EVENING NEWS.

Friday, - - Oct. 28, 1881.

FLOATING FRAGMENTS.

There is a great deal of deer meat in the market, besides considerable meat that is dear.

The son of Mr. Arza Hinckley, murdered at Franklin last night was grandson of Mr. Joel Ricks, of Logan.

The line between Nevada and Utah is being constantly crossed and recrossed by parties of railroad surveyors.

Joel Hinckley, a fine, intelligent young man, was murdered at Franklin last night. Hope the murderers will be caught.

Meeting of the Eagle Hook and Ladder Co., of the Fire Brigade, at 7.30 to-morrow evening.

The channel of the Yellowstone River is being changed at Eagle Butte by government engineers in the interests of navigation.

A Conference will be held in the Latter-day Saints' meeting room, No. 15, Hunslet Road, Leeds, England, on the 30th of October, 1881. So says the *Star*.

This is most excellent British weather. This is the time when the moisture-loving Hinglishman feels like going hout hinto the hair to hinjoy himself.

Mr. James East, of Cheyenne has now commenced the erection of the meat packing establishment, for Frewen Bros., mentioned by the NEWS lately, at Sherman Station.

A few days ago Mr. George Stiles, who had just finished some contract work for the Jelm Mountain Company, at Cummins, Wy., fell a distance of 10 feet and broke two ribs.

The Socorro *News* says: The turquoise in the crown of Russia came from the mines of New Mexico nearly two centuries ago It is the largest and finest stone of the kind in the world.

Deming is said to be still a thriving place. It is also comparatively a quiet town now, Deputy Sheriff Tucker having succeeded in getting the upper hand of the roughs who used to run the place.

Someo f the people of Cheyenne are making an effort to get up a brass band. The *Boomerang* thinks if the movement is successful the few remaining inhabitants of that town will pick up and leave.

The regular monthly meeting of the Hook and Ladder Company No. 1 takes place to-morrow evening, at 7.30, in the Firemen's Hall. A full attendance is desired.

A. F. BLOMBERG,
Secretary.

At ten o'clock last night the sky was clear and the stars shone with undimmed brilliancy. Between five and six this morning there was a plentiful pluvial downpour, which has continued most of the day. A sudden change.

The Directors of the Atlantic and Pacific Railroad have changed the route of their line from a point in Northern Arizona, abandoning the Needles route, over the Colorado River, diverging and running north via Callville, into Southern Nevada, and there forming a junction with the Utah Central.

Wm. Wheeler, a man noted for recklessness with pistol shooting, went into a saloon at Weiser City, Idaho, where Tom Miles was standing with some friends, who asked him to sing. Wheeler objected to the song, picked a quarrel and shot Miles. The ball struck a rib, glanced round and came out near the spinal column.

J. A. Bryant, Depuiy Sheriff of Yavapai County, Arizona, in arresting a man named Miller, alias "Grizzly,", a desperado formerly a resident of San Bernardino, was shot twice and killed. The shooting took place near the San Francisco Mountains, on the line of the Atlantic and Pacific Railroad, October 18th.

The *Millennial Star*, of October 10th says:—By private letter from Elder John Q. Cannon, Traveling Elder in the London Conference, to Elder C. W. Stayner of this office, we learn that he is enjoying his labors, and pleased with the very hearty and hospitable reception he has met with in his field—the Essex District. Elder Cannon is in good health and excellent spirits.

John Borradale lately met three men near Albuquerque. After making a few commonplace remarks, they suddenly pulled a revolver on Borradale and ordered him to dismount. They went through him and took a gold watch and chain, $50 in money and what other little valuables he had. His horse, saddle and bridle were also taken in charge.

LOCAL AND OTHER MATTERS.

An Assault.—Just as we were going to press we learned that a man named J. Nichols was arrested for an assault upon one Harry C. Brown, in the 9th Ward. Brown is said to be very badly hurt, but the arrest was made too late to enable us to give particulars

Just The Thing.—At the corner of First South and Seventh East Street the old style of box flume for the crossing water ditch has been abolished. Its place has been supplied by concrete pipe, which answer the purpose admirably. The supervisor finished the job this morning. We understand that this kind of piping will be brought into general use in the city for this purpose.

