The months when our need of help from medicine is greater than at any other time of year.
The months when Hood's Sarsaparilla will do us the most good because we are all now especially susceptible to benefit from this medicine.
The months when Hood's Sarsaparilla is taken by the millions because they have found that it is the medicine which does them good.
The months when you should take Hood's Sarsaparilla, because it will purly, vitable and enrich your blood, and put you in good condition to resist the debilining effects of changeable, warmer weather. Try it now.
