a the call it-is giving active support indispresident, Moi Ping Fun is one the most active workers,

Nestronger evidence that the Chinese n in earnest could be offered than the act that they have started a weekly ewspaper in this city for the purpose arousing the Chinese to action ainst the exclusion act. This paper against the ently published the text of the excluact and recently it told of the bill ich Congressman Julius Kahn of San ancisco intends to bring before Congress and which provides for the exclu-sion of Chinese until 1922. Through its uence a movement similar to the one just started here will begin in Chicago next week.

The memorial to Congress will demand the absolute repeal of the exclu-tion act on the grounds of fair play and as a sort of reciprocity for the opening Chinese ports. Commercial benefits which America

would derive from granting free communication with the Chinese will be a what strongly pressed.

Chow Tszchi in an intervitw said: 'Wy people like this country very much, whifeel that they have been misunder-mut. They want to settle here, cut the hair as 1 have done, and adopt

Inclean customs. As it is now they he no right to become citizens. Yet Jur exclusion law only partially exdudes. You keep out the reputable dass, who would not come into the wantry by underhand methods. Everytime I go into the Chinese quarter I see tew faces. How do they get here? They have ways of getting past the expensive hain of customs and Chinese officials which your government keeps along the boundaries. With the exclusion act repealed this expensive service would be entirely done away with. There are many parts of your country which are waetlied and a great deal of land that can never cultivate with profit. have influential American friends live the in Southern states. They have asked why the Chinese who are the best plantion workers cannot be induced to ttle in the South and help develop the muntry. My reply has invariably been that the Chinese are not allowed under exclusion act to settle in the South of in any other part of the country." GUILTY OF MANSLAUGHTER.

So Jury Finds Geo. Eden Who Killed L. W. Crake.

Bolse, Ida., June 14.-At Idaho City tenight a Jury found Geo. Eden guilty mansiaughter, for the killing at Pearl on May 10th, Eden Crake was a sheepherder and Crake a miner. Eden drove his sheep on Crake's claim, and the latter assaulted him, according the testimony, whereupon Eden shot Crake was formerly a partner of HI Henry, the minstrel.

the selves from the inflow of water and the Northfield was being driven full speed up the East river instead of down toward Staten Island, and all the To Investigate Powder Explosions.

Washington, June 14 .- The explosions which have occurred of late in naval powder magazines, first at the Indian Head proving grounds below Washington, and quite recently at the naval magazines in San Francisco, have dining with the velocity of a millrace and had the vessel sunk out in the rected the attention of naval officials to the need of making thorough inquiry as to the means of safety to be employed in handling the dangerous explosives now in use A board of naval officers was ap-

pointed today, with Lieut, Com, Mason at its head, to convene at Newport to take up the entire powder question, with special reference to dangers in volved in its handling and storage, and with a view to developing all possible safeguards.

NEED STEAM?

The Place to Get it is from Selected Food. It is good to know the kind of food those with weak stomachs and hearts can get along with for when a man of woman is a little below par, an easily digested food is the thing that goes right to the spot A man in Kirksville, Mo., tells how he

Food. He says, "My trouble was in-tense suffering in the stomach. It was called gastralgia, but no medicine gave any permanent relief. In June of last year I began to grow much worse in every respect. I was terribly consti-pated and the stomach pains were se-vere. I ran down until I weighed only 120 pounds. I had to give up my business for my nerves were completely un-strung and I could not sleep more than two or three hours during the night,

and that only by snatches during a luil tional convention a committee to draw up the electoral law. It is probable in the pain. "I tried almost every kind of food, but finally was put on Grape-Nuts and in a little while it began to make its worth known. I began to sleep better n the pain. that the Australian system will be adopted.

SCENE IN FRENCH CHAMBERS.

Anti Semite Member Attacks the Government.

Paris, June 14 .- There was an excitmonths with never a touch of the old ng scene in the chamber of deputies "My bowels are perfect, the nervou today. M. Drumont, antl-Semite, Al-giers, attacked the government in trouble has gone. You can realize I appreciate the value of Grape-Nuts Food. Don't publish my name but you connection with the administration of Algiers. When a vote of censure and exclusion from the chamber was procan give it in private correspondence and I will take pleasure in answering posed as a result of his remarks, M. Drumont refused to leave until a file of This is another evidence of the pracsoldiers entered the house, he retired shouting, "Vive l'Armee" and "A bas les Juiffs."

Mr. Rockhill's Proposals.

Paris, June 14 .- Dispatches received here from Pekin today say the foreign ministers are considering fresh propo-sals from Mr. Rockhill, affecting the Chinese concessions looking to the pay-ment of the indemnity. The proposiment of the indemnity. The proposi-tions concern minor matters, and may not be accepted, but until they are disposed of the ministers will not pro-nounce a decision as to the manner in

declined with still greater rapidity

FOUGHT FOR FIFTY CENTS.

One Man Killed and the Other Nearly Lynched.

Chicago, June 15 .- Two men fought for the possession of fifty cents and when the struggle was ended one was dead and the other was on his knees pleading with a ninfuriated mob to spare his life. The timely arrival of the police prevented a lynching.

John Czech and Kazmir Kochanski had a disagreement over the value of a piece of old copper that one had bought from the other. Angry words led to blows. During the fight Czech picked up the bent and battered barrel of a rifle. He whirled the weapon bout his head, bringing it down on his adversary's skull with such force that Kockanski fell dead,

Then the mob flocked about the two Czech was seized hold of by lozen men. Everybody wanted to drag him to a lamp post and lynch him and were only prevented by the timely ar-rival of the police who found the man on his knees begging for mercy.

Indian Supply Bids.

time screeching for help, they knew that something serious had happened. Then commenced the panic, which con-New Yor', June 15.—The Journal of Commerce says: The efforts of west-ern interests to have the Indian supply bids, which, under the present arrangetinued until the Northfield went down. At no time was the Northfield more than 500 feet out in the river beyond nents are opened in New York, trans the bulkhead line, but the tide was runerred to Chicago in addition to the bids which are already opened there, may esult in Washington, D. C., being se stream only the tugs would have been ected as the headquarters where able to give assistance. Capt. Abraham Johnson of the proposals for furnishing Indian supplies would be opened. It has been learned Northfield was arrested about mid-night on a charge of criminal negli-gence. He is held without ball and that the proposition to transfer all Indian bids to Washington, with the establishment of one warehouse, say in New York or Chicago in place of those will be arraigned tomorrow. Capt. Griffin of the Mauch Chunk now maintained, is being seriously en went to his home in Jersey City not long after the accident occurred. Offitertained by the board of Indian comcers of the Jersey Central railroad gave assurances that Capt. Griffin would missioners.

Art at Buffalo Exposition.

Buffalo, N. Y., June 15 .- The exposition art gallery at the Pan-American has just been opened for Buffalo and visiting newspaper people. The open ing to the public will not take place until Monday. The exhibition is sur-prisingly good. American painters, sculptors, architects and engravers are all shown in their best. It will be hard to find a noted artist who is not represented at all, and hard to find one who is not represented by his best work.

German Colonists in Brazil.

New York, June 15 .- A dispatch to the Herald from Rio Janeiro says: A German syndicate has just been formed with a capital of 25,000,000 marks with the object of colonizing the states of Rio Grande, San Pablo, Santo Cath-arina, Parana, Minas Geraes and Go-VHZ.

Silva, Aleman, Betancourt and Zayas The government has guaranteed 5 per have been appointed by the constituent interest on the capital invested in the enterprise. There is a plan for colonization by Italians in various sections of Brazil. This plan has been formed by a society recently organized in Rome.