Why?—Last evening, a brawny drayman entered our office and said: "Mister Local Editer, I wish you would just say a word in your paper about that there drinking trough near the old meat market. There ain't been a drop of water in it for several days. Lots of men drive their teams up to the tank, not knowing it is empty, and the thirsty horses turn away disgusted. I wish you would ask in your paper why there ain't any water in that tank."

Releases and Arrivals.—From the *Millennial Star* of Oct. 10:

Lorenzo Farr, Traveling Elder in the Leeds Conference, and D. J. Evans, Traveling Elder in the Welsh Conference, are released to return home with the October 22nd company.

On Wednesday last, the 5th inst., by S. S. *Arizona*, of the Guion line, Elders P. F. Goss and Isaac Waltser arrived in Liverpool, having left Salt Lake City on the 26th day of September. The passage across the ocean was accomplished in 7 days, 7 hours, and 45 minutes. Both brethren were appointed missionaries to Switzerland, and, on their arrival, at once proceeded to their destination. They were in excellent health and spirits.

MYSTERIOUS MURDER.

JOEL HINCKLEY KILLED BY TWO MASKED MEN.

The following special dispatch to the NEWS, from Mr. R. G. Lambert, sent from Logan, was received today:

"Joel Hinckley, agent for the Utah & Northern Railroad, at Franklin, was shot by two masked men, last night, about 10 o'clock. The murderers escaped. No clue has been obtained. The town is out searching for the perpetrators of the crime. No cause for the deed is learned."

The following additional dispatch was subsequently received from Franklin:

"Joel Hinckley, railroad agent and telegraph operator here, was shot dead by unknown parties, in the office, about 10 o'clock last night. A young man who carries the mail from the depot to the postoffice was in bed in another part of the railroad office and saw the whole affair. Hinckley had just come into the railroad office and was washing his hands in one corner, when two masked men stepped in at the door. They told him to throw up his hands, one of them presenting a pistol. He turned his head and looked up at them and the man fired. The ball struck him in the chin, passing through his throat and breaking his neck. He died almost instantly.

It is supposed that it was the intention of the desperadoes to make Hinckley open the safe, and that the pistol went off prematurely. The men turned around immediately and made off, without taking anything from the office. Parties are out in different directions, hunting them, and are in hopes of soon finding the guilty parties.

Deceased was a fine young man, about twenty years old, son of Arza Hinckley, at Corn Creek, Utah.

The Kaysville Obstruction Affair.—Mr. John Thornley writes from Kaysville:

"In Wednesday evening's NEWS, of last week, under the head of "Bound Over," there is a mistake, which you will oblige me by correcting in an early issue. It is as follows:

'Wilfully obstructing a highway leading from Kaysville to Weber Canyon.'

It is my own private road, leading to the public highway, a distance of about 37 rods. I willfully obstructed that which I consider I had a perfect right to do, as it is my land."

In the matter referred to we merely stated the fact that Mr. Thornley had been bound over on the charge as stated, which is the case. We gave no opinion upon the merits of the affair, for we were not in a position to do so. As to whether the charge is groundless or otherwise we have nothing to say. We have no reason, however, to doubt Mr. Thornley's statement.

Theatre.—There was a very good house at the Theatre last evening, and "A Celebrated Case" was performed with that fidelity and thoroughness which characterizes Mr. Hazenwinkle's performances. Miss Stephany proved herself a very excellent actress, and the whole company is far above the average.

To-night the charming play of "Rose Michel" will be placed upon the boards, Pierre being sustained by Mr. Hazenwinkle, and Rose by Miss Stephany.

At the matinee to-morrow at 2 o'clock, "Caste" will be played, with the farce of "His Last Legs."

In the evening will be presented for the first time "M'liss or the Child of the Sierras." This will close the engagement. All who attend will be well entertained.

Gamblers Arrested.—Last night officers W. Phillips, H. Pratt and J. Y. Smith, arrested a dozen men for breaking the laws against gambling. One of them was W. C. Kidd, who was acquitted the other day, in the District Court, of an indictment for assault with intent to kill. Three other parties pleaded guilty this morning, and were fined $50 each. The others were to be tried this afternoon.

