EVENING NEWS

MOBOCRATS ATTEMPT TO EX-PEL ELDERS FROM LAWR-ENCE CO., TENNESSEE.

VENUS, Lawrence Co., Tenn., Monday, June 23d, 1884.

Previous to our Conference, held May 4h, we met with very little opposition, although a few threats were made againt us.

Immediately after Conference, while President J. J. Fuller and Elders J. A. Ross and T. H. Robbins were on their way to Lawrenceburg, where President B. H. Roberts expected to deliver a lecture, they were confronted by a man who had been very friendly to the Eiders, and with whom we have frequently stopped and were most SHAMEFULLY ABUSED.

He then threatened to kill them, and old them never to pass by his house Since that time President J. J. Fuller Since that time President J. J. Fuller has been notified twice by letter, to gather up his little flock and leave this county; but as we thought the greater part of it was wind, and only calculated to scare; we concluded to remain where we are, and continue to preach the Gospel to all that choose to hear.

Another little elementaries commended to remain where we are, and continue to preach the Gospel to all that choose to hear.

hear.

Another little circumstance occurred yesterday which was, also, intended to scare us from the county.

We were holding meeting in the shade of some trees. (As most houses are closed against us.) Two men, well dressed,

ARMED WITH HICKORY CLUBS, About 1% Inches in diameter, and about two feet long, (although in our eyes they were greatly magnified; pro-bably owing to the fact that we knew they were cut for our heads,) came up and took seats. Presently three more of the same sort, armed in like man-ner, came from the opposite direction and sat down behind us.

we paid little attention to them but kept on speaking upon the first princi-ples of the Gospel. As soon as meet-ing was dismissed the mobilior so they proved,) came forward and ordered the congregation to leave as they had something to say to those "Mor-mons."

One of them came forward and said Mormons have been twice notified to leave this county and they have paid no attention to it. They are also preaching false doctrine; doctrines that were got up by Joe Smith, and doctrines that are contrary to the laws of the U.S." And now they calculated to preach to the "Mormons."

We told them if they had any-thing to say to us we would be pleased to hear it, and answer any objections they might make; also, that we held oursetves subject to the laws of the land.

Our chances for a whipping looked very favorable, and, only for the interference of our frienos (four men, their wives and two boys) we would, no doubt, have been badly beaten. But God, the maker and preserver of all, raised up unto us, in the hour of need, friends who

BOLDLY DEFENDED US and the principles we teach, although and the principles we teach, although they have not as yet embraced them. The ladies were loud in their protestations against the mob, some of them even threatening to scald them if they should come about their houses hunting for "Mormon" Elders.

The mob brought a great many railing and abusive acccusations against our people, none of which they could substantiate when we pinned them down and called for their proofs. down and called for their proofs.

Our friends saw that we were in a critical position and they, though few, determined to defend us if it cost them their lives, and it was with much

DOING VIOLENCE TO THE MOB. Never did we hear a man or a set of men get such a tongue lashing as that mob got from both men and women. The mob then held a consultation and returned a verdict that we must leave the county before 10 o'clock a.m. tomorrow (Monday) and if we failed tocomply with this last request, they would hunt us up and we would get some rough handling.

We now are

ON BORROWED TIME, Being still in the county, and have not yet made up our minds to leave. We will conclude by adding that we are of the opinion that this will result in much good. It will excite the sympathy of a great many people, who have not as yet become interested in our behalf, and it will be the means of raising up many good friends to the Elders in this part of the country.

J. A. Ross.

SANJUAN STAKE CONFERENCE Juan Stake Conference was off City, June 21st and 22d, puning at 10 o'clock a.m. on the first day. Present on the stand President P. D. Lyman, Bishop J. Nielson and Counselors, Elders Mc-Konke and A. Farnsworth, from Burn-Konke and A. Farnsworth, from Burnham ward. There was a goed attendance considering the circumstances of the people, and a good spirit prevailed. Many subjects were treated upon which were very interesting and instructive, tending to strengthen the faith of the Saints in the principles of the Gospel. We had a general good time considering our unfavorable circumstances and prospects financially.

A DESPERATE COUNTERFEIT-ATTEMPTS TO KILL TWO OFFICERS

at him to stop and then shot at him. The fugitive turned into Stevenson Street and ran along that thoroughfare to Willow avenue and from there turned into Mission street. At the corner of Sixteenth street his wind was exhausted and he turned around, and, taking deliberate aim, fired at Janes. The bullet whizzed past his head and he closed in on the desperate man. They scuffiled and at length fell to the sidewalk. While they were rolling around Barraca once more attempted to kill the officer by shooting at him. The bullet passed along the front of Janes' vest and cut it, but did not do any further injury. Officer Casey then arrived on the scene, having been attracted by the sound of the shooting. Barraca was then handcuffed behind his back and taken to the city prison, where he was locked up on two charges of assault to murder, one for shooting Gibson and the other for shooting at officer Janes.

Barraca was arrested last November for passing counterfeit money, but he managed to defeat the charge. He claims to live on the San Bruno road and says that he is a chicken dealer. No counterfeit money was found in his possession, but it is supposed that he

Gibson was conveyed to the receiving hospital, where he was attended by Police Surgeon Dennis. It was found that the builet had entered on the inner side of the right hip and had passed out through the buttock, two inches below the spinal column. The wound is not considered to be dangerous. He was afterwards removed to his home, at 2731 Howard street.—San Francisco Chronicle, July 4th.
