COUNCIL ACCEPTS BIG SIDEWALK BID

Awarding of Paving Contract to James Kennedy by Board of Works is Approved.

FOR FIFTY MILES OF WALKS

Between 500 and 600 Men to Go to Work at Once—Telephone Ordinance Passed.

Two important measures before the city council at its meeting last evening were the acceptance of the bid of James Kennedy for the completion of sidewalk extension No. 108, previously accepted by the board of works, and the passing of an ordinance regulating the revenue that the municipality shall receive from telephone companies.

The sidewalk extension is for the extreme southeastern part of the city, and includes 50 miles of paving. The contract stipulates that at least 15 miles shall be completed before the end of this year, and the remainder before Oct. 1, 1909. The contract price is \$200,000, of which amount the city will pay \$49,000, none of which, however, will have to be paid this year. Within a few days from 500 to 600 men will be at work on the project. It is said that this contract is the largest of its kind ever let at one time in the United States.

TELEPHONE ORDINANCE.

The telephone ordinance provides that after Jan. 1, 1909, each telephone company operating in the city shall take out a quarterly license and pay into the city treasury 25 cents for each instrument whose rental is \$60 or over, and 12 1/2 cents for each instrument whose rental is less than \$60. Each company thus licensed shall let the municipality have the free use of 50 telephones.

Instead of the license per number of instruments, telephone companies have the alternative of paying one per cent of its gross earnings into the city treasury. If the mayor approves the ordinance, the amount may be paid in which to accept its provisions. As to the Rocky Mountain Bell Telephone company, it is conceded that should the ordinance become effective, it would be a heavy burden on the company, which has a franchise, and would grant it a lawful existence until the year 1933.

CHECK IS RETAINED.

City Auditor Alf apprised the council that he had received a check for the sum of \$7,516.61 from the Utah Light & Railway company. The check was for the amount of \$10,000, but was for the amount of \$2,483.39. The officers named are: J. B. Sackett, president and general manager; A. C. Allen, vice-president; T. S. Pendergast, secretary; W. J. Lowe, treasurer. Also are directors, J. B. Sackett, A. C. Allen, T. S. Pendergast, W. J. Lowe, and J. B. Sackett.
