For instance, it is stated that I have been making a canvass of the at estionable resorts for support at the polls tomorrow, and that I have friends who are doing the same thing in my behalf. In answer to this untruth-ful and malicious slander I simply de-sire to say that I have done and will do nothing of the kind and I do not count any man a friend who will do that kind of work for me. I believe that none has. It is true that I wan to be elected Sheriff of Salt Lake county but I do not want to succeed by means that are shady.
