SHOT STOPS KIDNAPING

# Arbor Day, Governor's Club.

Daring Plot to Rob Stranger Cut Two daring robbers made a bold at-tempt Saturday night to kidnap and ing taught by mail in five lessons,

creased in population that they would install watermains if the flow of Par-ley's stream could be regained. At the time the document was drawn up a winning argument was that the warmer Utah lake water would be better for their crops than the cold mountain stream.

#### CITY PERMITS DELAY.

While it is now more than 20 days since most of the defendants in the present suit were served with sum-monses, the city attorney has agreed to wait for a general answer. Ogden Hiles,

monses, including allocates has lagreed to wait for a general answer. Ogden Hiles, formerly city attorney, brought the suit to annul the farmer's title to part of the stream, or rather to quiet a city title secured through the purchase of ranches which used water without ob-jection from those lower down, as all of it eventually found its way back into the creek. With Mr. Hiles was associated F. S. Richards, who served during the Morris city administration as a special authority upon water and irrigution rights in Salt Lake valley. As many Salt Lake attorneys live within the district affected by the city's suit they are willing to serve in the case. Among them are Daniel Barrington, Atty.-Gen, M. A. Breeder, who appears for the state prison inter-ests, Can Cott, Allison & Riter: Hurd & Hurd, J. H. Moyle, Goodwin and Van Felt, Ray Van Cott, Samuel Russell.

Pell, Ray Van Cott, Samuel Russell, and a number of others. It is prob-able that before the case comes to trial an agreement will be reached on counsel for the entire number of de-fendants who total 2,600 people. ------

#### "ONE TOUCH OF NATURE MAKES THE WHOLE WORLD KIN."

THE WHOLE WORLD KIN." When a rooster finds a big fat worm he calls all the bens in the farm yard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good-he wants all his friends and nigh-bors to share the benefits of his discov-ery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write lef-ters to the manufacturers for publication, that others similarly alling my also use it and obtain relief. Behind overy one of these lefters is a warm hearted wish of the writer to be of use to someone else. This remedy is for sale by all drug-gists.

#### FOR WHOOPING COUGH.
