

ADDITIONAL HELP FOR HEALTH DEPT.

Councilman Beatty Reintroduced
Resolution Vetoed by Mayor.

LEGAL OBJECTION OVERCOME

Measure Adopted by Eight Votes—
Thought That Executive Will
Disapprove of Resolution.

Fourteen members of the City Council met pursuant to adjournment last evening and transacted considerable business.

One of the principal features of the meeting was consideration of the Beatty resolution providing additional help for the health commissioner at an expense not to exceed \$5 a month. The resolution passed a couple of weeks ago by seven votes, but the Mayor vetoed it on the ground that as it involved the expenditure of a certain sum of money a majority vote of the Council was necessary to make it legal.

Dr. Beatty last evening reintroduced the same resolution, and it carried by eight votes, thus overcoming the legal objection to it. Those voting against the resolution were Messrs. Beatty, Cottle, Fenstrom, Hartenstein, Howe (Edgar), Jones (Edgar), Reed and Tuddenham; 8; those in favor, Hewlett, Robertson, Thomas, Whittemore and Buckle; 6; absent, Gemmell.

Mayor Thompson vetoed of the former resolution was read and filed without action. His honor is almost certain to again veto the measure, for the reason that he believes the health department has all the help it needs; and he argues that the Council members themselves must have thought so, too, otherwise they would not have submitted and passed an ordinance providing for the abolition of two of the offices of that department, viz.: sanitary inspector and food inspector.

SCARCITY OF WATER.

The superintendent of waterworks, in a communication addressed to the Council, called attention to the fact that water was becoming very scarce. The pressure on the pipes at times he said goes down to zero, and in the City Creek tanks becomes so low that the pipes are scarcely covered. The indications were he further stated, that the supply would decrease daily. Superintendent Hines said that he had done what he could to prevent waste and make the most of the water on hand, and he recommended that the city put in a pumping apparatus at the wells in Liberty Park from which 2,500,000 gallons of water per day could easily be obtained.

The communication, after considerable talk, was referred to the water works committee, the city engineer associated, with instructions to report at the next meeting of the Council.

TO TURN IN NEW SUPPLY.

While on the question of water Canning volunteered the statement that water was not so scarce a commodity as it had been made to appear. The canal, he said, were running over, and water was needed, was an intelligent distribution of what water there was on hand. One of the conditions upon which the land and water rights were recently purchased in Parley's canyon was that the water should be turned over to the city in Parley's conduit when demanded, but the demand had not yet been made.

PURCHASE OF WATER METERS.

The water meter question came up on the report of the board of public works, formulated after conferring with the special committee of the council in regard to the kind of meters to be purchased. The special committee made no report on the subject, but the board of public works adopted, Cottle, Reed and Howe (Edgar) voting no.

The report recommended the purchase of 50 4-inch Lambert meters, 50 4-inch Trentons, 50 4-inch Pittsburgs, 150 4-inch, 30 4-inch, 60 4-inch, 12 2-inch and 4 3-inch Worthingtons. The board first recommended the purchase of all Worthington meters, but the council disapproved on account of the Worthington variety being more expensive than any of the others. The decision reached was in the nature of a compromise.

"NEWS" SUGGESTION ADOPTED.

On motion of Hewlett the committee on street sprinkling, with the city engineer and superintendent of street and irrigation associated, was instructed to investigate and report as soon as possible if it is feasible to tap the canal at different points and erect stand pipes to enable canal water to be used for street sprinkling.

Canning offered a resolution, which was adopted, instructing the city engineer to furnish an estimate of the cost of erecting stand pipes in the business district by means of which water for sprinkling purposes might be brought from Jordan or Salt Lake canal.

TO REPAIR STREET CROSSINGS.

Chief Devine, of the fire department, called attention to the almost impassable condition of the streets at Third and I streets and First and I streets and suggested that the Salt Lake City and Rapid Transit Railroad Companies be compelled to plank their crossings on these streets, so that the fire apparatus could get over them without any trouble in crossing and recrossing. The communication was referred to the committee on fire department.

