AKRON.

The Erie Case in Court.

AKRON, Ohio.—The Erie case was brought up to-day, before Judge Boynton. All parties were present, except Jay Gould, who is sick. F. A. Lane and the Erie clique, with Gould and O'Doherty as receivers, had to be sworn as to the earnings of the E. and G. W. Railroad from April 9th to Aug. 31st, 1869, which amounted to one million nine hundred and four thousand dollars. The debt of the road is ninety-four millions, three hundred and seventy-three thousand. There are affidavits in court to the effect that the road cannot sell for fifteen millions, if put into the market with the utmost care.

CHICAGO.

Convention of Liquor-dealers.—Meeting of Stockholders—Fisk Guarded—Yield of Gold and Silver Bullion—The new coins.

CHICAGO, 26.—A convention of liquor dealers has been in session in this city, for the past two days. It was largely attended. The convention concluded its labors yesterday, having organized a National Association and adopted resolutions for presentation to Congress. The resolutions declare that the tax on distilled spirits should be collected by a direct tax, at the place of manufacture, sufficient to cover the present direct and indirect taxes, including quakers' and inspectors' fees, etc.; they also declare that the simplest and most effectual way to collect them is to tax the capacity of stills. They urge that the Government Commissioners are responsible for the acts of their agents, and that when spirits once leave the Government charge and are offered for sale, innocent persons should not be held responsible for the neglect or delinquency of the Government officers. The present system of stamps, marks, brands, rectifiers' books, etc., is superfluous and arbitrary, and should be dispensed with.

A New York special says that the meeting of the Wells, Fargo express stockholders yesterday, was quite exciting. An injunction had been served upon the new officers on the complaint of Eugene Kelly, restraining them from issuing new stock. The Kelly party refused to vote, consequently the ballot stood 538 shares in favor of the increase of capital and the purchase of the Pacific Express Company, and 44 against it. The matter is not fully settled, and there will probably be another meeting soon.

There is nothing new in the Erie fight. Fisk remains in his office, around which there is a strong guard, who permit nobody to enter until properly vouched for. It is impossible to serve papers upon him. All parties have filed a general denial to the Ramsay charge, and are making arrangements to fight the matter, but they hope to have it transferred to New York city. The general opinion is that they will defeat Ramsay and retain the control of the road. Judge Barnard has issued an injunction staying proceedings, and rumor says its effect will be to stop Ramsay from proceeding in the case any way.

Washington special says that professor Raymond, Commissioner of mining has returned from his summer tour through California, Nevada and Colorado, and that his report will show the yield of gold and silver bullion this year is about ten million less than last. The census committee has substantially agreed on the leading points of the bill to be presented to the House. It provides for the appointment, by the President, with the advice and consent of the Senate, of a Commissioner for the ninth census, whose office expires in three years from date of the commission. He shall have rooms in the Interior Department and shall be subject to the general orders of the Secretary thereof. The Secretary, in his nomination, shall appoint one Deputy Commissioner to each Congressional district. These shall report to and receive orders from the Commissioner at Washington. The census shall be taken during June next, solely by the Deputy Commissioners, and such persons as they engage in the interior towns and cities.

PHILADELPHIA.

Murder Trial. Philadelphia.—The trial of Edward Smith, for the murder of John Hughes, on Chestnut Street bridge, a few months since, has resulted in a verdict of murder in the second degree.

BUFFALO.

Death of Brent. Claude Brent, accidentally shot by a friend on Wednesday, died this morning.

CINCINNATI.

Drunkennes and Jealousy, Rival Shot. Cincinnati.—Horace Phillips shot R. H. Leonard, at half past eleven last night, while accompanying Mary Cummins, a young widow, from the theatre. Phillips has lately been paying attention to her, but was rejected in favor of Leonard. Three shots were fired one of which took effect in the groin, but is not dangerous. Phillips was drunk. He has been arrested. The parties are all young.

FOREIGN NEWS.

RUSSIA.

Intolerance towards the Jews. ST. PETERSBURG.—The old law limiting the residence of the Jews has been enforced in some parts of the Empire recently, and 2,000 Jews have been removed from the Bessarabian frontier to the interior of Russia within a few days. An impression prevails there that the Emperor will disapprove of these proceedings.
