Local and Other Matters.

THERMOMETER 42 degrees F. in the shade at 1 p.m. to-day. Cloudy.

TO THE BISHOPS AND PRESIDING ELDERS IN ALL THE SETTLEMENTS OF THE LATTER-DAY SAINTS.

DEAR BRETHREN: It is our desire to commence again to assist the scattered poor of God's people in gathering to Zion. To aid in the accomplishment of this purpose we request the Bishops and Presiding Elders in the various settlements to give especial attention to the collection of the debts due to the Perpetual Emigration Fund from those who have been assisted in past years. In view of the near approach of the season of the year when our emigration leaves the shores of Europe, we desire that our brethren give this matter their immediate attention, that we may be enabled to do as much good as possible this present year.

It is the duty of all the Saints who have the means to assist in the gathering of those of their brethren and sisters who are still scattered in Babylon, and we should be pleased to have the local authorities solicit donations from those who are not in debt to the P. E. Fund, and who are able and willing to do their part for the gathering of scattered Israel.

Your Brethren,
BRIGHAM YOUNG,
DANIEL H. WELLS.

Stormy.—A snow storm commences as we are going to press.

Preaching.—We are requested to state that Elder Orson Pratt will preach in the 16th District Schoolrooms to-morrow afternoon. Services commence at 2 o'clock.

Concert.—On Tuesday evening, February 22nd, there will be a concert in the Tenth Ward new meeting-house, the proceeds to be devoted to procuring lights and fuel for the hall.

Legislative Minutes.—Owing to the minutes of the Legislative Council not being furnished us until half past 3 to day, we have been unable to comply with the request of the members of the Legislature to mail copies of the minutes of the last day's session this evening.

One of the Suffocated.—One of that class of the genus homo whose employment involves close confinement in office or store stepped into our office to-day and gravely suggested that it would be a wholesome idea for the NEWS to suggest that clerks, bookkeepers and the like celebrate Tuesday, the anniversary of Washington's birthday by having a holiday, to which there should be no objection, as the U. S. House of Representatives has just voted it a national holiday.

S. S. Union Concert.—The Grand Concert of the Sunday School Union, to come off at the Theatre on Monday evening next, should be a success. Over three hundred persons will be on the stage, probably the largest number that have ever appeared on the boards of the Theatre at any one time. The singers are selected from the different ward choirs of the city, and have been in training for some time, under Professor C. J. Thomas.

The programme before us indicates a rare treat, choruses, part songs, trios, duetts, and solos being liberally provided, and the whole winding up with an excellent farce, entitled "As Like as Two Peas," in which Mr. J. C. Graham will appear.

Taking into consideration the worthy object of the entertainment, and the fact that the usual theatre rates have been reduced to about half price, there should be a crowded house. Those who wish to secure reserved seats should do so early, at the box office, on Monday morning.