Chief Devine also requested the members of the council, or as many as could make it convenient, to accompany him on a tour of the principal streets of the city and view the many crossings which the chief designated as "breakdowns." He referred to the street corners.

NEW PATROL DRIVER.

Chief Hilt sent in the resignation of John G. Armstrong as patrol driver and named J. W. Armstrong, son of the former, as his successor. The resignation was accepted and the appointment of J. W. confirmed by a unanimous vote. The elder Armstrong is now a resident of Idaho.

LISTEN FOR THE WHISTLE.

Canning offered a resolution, which was adopted, instructing the chief of the fire department to arrange for one or more whistles to be attached to machinery that is constantly in use, and instructing the city attorney to prepare an ordinance making it obligatory on all users of water to cease the use of water until the sound of the whistle designates the danger is over. The intention is that in case of fire when the water pressure is low the whistles will be a signal, obedience to which will al-

low increase in pressure when it is needed to extinguish the fire.

J. P. Storck asked the city to sell him sufficient irrigation water from the Jordan and Salt Lake canals to irrigate seven acres of land between Twelfth and Thirteenth South streets. Referred to committee on Jordan canal and irrigation.

FROM BOARD OF EDUCATION.

The board of education petitioned the Council to extend the sewer on South Temple street from M to half way between R and S streets, so that sewer connection may be made with the Wasatch school; also to extend the sewer from First to Second street, along J street so that Longfellow school may be connected.

Attention was called to a communication, addressed to the Council under date of March 2, relative to the construction of a drain from the Franklin school to the Jordan river, and requesting immediate action. Referred to sewer committee.

PERSONAL.

Sheriff Gordon is down from Brigham City.

D. C. McLaughlin of Park City is registered at the Knutsford.

W. A. Akers, mining engineer, has returned from a trip into Idaho.

Advocate Crockett of the Eastern Utah Advocate, published in Panguitch, is here.

C. A. Crovdon of Chicago asserts that the Rock Island will extend to White Oaks, New Mexico.

Registered at the Walker today: Mr. and Mrs. McGlynn, Leadville, Colo.; Mrs. Jas. Smith, Florence M. Smith, Plover, Wyo.

W. White, editor of the Beaver county Blade, is in town and putting up at the Cullen. He is accompanied by his daughter.

Mrs. Gertrude Y. Hampton of Logan is visiting Mrs. Seldon I. Clawson and Miss Rebecca Morris.

Mr. and Mrs. John E. Hansen and children and Mrs. Hansen's mother, Mrs. Pickett, leave for Wasatch in the morning.

At the White house today are C. A. Callis, Coalville; Sam Gillett, Jos. McKellar, Tooele; M. L. Calhoun, Boise; Frank A. Ewen, Jackson, Wyo.

Dr. Olson of Brigham City called upon the "News" today, accompanied by Mr. Albert Halverson of Aurora, Illinois, who is a cousin of the doctor. Mr. Halverson came here for his health and will remain here for a few weeks.

Bert Olson, who was formerly private secretary to Congressman Wm. H. King, has returned from Ann Arbor, Michigan, where he has been studying law.

Charles B. Tilford of Bountiful, who is studying at West Point, is home on summer vacation. He will remain away from the academy about two months.

Mrs. Jaks Rhine of Ogden is visiting here and registered at the Kenyon. Mr. Rhine is an old and well-known conductor on the Union Pacific. Mrs. J. T. McMonahan of Nevada, the Southern Pacific is employing about 1,000 men in straightening out the track and ballasting the road and keep down the dust. On their trip these gentlemen visited the summer resort at the Pacific, Lake Tahoe. A narrow gauge road runs from Truckee to the lake, making it possible for visitors to make a day tour of the same. They also report that the Church work is moving forward in California with certain strides. Many are being added to the fold and in some localities much interest is manifested. The boys are doing well. John Hafen is making a mark as a landscape painter, and has pictures of California scenery on exhibition in an art establishment. He is making friends, admirers and some sales. His specialty is landscape work.

REMINGTON BROTHERS.

