SIMMONS LIVER REGULATOR

TORPID LIVER

Is known by these marked peculiarities:

1. A feeling of weariness and pain in the limbs.
2. Bad breath, bad taste in the mouth, and a furred tongue.
3. Constipation, with occasional attacks of diarrhœa.
4. Headache in the front of the head; nausea, dizziness, and yellowness of skin.
5. Heartburn, loss of appetite.
6. Distention of the stomach and bowels by wind.
7. Depression of spirits, and great melancholy, with lassitude and a disposition to leave everything for tomorrow.

A natural flow of Bile from the Liver is essential to good health. When this is obstructed it results in

BILIOUSNESS,

which, if neglected, soon leads to serious diseases. Simmons Liver Regulator exerts a most felicitous influence over every kind of biliousness. It restores the Liver to proper working order, regulates the secretion of bile and puts the digestive organs in such condition that they can do their best work. After taking this medicine no one will say, "I am bilious."

"I have been subject to severe spells of Congestion of the Liver, and have been in the habit of taking from 15 to 20 grains of calomel which generally laid me up for three or four days. Lately I have been taking Simmons Liver Regulator, which keeps me relieved without any interruption to business."

$1 000 REWARD for any medicine in the world that will cure as bad a case of Itching, Ulcerated and Bleeding Piles as will one fifty-cent box of Dr. Emall's Magic Balm of Healing Ointment. It acts as a soothing lubricator, absorbs the tumors and allays the intense itching at once as nothing else will. No pile cure ever acquired so large a sale in so short a time. Sold at every drug store, or sent by mail. Address Zion's Co-operative Mercantile Institution, Salt Lake City, as Cleveland, Ohio, January 21, 1887—Send me five gross Emall's Magic Balm soon as possible. This will make nearly one hundred and fifty dozen I have bought since July 15, 1884. I now sell more of your Balm, or Ointment, at retail over my counter than of all other balms and ointments combined. It sells better than any medicine I have in my store.—S. P. EVENING NEWS.

Monday, April 30, 1888.

TELEGRAPHIC NEWS.

Continued from First Page.

A Rush to the Blackfoot Reservation.

GREAT FALLS, Mont., 29.—The news of the opening of the Blackfoot reservation is awaited impatiently here and throughout Northern Montana.

A large number of persons have gone to the reservation to locate ranches, mines and town sites. Desirable valleys are fairly covered with tents, the greatest rush apparently being to the Big Sandy famous hay grounds. Many soldiers as well as civilians are on the ground and when the news comes that the bill is signed there is likely to be a rush.

Bull Heck Valley, beyond Fort Assiniboine, is all staked off and tents of squatters may be seen all along the valley of Milk River. There is a silver lead lode in beds of the Paw Mountains that was located several years ago. It is understood that several parties are on hand watching to locate this mine and, as well, to prospect for others.

A Fatal Ship Disaster.

LONDON, April 29.—The ship *Smyrna* was sunk in a collision with the steamer *Meto*, off the Isle of Wight today. Thirteen persons were drowned.

A Duel Fought.

PARIS, April 29.—In a duel in the Bois de Boulogne, fought today between Du Puis and Hobert, art critics, the former was killed.

Riotings Renewed.

PARIS, April 29.—Charles Ferry was today elected Senator for the Vosges Department, defeating Boulangist and Conservative candidates.

On Saturday night a crowd of Boulangists collected outside the Students' Club, where 300 students were assembled. The students gathered at the windows, and on hearing shouts for Boulanger fired four revolver shots into the crowd. Nobody was injured, but the people were so angered that they forcibly resisted the police who tried to disperse them. The students then issued in a body, and a general melee ensued, which at one time threatened to become serious. Finally troops of mounted gendarms arrived and dispersed the mob. A few persons were injured, and the excitement continues.

Plans Upset.

CHICAGO, April 29.—General Manager Stone of the Burlington road said today he did not think it probable that any of the proposed extensions by the company east of the Missouri River would be commenced this year, the late disturbances and the great strike having completely upset all plans in that direction. He was not familiar enough with the projects of General Manager Holdredge, of the Burlington & Missouri River Road to speak regarding the lines west of the Missouri River, although he knew that considerable work in the way of surveys had been made in the mountains, looking to the construction of the independent line by the B. & M. to Salt Lake and the Pacific Coast.

Fight with Yaquas.

NOGALES, Ariz., April 29.—General Guerra, commander of the first military zone of Sonora, telegraphs to Governor Conder under date of April 26, that on the twenty-first Lieutenant Guian Quintro with federal forces had a sharp battle with Yaqua Indians on the Tejibampo mountains killing twenty-one, and wounding one, who was taken prisoner. Private Manuel Escobas, of the federal force, was dangerously wounded. In another dispatch dated April 27th, the General says: Yesterday Captain Angel Lanes of the Mexican Home Guards, overtook a large party of Yaqua rebels, going [illegible] and capturing 14 prisoners, mostly women and children, and a lot of guns and ammunition.

