Chicago, Oct. 18 .- The Moore Brothers are believed to be furnishing the bulk of the capital for building the projected Denver, Northwestern and Pacific railroad of which D. H. Moffatt of Denver, is chief promoter. The new road, it is believed, will practically become the extension of the Rock Island system from Denver to Salt Lake. Speaking of the new road, D. H. Moffat said:

"Final arrangements have been perfected and the work incidente! to building our line is rapidly progressing. The road will be completed within two years to Salt Lake. Its length from Denver to Sait Lake is about 500 miles, and by arrangement with Senator Clark we will establish a road passing through Colorado, Utah, Nevada, and California."

# BLUE BOOK ON REMOUNT SCANDALS.

London, Oct. 18 .- A bluebook has been issued containing a detailed report of the officers appointed by the

commander-in-chief of the army to inquire into the working of the remount department. The report speaks gener-bily favorably of the arrangements of the department and of the class of anlmais purchased.

Dealing with the case of Capt. Smith, who was attached to the purchasing commission at New Orleans, the report finds that he received a commission on every animal he purchased, that many of the mules bought by him were ab solutely unfit and useless, and that he was guilty of malpractice and brought the greatest discredit upon the de partment

The report also finds that Capt. E. R. and Veterinary-Surgeon Mandslay Hawes, behaved with extreme impropriety in purchasing for their own use and shipping to England horses brought up for inspection as remounts and which actually had been branded. The report says regarding American

'In our opinion nothing approaches them except the gun mules of the mountain batteries in India. We have no fault to find with them as a class." the Of the horses the officers say:

"Judging them as a class, we think them the very type for mounted in-fantry horses. With time and training the American horse would turn out to be the ideal horse for mounted infantry or for carrying light cavalry without equipment.

The report considers that the dealthe report considers that the deal-ers at first made undue profits, but this was not so in the latter stages. It further says the officers can conceive the possibility of Chicago's becoming a tery valuable center for remounts. Dealing with Canada the report says the Dominion does not appear to able to furnish a very large number horses and that the supply is not likely to increase unless breeding is stim-ulated by a steady, permanent demand for army horses and unless su selected stallions are introduced. and unless sultably

The murder of the Meeks family, for which William and George Taylor were convicted and sentenced to be hanged, was committed on George Taylor's farm in Sullivan county, Mo., on the night of May 10, 1894. The crime was committed when Gus Meeks and his family were leaving the country, \$500 and a team having been given him for and a team having been given him for that purpose by the Taylor brothers te secure themselves from prosecution on various criminal charges, of which he was cognizant. The Taylor brothers es-caped, but William was recaptured and

# WANTED AGES OMITTED.

Society Woman Who Don't Want the Public to Know How Old She is.

It must be conceded that the female sex, as a general rule, is decidedly sen-

sitive when the question of age is broached. A number of instances have occurred of record in the county clerk's office where women applying for marriage licenses have refused to give their correct ages and have made affidavit nerely to the effect that they were of legal age.

Today County Clerk James received a equest through the mail from a well known society lady of this city, who se-cured a marriage license the first of this week, requesting that the age of herself and husband be omitted when

The letter was dated in this city on October 17, 1902, and was addressed to County Clerk James. It follows in full: To Judges of the Courts:

'I write to tell you that when you pub-

lish our marriage licenses, to please not mention our ages. It is immaterial when you publish our marriage, but rather you would wait one month from the date we were married. We will be far enough away then so as not to be bothered by our friends,"

# CHILDREN AT SCHOOL. The Number Enrolled During September Was 12,583.

City Superintendent of Schools Christensen has completed his report of the schools of the city for the first month ending Oct. 3, 1902. The total enrollment in all the schools during the month was 12,583, of which number only 38 are colored children. The number of teachers, principals and supervisors in the schools is 345, and, the

average number of pupils to each eacher is 41. The average percentage of attendance for the month was 96, and the average punctuality 88.3 per cent, which is considered very good. The Lowell school heads the list in enroliment having \$\$1 pupils enrolled during the month, and the Grant school second, with an enrollment of 853.

# WYOMING OIL CENTER.

## That is What Colonel Dougherty Calls Uinta County.

Col. Matt Dougherty has returned from a business trip to Cleveland, well pleased with the interest taken by eastern capitalists in the oil lands of southwestern Wyoming. He calls attention to the Atlantic & Pacific well, located not far from the Jaeger well, and which "came in" the other day, at 1,120 feet, yielding 60 barrels per day. As this fine yield is only in the second stratum, what the third and fourth strata will be likely to yield is causing more or less speculation. Col. Dougherty is now more sure than ever that Uinta county,

Judge Howel, Jesse Malone and Barney Crist were arraigned on the charge of robbery, the complaint being signed by Charles Schote. The prisoners were represented by Attorney Elijah Farr and walved examination. They were bound over to the district court in the sum of \$250. They could not furnish ball and were turned over to the sheriff. WEBER COUNTY TEACHERS.