1000 Newspaper Manual, just out, is the finest this house has ever published and one of the best ever produced in America. It contains nearly 500 pages, handsomely bound in brown and gold. It is a complete catalogue of all newspapers and other publications in the United States, Canada, Cuba and Porto Rico. The arrangement of the list is in a very compact and concise, enabling an advertiser to obtain any information regarding a newspaper with the least possible effort. The Manual has been published for thirteen years by Remington Brothers, New York, one of America's foremost Newspaper Advertising Agencies. Its chapter devoted to Utah, of course, is the "News" in the lead of all other papers.

GOOD MUSIC.

Brigham City Military Band Surprises Salt Lakers.

The Brigham City military band, which is undoubtedly the best band in the State outside of Salt Lake, and which, indeed, would make most of these "watch their marks" in an effort to outstrip them, rendered the city a musical treat when they played was much enjoyed by those of the staff who were fortunate enough to be at the office at the time. The piece was well played, and the music which boys played on their pianos and fortes" reflected much credit upon Bandmaster Chris. Christensen, who has had their training in hand and to whose efforts, in greater part, the existence of the organization is due. The "News" wishes the band a successful career and a long one, because there can not be too many such creditable organizations in the State—they do much good and deserve every encouragement.

REPUBLICAN PRIMARIES.

The Republicans of Salt Lake County will meet on Monday evening at 8 o'clock, July 2, 1900, at the central schoolhouse of their respective school districts to elect delegates to the Republican County Convention, which will be held at the central school house, Murray, Utah, at 11 a. m. Tuesday, July 24, to nominate a candidate for County Superintendent of Schools. The number of delegates to which each school district is entitled, is as follows:

District 1, 24; Ward Jordan, 25; Draper, 45; Union, 24; West Jordan, 25; Murray, 25; 27; East Jordan, 35; Big Cottonwood, 25; Sugar, 25; Ogden, 25; Mill Creek, 25; Brighton, 25; 28; East Mill Creek, 25; 29; Brighton, 25; 30; South Jordan, 25; Mill Creek, 31; 31; Cottonwood, 25; 32; Taylorsville, 35; Mill Creek, 25; 33; Farmers' Ward, 41; Shady, 25; Granite, 41; 34; 35; 36; 37; 38; 39; 40; 41; 42; 43; 44; 45; 46; 47; 48; 49; 50; 51; 52; 53; 54; 55; 56; 57; 58; 59; 60; 61; 62; 63; 64; 65; 66; 67; 68; 69; 70; 71; 72; 73; 74; 75; 76; 77; 78; 79; 80; 81; 82; 83; 84; 85; 86; 87; 88; 89; 90; 91; 92; 93; 94; 95; 96; 97; 98; 99; 100.

NEW PATROL DRIVER.

Chief Hilt sent in the resignation of John G. Armstrong as patrol driver and named J. W. Armstrong, son of the former, as his successor. The resignation was accepted and the appointment of J. W. confirmed by a unanimous vote. The elder Armstrong is now a resident of Idaho.

SWENSON'S HIT SAVED THE GAME

In the Last Half of the Ninth In-
ning Yesterday.

ROMNEY'S SUPERB PITCHING

Strikes Out Thirteen Men and Puz-
zles the Officials, who Finally Win
Out at the Last Moment.

With the score standing five to three in favor of the Bankers in the last half of the ninth inning yesterday afternoon the city and county team finally won the day by a timely hit from the most unexpected quarter, which was the means of scoring three runs, giving the officials victory by the score of six to five. This result was also partly due to two errors of high price. The city and county nine now flaunt the banner of amateur championship of Salt Lake and are incidentally spending \$100 that flared in the contest. The game, though amateur, was better in many respects than any of the professional games played in this city during the present season—such is the consensus of opinion among the spectators.

What made the contest so interesting lies in the fact that it was more than for money or championship honors, it was, so to speak, for blood. Each member of both teams went into the game with the determination to win. The crowd in attendance was not large but thoroughly appreciative and the rooting was worthy of three such crowds in point of numbers.

The star players were Romney for the men of money and Castleton, who held down short for the officials. Erik Smith did the pitching for the city and county crowd and although he pitched a swift ball he was not cool like young Romney.

