronic affections. Dr. Pierce's Golden Medical Discovery and Pleasant Purgative Pellets are never-failing remedies for these diseases. They produce a healthy secretion of the bile, prevent indigestion by regulating the bowels, and impart a vigorous tone to the whole system.

EVENING NEWS.

Tuesday, August 26, 1879.

LOCAL AND OTHER MATTERS.

In Town.—Hon. A. O. Smoot is up from Provo. He returns south in the morning.

"Trial by Jury."—A full rehearsal of the opera in preparation, "Trial by Jury" and "Martha," will take place this evening at 7.30, in St. Mark's school-house.

Ogden's New Postmaster.—It is reported that General Nathan Kimball has been appointed postmaster at Ogden, to fill the vacancy caused by the removal of Mr. L. B. Stephens.

Missionary Meeting.—The regular monthly meeting of the home missionaries of this Stake will convene at the Council House, to-morrow evening, August 27th, at 7.30 o'clock.

Another Arrest.—Last evening, Elmer George Goddard was arrested by the U. S. Marshal at Black Rock House, and taken to the Penitentiary. The affair seems to have grown out of a misunderstanding as to the rightful ownership of the Black Rock place of property, which Mr. Goddard claims by virtue of a deed from the Trustee-in-Trust, but which Marshal Shaughnessy also claims as a portion of the property turned over to him as Receiver, in the case of the heirs and the executor now pending in the District Court. Mr. Goddard has held possession of the premises for some time past, the house having been kept by a family from the city. Marshal Shaughnessy rented the place to Mr. E. H. Murphy, of this city, on the 22d inst., and the latter, accompanied by a deputy marshal, went out to take possession, but was told that his receipt for the rent was not valid, as the property was not in the hands of those who gave the receipt. The deputy returning, procured a writ of arrest, and in company with Marshal Shaughnessy proceeded to Black Rock, ejected the inmates of the house and took Mr. Goddard into custody as stated. The party came in on the bathing train last evening, and immediately went out to the Penitentiary.

This afternoon, Mr. Goddard was admitted to bail in the sum of \$500, and will be released this evening.

A Fight.—A "light misunderstanding" occurred on Main Street last evening, the principal actors being a young man and another somewhat further advanced in years. The younger belligerent was the attacking party, the other merely defending himself with an umbrella. Several blows were struck, when the bystanders interfered and separated the combatants, who departed in opposite directions.

The case came up before Justice Pyper this morning on the complaint of the older person, and the defendant was fined \$5 and costs. The evidence, though, showed that the assault had been provoked by a malicious slander, and was comparatively justifiable. The Justice could not, however, countenance an interesting picture. There are no trees around the house, which stand on a knoll commanding a view of the country. But just back a piece, and down in the hollow, rise up the stately, ghostly cocoanut trees. This plantation covers about 6,000 acres.

Doing the Handsome.—We are indebted to, and with pleasure acknowledge the courtesy of Mr. William Hill, the genial proprietor of the popular restaurant and confectionery known as the Philadelphia Coffee House, for the rich and substantial compliment tendered to the News office this afternoon.

The pies, cakes and various specimens of pastry and confectionery were first class, the ice cream and summer drinks delicious, and in fact everything of a character to prove the establishment from which it came superior in every respect. The Philadelphia Coffee House is a place we can recommend for neatness, good treatment and a full and fair return for patronage bestowed. Mr. Hill will be pleased to see his friends at any time. Call on him, opposite the De ret Savings Bank.

Big Fire at Cedar City.—The following was received this afternoon:

CEAR CITY, Aug. 26, 1879.

Yesterday, about noon, a fire originated in the stock yard of Chas. Heyborn. The wind blowing freely from the southwest, caused the flames to spread through the stock yard of John D. Williams Walker and Timothy Adams, destroying wheat and lucerne stacks, stables, sheds, a pig sty, a barn, a mow, fence, etc., to the value of about \$1,300. The people turned out en masse and although the fire was raging fearfully, in about two hours it was subdued. Cause of fire unknown. A subscription was immediately taken up, the people giving liberally to aid the sufferers.

Precaution.—The Dispatch says:

"Four tramps were taken from a box car at the depot by Officer Pincock last night and lodged in jail. Having committed no depredation, and not being broke, the charge of vagrancy could not be made against them, and they were released this evening."