The Weber County Tteachers' assaciation met this morning in the county courthouse, with a good attendance present. President William Z. Terry conducted a very interesting exercise he acting as teacher and the other ped agogus acting as students. The proper method of training students was discussed.

#### \$30,000 DAMAGE SUIT.

Suit has been commenced in the district court here by Oilver S. Sartin against the Oregon Short Line railroad company to recover \$30,000, alleged to be due as damages for personal injuries sustained by plaintiff while in the employ of defendant company. The sets forth that plaintiff was omplaint employed by defendant on Sept. 2 of this year as constructor of fences, near Belvue station on the O. S. L. railroad, that while riding on a handcar in the discharge of his duty, said handcar being heavily loaded with barbwire fenc ing, and being propelled at a rapid rate of speed, the said handcar collided with another car, and plaintiff was knocked violently to the track, his skull being crushed and broken in two places, and his back permanently injured, all through the negligence of defendant. For these injuries he asks damages in the sum stated. A. W. Agee is plaintiff's attorney.

#### THIS ONE FOR \$15,000.

An action entitled Albert H. Me-Knight, plaintiff, by his guardian, J. M. Forristall, vs Union Pacific Railroad company, has been filed in the district court, asking for \$15,000 damages for court, asking for sia.000 damages for personal injuries alleged to have been sustained by plaintiff while being transferred from one car to another under the direction of defendant. The accident occurred in Nebraska, and as a result of the same plaintiff knocked down by one of defen was defendant's cars, his right foot crushed and man gled and plaintiff rendered a cripple for life. That he has been put to an ex-pense of \$216 for medical and other necessary relief, all through the negfendant company. Therefore plaintiff demands judgment in the sum of \$15,-216. ligence and carelessness of said

### Marked Decrease During Current Week-Births and Deaths.

For the week ending Oct. 18 there were 36 births reported to the board of health, 19 being males and 17 females. Of this number there were two males. Of this humber there were two sets of female twins and one of the male gender. Of the deaths reported for the same period, 21 were residents of the city. The sexes were equal of the city. The sexes were equal among the deceased, there being 13 of each.

There was a marked decrease in contagious diseases as compared with the preceding week. There were 34 cases of scarlet fever in the city at the close of last report. Four new cases devel-oped during the week, one died and 14 were released, leaving 23 in quarantine. One case of diphtheria died during the week and one having recovered. cases in the city, no new cases having been reported. Of smallpox, there were no new cases reported, one case was discharged, leaving 5 cases in the city. Seven cases of typhoid fever were re-ported and 3 cases of chickenpox.

Suit was today filed in the district court by Sarah Kahn, Henry M. Kahn and Ferdinand N. Kahn, heirs of the estate of Samuel Kahn, deceased, against Emmanuel Kahn, Marion Kahn Weitz, Gertrude Kahn Illoway, Eugene E. Kahn and Louis E. Kahn, asking that an accounting be had in respect to the partnership affairs of Kahn Bros. wholesale grocers of this city, and that

the said partnership be dissolved. The plaintiffs allege that Samuel Kahn, now deceased, entered into a partnership with defendant Emmanuel Kahn about 30 years ago, Samuel Kahn died in January, 1885, but notwithstanding the fact that an attempt was made to have an accounting of the partnership and also to have his said estate probated, such action was never

taken. The four last named defend-ants are also helrs of decedent but refuse to join in the action with plain-tiffs, hence they were made parties defendant. No accounting of the affairs of the

concern has ever been made since the inception of the partnership, hence plaintiffs ask that the accounting be had from that date, and that the said partnership be dissolved.

### COURT NOTES.

O. R. Young has filed an answer and crosscomplaint to the complaint filed against him in the district court by the Mammoth Reservoir company. The ac-tion was brought to recover certain maps, blueprints and other records alleged to be unlawfully withheld from plaintiff by Mr. Young, or in case re-covery cannot be had plaintiff asked judgment for \$5,000. In Mr. Young's answer and crosscompiaint he alleges that plaintiff is indebted to him in the sum of \$674.45 for back salary and expenses as engineer and manager of the company and, in addition to that, he asks judgment against the company

\$15,200 for his alleged unlawful dis charge. He claims that he has right to retain the maps and records until the company pays him his salary. A petition was filed yesterday after-

noon by Hyrum Wagstaff, executor, asking that the will of William Fowler, who died in this city on Oct. 16, 1902, be admitted to probate. The estate is valued at \$5,000. The petition will be heard on Friday, Oct. 31.