But speaking of the game it was won lustily. In the first half of the ninth the officials were in the first man up was Bert Markert, who sent a nice one down to short and went out amid cheers from the Bankers. Then Lorne came up and viciously fanned the atmosphere and retired. The Bankers went wild with delight. Lieutenant Naylor came next, sending one to short which was fumbled and made him safe on first. Griffiths did almost the same thing and wild throws brought Naylor over the plate. Griffiths was sent to third on a single from Marx. Then came Swenson, who was the crowd's hero. He had been fanned out repeatedly and no one expected him to do any good. But you know that's always the way, the man whom you least expect to make a star in the series. Young Swenson was the case with Swenson. Two men were out and he only had one strike coming, but he got it. The third he hit hard scoring the men on third and second.

Following is the score by innings:

1 2 3 4 5 6 7 8 9
Officials.....2 0 0 0 0 1 0 2 6
Bankers.....0 0 0 0 2 3 0 0 5

Ogden vs Rio Grandes.

The Ogden and Rio Grandes are doing battle once more this afternoon at Walker's field in the presence of a fair crowd. The first game was played on Tuesday afternoon in this city.

LAST NIGHT'S RACES.

Iver Lawson and John Chapman Win the Five Mile Professional.

The races at the Salt Palace saucer last evening were of an order such to please almost any kind of a crowd. Most of the finishes in the trial heats and the finals were quite exciting, although one or two were rather slow.

Of course the five-mile open professional was the feature. In the trial heats Chapman and Iver Lawson made brilliant sprints. In the final heat the crowd had a chance to learn something. There were three men who entered, but the idea that young Gus Lawson had more speed than the Atlanta boy, but the question was settled last night. Coming in on the last lap Gus made a very pretty sprint and slid a few inches ahead of Chapman. Lawson looked up just as the crowd howled, and perceiving who it was, indulged in a small smile. He allowed Gus to go ahead a bit and then made one of his characteristic five-mile runs and won by nearly half a lap amid great applause. In the final Iver Lawson won with Chapman second and Turville third. The final was paced by the motorcycle and Chapman gave an exhibition of his power of endurance by hanging onto the rear of the "Devil" for 2 1/2 miles, going at a pretty good clip.

The Australian local pursuit race was quite interesting and was carried off by J. P. Gunn. He rode two miles and a half a lap in the splendid time of 4:27.

The summaries are as follows: One-mile amateur tandem handicap—George H. Lucas and W. E. Samuelson, 50 yards, first; R. L. Hodget and Arthur Liday, 65 yards, second; William F. King and R. Grames, scratch, third. Time, 1:42.

Five-mile open professional—Iver Lawson won, John Chapman second, Clem Turville third. Ben. Green fourth. Time, 10:29.

Two-mile open amateur—W. E. Samuelson won, William King second, Fred Meakin third. Time, 4:33.

Local Australian pursuit, professional—J. P. Gunn won, George E. Chaffer second, R. L. Hodget third, J. W. Ensign fourth. Time, 4:27-5 for two miles and one-half lap.

Cricket Practice Game.

The Salt Lake Cricket club played a practice game at 4 o'clock this afternoon, the first game of the season with Ogden on the Fourth.

NOTED AMATEUR HOME.

Eddie Smith Has Returned from France and Germany.

The amateurs are rather looking down in the mouth. The cause is the return from Paris and Germany of Eddie Smith, the lad who carried off about everything in sight at the "Superbow" last summer.

Eddie says he will be ready to compete in about two weeks if all goes well.

While in France he attended several bicycle races, but was not very favorably impressed with the system of riding. Instead of getting out and dusting, the French riders make a mile in about three minutes and only sprint in the last lap.

Hall Adali Here.

The famous wrestler, Hall Adali, or the Terrible Turk, is in Salt Lake. He arrived yesterday from San Francisco en route to the East, and will remain here several days. Accompanying him are C. A. McMillan and Fortune

Burns, both noted wrestlers. Hall Adali has never yet been defeated on the mat.

SPORTING NOTES.

