Rheumatism Thoroughly Cured by Dr. Williams' Pink Pills for Pale People.

There is one remedy that will cure rheumatism in any of its forms and so thoroughly eradicate the disease from the system that the cure is permanent. This remedy is Dr. Williams' Pink Pills for Pale People, and the proof of the statement is found in the experience of Mr. R. S. Wagar, of No. 72 Academy street, Watertown, N. Y. He says:

"The pain was in my joints and my sufferings for over two years was beyond description. There was an intense pain in my shoulders that prevented me from sleeping and I would get up and walk the floor at night. When I began taking Dr. Williams' Pink Pills the improvement was gradual, but by the time I had taken four boxes I was entirely cured, and I have not had the slightest touch of rheumatism since that time."

Mr. Wagar's wife is also enthusiastic in her endorsement of Dr. Williams' Pink Pills. She says: "I have tried the pills myself for stomach trouble and have experienced great relief from their use. My daughter, Mrs. Atwood, of Gill street, Watertown, has used them for female weakness and was much benefited by them. I regard Dr. Williams' Pink Pills for Pale People as an extremely valuable family medicine."

Dr. Williams' Pink Pills cured Mr. Wagar by driving the rheumatism poison out of his blood. As shown by the experience of Mr. Wagar's wife, they also drive out the germs of other diseases, and build up the blood to carry healing, health and strength to every organ of the body. Dr. Williams' Pink Pills have cured the worst cases of bloodlessness, indigestion, influenza, headaches, backaches, lumbago, sciatica, neuralgia, nervousness, spinal weakness, and the special ailments of girls and women whose blood supply becomes weak, scanty or irregular. The genuine Dr. Williams' Pink Pills are safe as well as effective, as they are guaranteed to be free from opiates or any harmful drugs and cannot injure the most delicate system. If anyone tries to sell substitutes to you, write for the genuine to the Dr. Williams' Medicine Co., Schenectady, N. Y. Sent postpaid on receipt of price, 50 cents per box, six boxes for \$2.50.