Moral: A tramp should always carry a nickel in his pocket, he is then a gentleman of elegant leisure; but if he happens to lose it, his last hope goes "to a dungeon cell."

Quick Work.—As a specimen of the work now being done at the Deseret paper mill, Sugar House Ward, we can state that the paper used for our last evening's issue was rags yesterday morning; the process of manufacturing, shipping and printing having been accomplished within a period of twelve hours, without deducting the delay between its arrival here, and the hour of going to press.

Wind and Dust.—If we knew who "the oldest inhabitant" was, we would ask him if this has not been one of the most disagreeable days he ever noted down in his diary.

Lost Money.—Who has lost some money? See advertisement of "Found."

Gone South.—Bishop John Sharp left for the terminus of the Utah Southern this morning, expecting to be gone several days.

A Good Contract.—Mr. David James, our enterprising townman, has secured the contract of fitting up the new Kiesel residence in Ogden, with gas and water pipes.

Attention Firemen.—The Alert Hose Company, No. 3, hold their regular monthly meeting, to-morrow, Wednesday evening, Aug. 27, at Fireman's Hall. A punctual attendance is requested.

Jas. White, Foreman, Jno. A. Wiscome, Secretary.

Base Ball.—Yesterday afternoon the Denver Brownstockings defeated the Deserets by a score of 13 to 10. The general playing of the visitors was more vigorous than on Saturday, and as a consequence was better rewarded. The third game takes place to-morrow afternoon.

The Board at Work.—The City Council convened this afternoon at 2 o'clock, as a board of equalization, to hear petitions for the remittance of abatement of the city taxes for the year 1879, of insane idiots, by are still busily engaged as we go to press, and from the great number of petitions handed in, will have plenty to do for one day.

Supreme Court Proceedings.—The court in session is still being argued. Judge McBride, of the opposing counsel, occupied the forenoon, and Judge Bennett of counsel for the executors, is closing the case this afternoon. The matter will doubtless be taken under advisement until to-morrow, and the executors will be taken back for another night in the Penitentiary.

"Junction" Items.—The next issue of the Junction will be printed on their new power press. Last Saturday an infant child of Mr. Charles Wright, of Huntsville, fell into a ditch and was swept some distance away, and was rescued just in time to save its life. Ogden has at last developed a respectable tramp, who asked humbly for food, bent his head while grace was said, thanked his benefactor for his meal, and asked for some work to repay the kindness shown him.

Grand Success.—The excursion of the public hands to Lake Point yesterday, was a grand success. No accidents, no drunkenness, nor anything unpleasant happened to mar the occasion. The 10th Ward Band accompanied the excursion and discoursed spirited music during the day. About 1,000 people participated in the enjoyment, and the day will be long remembered by all who were there.

We are gratified to learn of the pleasure and recreation enjoyed by these faithful servants, many of whom have labored on the public works for a long time, and some for over twenty-five years. They deserved an out, and we hope it has done them good. They are a splendid set of fellows, and are entitled to encouragement and commendation.

Heavy Embezzlement.—From the Ogden papers of last night and this morning, we learn particulars of a serious case of embezzlement which has just come to light in that city. The self-acknowledged culprit is Mr. J. F. Graham, cashier in Ogden, of the Central Pacific Railroad, a man who has hitherto held an enviable reputation for honesty, uprightness and gentlemanly deportment among all classes of society. He was taken before Commissioner McNutt on a charge of embezzlement to the amount of \$12,804.67, waived an examination and was bound over in the sum of \$20,000, to await the action of the grand jury. Previous to the adjournment of the court, he stated that the amount charged did not begin to cover the real defalcation, which was between \$45,000 and \$44,000. His yielding to the temptation of using funds not his own was to cover losses sustained in mining speculations. Although a self confessed criminal, he has the general sympathy in this unfortunate occurrence.

LAUGH AND GROW FAT.

This ancient bit of advice is well enough for "square" people, but how about those that are already too fat? What is to become of them? Sit still and I'll tell you. After many experiments extending through months of patient investigation and toil, the celebrated Analytical chemist, J. C. Altan, has perfected and given to the world Allan's Anti-Fat. Thus far in several hundred cases this great remedy has never failed to reduce a corpulent person from three to six pounds per week. It is perfectly harmless and positively efficient. Sold by druggists.