A. W. Smith is deserving of praise for his good riding at the Salt Palace. A. W. endeavors to make the races interesting by setting a lively pace, regardless of his own feelings. If others would follow his worthy example, the races would be more interesting.

Tonight the Short Lines leave for Pocatello, where they play tomorrow with the Pocatellos. Two games will be played.

Tomorrow Capt. Meinecke of the Rio will play in the game at Ogden. His arm is fully recovered.

Champions Shut Out.

Chicago, June 29.—The champions were shut out today in a pitcher's battle, but put up a snappy and well played game. Childs scored the only run on his pass to first, his steal and Ryan's double. Pitcher Killen was today given his unconditional release. Attendance, 3,100.

SCORE.

R. H. E.
Chicago.....1 4 2
Brooklyn.....0 4 1
Batteries—Griffith and Dexter; Kitzinger and Warner.

Powell Pitched Well.

St. Louis, Mo., June 29.—Powell pitched in good form today. Both sides flied listlessly. Attendance, 1,400.

SCORE.

R. H. E.
St. Louis.....4 8 3
New York.....3 7 1
Batteries—Powell and Robinson; Garfield and Warner.

Cincinnati Wins Out.

Cincinnati, O., June 29.—Nichols pitched great ball until the ninth today, when two bases on balls and three hits gave Cincinnati three runs and the game. Breitenstein was invincible after the third inning. Attendance, 1,800.

SCORE.

R. H. E.
Cincinnati.....3 6 2
Boston.....2 7 1
Batteries—Breitenstein and Peltz; Nichols and Sullivan.

Couldn't Hit Plati.

Pittsburg, June 29.—Coupled with Pittsburg's inability to hit Plati, they bunched their errors. The features were the sensational catches of Thomas and Cross, either one of which, if missed, would have lost the game for the victors. Attendance, 2,800.

SCORE.

R. H. E.
Pittsburg.....2 3 5
Philadelphia.....4 7 1
Batteries—Waddell and Schriver; Zimmerman; Plati and McFarland.

AT THE RESORTS.

Wasatch, June 29.—The week has witnessed the arrival of a number of new guests, who are now quartered at the hotel. Several more cottages have also been rented for the season and but very few more remain to be disposed of. Among those who are here is Mr. F. B. Weeks, of the geographical department at Washington, D. C. Mr. Weeks, with other government representatives, now camped at Kamas, is engaged in making official surveys defining the roads, trails and streams which are to be designated upon a map. Jake Smith's mule car service has been well patronized thus far and promises to be kept busy during the season, as indications are that the line of travel between here and Salt Lake will be via the Oregon Short Line and the Tramway. The stagecoach service having been practically abandoned. Judge O. W. Powers and son visited the camp and spent one night here during the week. Councilman Edgar Howe and wife also registered at the hotel. J. B. Dougherty of California was also a delighted visitor. The cottages are rapidly filling up and already the camp is livelier than it has ever been before the 4th of July.

Yesterday was one of the banner days of the season at Saltair. The occasion was the excursion of the Granite Stakes and about 8,000 people visited the resort. There were many very pleasant luncheon parties, and nearly all the amusements were got up to inter-

est the children. The bar was closed down and there was no liquor in evidence. E. J. Wood managed the four races, of which there were a great many. The following were the winners:

Children ten years old and under Hennie Taylor of Sugar first, Ivy Hazen of Hunter second. Eleven years, Jessie Lakin of Twenty-first ward first, Elmer Allen of First ward second. Twelve years, Owen Freeman of Farmers' ward first. Lenora Benjamin of Taylorsville second. Thirteen years, Earl Benjamin of Taylorsville first, Frank Taylor of Sugar second. Fourteen years, Lillie Jensen of Big Cottonwood first and Anna Blesinger of Forest Dale second. Then there was a series of four potato races for different ages, in which sixteen contestants took part in each race, whose names were kept by the winners. The prizes consisted of hats, shoes, purses, harmonicas and articles of jewelry. Mr. and Mrs. George Arbuckle of Sugar were present with eleven children among whom were three pairs of twins. The youngest pair being six months old. To each of the babies was given a necklace. Mrs. Mary M. Summerhays of Forest Dale, was presented with a rocking chair for being the mother of eleven children who are all members of the Sunday school. Wm. Parker of Taylorsville was given a prize for being the oldest member of the Sunday school present. He is 64 years old. The prizes awarded at the Granite Stakes Sunday school excursion also included a fountain pen offered by the Salt Lake Business College for the boy or girl, between the ages of 10 and 18 years inclusive, furnishing the best specimen of writing. This prize was won by Theresa Horne, a member of the Granite Stakes Sunday school. The party making the decision as to the merits of the samples offered, was the President of the Salt Lake Business College. There was a boat race between the lean and fat men of the city. One of the most amusing features of the day was a baseball game that was played in the water, between the married and single men, which resulted in a victory for the married men, the score being 21 to 1. Following is the line-up:

Married Men. Single Men.
Woodruff.....c.....Brunson
McEwan.....p.....Ure
White.....1b.....Miller

Bennion.....c f.....White

Lagoon was visited yesterday by the people of the Eighth and Ninth wards. A most enjoyable day was spent.

WARD ENTERTAINMENTS.

The opera, "The Lost Sister," was presented at the Twenty-third ward meeting house last evening to a large and very appreciative audience. Much credit is due the promoters of this entertainment for the energy they have shown in getting it before the public and the ward is to be congratulated on the splendid talent which was demonstrated last evening. Miss Hazel Jones, in the role of Florence Stanley, the lost sister, did exceptionally well, and all the other characters were very well sustained for amateurs. The piece is very musical and interesting throughout. One of the strongest features of the performance was the rendering of Rubenstein's "Voices of the Wood." The orchestra, which was composed of the Ford family, did its part well. The same performance is on tonight.

The final performance of "Queen Esther" drew a good audience at the Eleventh ward meeting house last night. The performers were tendered a regular ovation, the closing number being "Good Night, Good Night, Good Night" called on for a speech. There is a likelihood that the successful cantata will be repeated in other wards after the hot spell is past.

OPEN-AIR CONCERT.

Following is the program for an open air concert to be given on upper East Temple street, by Heit's military band, at 8 o'clock tonight:

1—March of the Marines.....Brooks
2—Valse, "Love Thoughts".....Pryor
3—Mickey Hag Time Melodius Mickey
4—Overture, "William Tell".....Rossini
5—Descriptive Selection, "The Hunting Song".....Couforno
The morning breaks, the birds, the gathering of the huntmen, the horn is heard, the hunt, the dogs strike the scent, the Huntsman's chorus, the dogs in full bark, the death, home again.

6—Selection from "The Victory".....Victor Herbert
7—Song for Cornet "Alice"—John Held
8—Best Ever Medley.....Mackay
9—A Night in Berlin.....Tobani
10—Beau Ideal.....Souza

AN ARTICLE OF VALUE

For the Busy Housewife.

It is economy for a lady to use this Calculating Pencil. Not a week passes without a lady making some mistake in buying, owing to the fact that it is true the amounts lost through wrong change are not large. But they amount to a goodly sum during the year. They are much more frequent than you would think. Here is what happened to a lady in a department store. She bought seven yards of goods at 15 cents, and nine yards at 18 cents. The clerk charged her \$1.15 and \$1.71. The lady checked off her bill with her Calculating Pencil and found that seven yards at 15 cents is \$1.05 instead of \$1.15, thereby saving 10 cents. The clerk, who did not intend to check, bought a pencil so as to avoid future mistakes. Ladies can buy this instructive educational device at the "News" office, or any of its agencies, for 25 cents.

WITH THE JUSTICES.

A pathetic scene was enacted in the office of Justice Kroeger yesterday afternoon. It was at the conclusion of the trial of Bert Clifton, who was charged with embezzling \$11 from the Hanson Produce company. Clifton's young wife had been much wrought up during the trial, and when the judgment of \$25 and one day's imprisonment was pronounced, her pent up feelings burst forth in a flood of tears. She threw her arms around her husband's neck and begged the justice pitiously to not make her husband go to jail. It was some time before her husband and friends could calm her.

Cured of Kidney Disease
