A High School—Holidays—Sick—Schools and Library.

MANTI, Jan. 9th, 1875.

Editor Deseret News:

An event took place here a few days ago, which, if you are not already informed of, I thought deserves mention. It was the opening of a high-shool in the second story of our now nearly completed court house, and which I think is indeed an ornament to Manti, and a credit and honor to Sanpete Co., to the county court, and especially to Judge Peacock, under whose immediate supervision the building has been erected. The court house was dedicated last Sunday evening. The people of Manti convened in the beautiful large hall on the second floor, where Judge Peacock, after making some preliminary remarks, offered the dedicatory prayer, after which remarks were made by old Father Snow, George Peacock, Wm. T. Reid, F. R. Kenner, and James Wareham.

The people appreciated the comforts which the elegantly furnished house afforded, and listened with interest to the speeches, which were all delivered with an eloquence which we could not help but admire.

Before the ceremonies closed, a vote of thanks was tendered to Judge Peacock for the very able and just manner in which he, in connection with the county court, had managed the financial and other affairs of the county, as well as the erection of this handsome building. The high-school is now in session, with Professor John P. Acton as teacher, who is well qualified for the responsible task before him in teaching the young the way they should go.

Christmas and New Year have now passed away. Dancing and merriment have been the order of the day, and as the people with few exceptions are in the enjoyment of good health, and not very busy just now, we could not but enjoy a little recreation and amusement during the holidays.

Bp. A. J. Moffit is confined to his house by sickness, from which he has been suffering for some time and which the people much regret, but we hope that he will soon be out among us again.

Besides our high-school, which will accomodate from 125 to 150 students, we have two more public schools in operation, where, under the instruction of good and competent teachers, about 200 of the younger children are trying to master the first rudiments of education.

Our Sunday School is also in a flourishing condition, the children rejoicing in the possession of a Sunday School Library which is perhaps second to none outside of Salt Lake City. On the whole we are getting along finely, although times are a little dull, which we hope to be able to stand till winter is over, and we hope that with the opening spring times will be livelier and better.

Respectfully,

JOHN H. HOUGAARD.

In behalf of the School Trustees.

TESTIMONIAL.

Editor Deseret News:

I had a son who appeared to be in ill health, being in a pining condition. I was unable to determine the nature of the disease which affected him. A few days since I placed him under the treatment of Dr. Plant, who, within a few hours, and without pain or inconvenience to the lad, freed the patient of a tapeworm about forty feet long, since which time the boy has been improving. I wish you to publish this circumstance, as much for the benefit of people afflicted similarly to my boy, as to award credit to Dr. Plant, whose skill in that line of complaints can be relied on, besides his charges are moderate.