Mysterious Tragedy.

COLORADO SPRINGS, April 29.—For several years an old lady named Kearney and her grandson about 8 years old, named Hand, have been living on a ranch several miles north of this city in a somewhat desolate section of the country. About a month ago they disappeared and the neighbors thought they had left the country. Yesterday Mrs. Beach, a daughter of Mrs. Kearney, arrived from St. Louis, and in company with a neighbour went to the ranch to investigate. In a stable near the house the body of Mrs. Kearney was found doubled up in a much decomposed condition, and the body of the boy was found jammed into a feed box, also badly decomposed. It is impossible to state whether both were murdered by robbers or whether the old lady murdered the boy, and then suicided. The coroner will investigate tomorrow.

A conclusion drawn from the condition of things in the house and the position in which the bodies were found, is that the old lady and the boy were murdered for money which it was known the former had in the house, but by whom is still a mystery. Two bullet holes were found in the skull of the boy, while his grandmother's head was crushed with an axe in such a manner as to explode the theory of suicide. The boy was grandson of J. C. Hand, a wealthy iron merchant of Philadelphia, and was to come into possession of an estate of forty thousand at his majority. The boy's father, Frederic Hand, was a wealthy cattleman, who came from Philadelphia to St Louis in 1878, where he married Miss Kearney. They came here soon afterwards and settled on the ranch, burying five months later. The mother of the murdered boy is now in New York.

Papal Interference.

LINCOLN, Neb., April 29.—On the question of the papal condemnation of the plan of campaign, Patrick Egan, ex-President of the National League of America, said today: "Such a course on the part of Rome has been expected by those acquainted with the intrigue between the tory government and the Vatican. It has long been the ambition of papal advisers to secure direct diplomatic relations with England and have an accredited representative in the court of St. James. It is also a pet scheme to have an endowed Catholic university in Ireland. It is understood the tory government has promised to satisfy these desires on condition that the authority of the papacy be directed toward what they are pleased to term the pacification of Ireland, in other words, the crippling of the National League. This attempt at spiritual interference in matters purely temporal and political will, instead of suppressing, put new life and determination into the movement. It will raise up unexpected difficulties for England and bring no credit or advantage to Rome. Irish Catholics recognize very clearly that churchmen are not the church, and while they have no quarrel with the latter, they will stand no dictation from the former, and especially when no question of faith is involved. Resorts to such methods to help their ends by the Tory government indicates that they are indeed getting into desperate straits."

Secretary Sutton, of the League, said: "Papal interference with the national affairs of Ireland should meet with speedy and emphatic resistance. It is not the first time Romish politicians have been hired to knife the nationality of Ireland, only to find the edge of their weapons turned by Ireland's fidelity to the principles of liberty. We distinguish more clearly perhaps than any other people in the world the line that divides religion from politics, and have never hesitated to resist Roman interference with our political affairs. If another lesson is needed our people will not be slow in giving it. The action of Rome as reported is exceedingly ill-advised and can only result in injury, not to Ireland as a nation, but to Catholicism as a religion."

Snowing.

ST. PAUL, April 29.—After three days' rain it began snowing this afternoon, and at 9 p.m. still contiques.

Dispatches from St. Peter, Minn., Yankton and Canton, Dakota, report snow falling. This is the latest snow of any spring for five years in South Dakota.

Rains have raised the Wisconsin and Chippewa rivers, causing considerable apprehension and some damage at Wausau, Chippewa Falls and Eau Claire.

MR. JOSEPH BEACH.

A LUCKY MAN.

Stone in the Kidney expelled after using Dr. David Kennedy's "Favorite Remedy" about two weeks.

One of the most remarkable cases that has ever been brought to the notice of the public is that of Mr. J. S. Beach, of Stone Ridge, Ulster Co., N. Y. Mr. Beach had suffered since October 18th, 1874, from the presence of Calculus or stone in the right kidney. No less than seven physicians were employed at different times, to whom Mr. Beach paid hundreds of dollars for medical treatment with only temporary relief from his agony.

By the urgent solicitation of his friends he was induced to try Dr. David Kennedy's "Favorite Remedy," made, you remember, at Rondout, N. Y. He experienced marked improvement from the first day he began to use the medicine. On the 15th September he voided a stone as large as could be passed through the natural channel.

Mr. Beach concludes a long letter to Dr. Kennedy by saying: "It will always afford me pleasure to recommend the "Favorite Remedy" to those who may be suffering from difficulties of the Kidneys and Bladder, or any disorders arising from an impure state of the blood." The "Favorite Remedy," is sold by all druggists. Price only $1 a bottle. The Doctor's only address where he manufactures his "Favorite Remedy," is Rondout, N. Y.