Stealing Fruit.—Yesterday a boy named Noelan stole a couple of sacks of dried fruit from Fred Kropf, and sold them to a Main Street merchant. When first charged with the theft, the lad stoutly denied it. Subsequently he changed his mind and offered Kropf the proceeds of the sale. The latter caused a warrant to be issued for the boy's arrest, and an officer was desirous of interviewing him this afternoon.

A Worthy Couple.—A notice of the marriage of Mr. John Lees and Miss Emma Cheatham will be found in our columns. We are pleased to note that our friend John has concluded to forsake the ranks of the single and take a worthy partner to his domestic hearth. May they prosper and live long, and may the good results of this union be seen and known of all.

Family Party.—Last night there was a pleasant family party at the residence of General D. H. Wells. All the members of the family now in the city were present, the occasion being the 67th anniversary of Bro. Wells' birthday. A very pleasant evening was spent. We unite with the family and hosts of friends of General Wells, in wishing him many happy returns of the day.

Information Wanted.—Respecting James Steel, formerly of Thompson's Lane, Glasgow, by trade a heckel maker, who sailed from the Clyde over twenty years ago. Anything concerning him would be thankfully received by a relative. Address, Robert Tweddy, 9, South Street, Spennymoor, Durham County, England.—Utah papers please copy.—*Mill. Star.*

District Court.—The case of the People, etc., vs. Joseph Biddlecome, indicted for the murder of young Jenson, in Tooele County, was called for trial to-day. In consequence of a difficulty of the prosecution to obtain witnesses, the case was continued for the term.

University of Deseret.—The first term of the present academic year of the University of Deseret closed today. The second will open Monday, the 31st inst. The attendance is larger than for several years. The institution is prospering.

Sixteenth Ward.—The Mutual Improvement association of the 16th Ward was reorganized on Tuesday evening, with the following officers: J. W. Summerhayes, President; Geo. R. Emery, 1st Counselor; Robt. Haslem, 2nd Counselor; Chas. W. Hill, Secretary; Jno. B. Reid, Assistant Secretary; Parley P. Parker, Treasurer; Henry Parry, Librarian; Sadie Gibbs, Assistant Librarian; Jno. H. Smith, Choir Leader; Edwin L. Parry, Organist; Emma Cope Assistant Organist.

For the Y. L. M. I. A. Mary Jane Tall, President; Ellen Kessler, 1st Counselor; Elna Phippin, 2nd Counselor; Salina D. Mousley, Secretary; Sina P. Bishop, Assistant Secretary; Maggie Player, Treasurer.

Contemptible Act.—The Ogden *Herald* says that, a few days since, Mr. Peter Rogers, of Lynne, Weber County, was in Ogden on business. When he returned home, in the evening, he turned his team into the pasture of Wm. Price for the night. On going for his animals next morning, he found that one of them, a valuable mare, had been shot through the right hind leg. The limb was broken and the injury was so great that the animal had to be killed.

A Branch Line.—There is a report to the effect that the Union Pacific road has made a survey for a branch of the Utah and Northern from Dillon to the Yellowstone National Park, by way of Virginia City, Montana. The road will be a narrow gauge, the maximum grade about 160, feet and 130 miles in length. Construction will not begin until next year.

It has won its way to the highest favor of the public mind, and multitudes who have vainly used other preparations have, on trying this, been made glad by the speedy restoration of abundant locks as in the days of youth.

BENEFACTORS.

When a board of eminent physicians and chemists announced the discovery that by combining some well known valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were sceptical; but proof of its merits by actual trial has dispelled all doubt, and to-day the discoverers of that great medicine, Hop Bitters, are honored and blessed by all as benefactors.

PRESERVED FLOWERS.

As I had charge of all the flowers from Elder Orson Pratt's funeral, and as there are a great many more than the family desire preserved, I will, by permission of the family, spare the rest preserved for those of his friends who wish to get some loose, or made up in bouquets, etc. Please call personally at my residence and give me your orders.

I took the First Prize (Silver Medal) at the Territorial Fair of 1881, for Preserved Flowers.
