TRUTH AND LIBERTY.

## REPRESENTATIVE WOMEN FROM ALL SECTIONS PROCLAIM PE-RU-NA OF SPECIAL BENEFIT FOR CATARRHAL AILMENTS PECULIAR TO THEIR SEX.

NOTABLE CURES THAT ARE THE TALK OF THEIR LOCALITY.

### FEMALE WEAKNESS IS PELVIC CATARRH.

Always Half Sick Are the Women Who Have Pelvic Catarrh.

Catarrh of any organ, if allowed to progress, will affect the whole body. Catarrh without nervousness is very rare, but pelvic catarrh and nervousness go hand in hand. What is so distressing a sight as a poor half-sick, nervous woman, suffering from the many almost unbearable symptoms of pelvic catarrh? She does not consider herself ill enough to go to bed, but she is far from being able to do her work without the greatest exhaustion. This is a very common sight and is almost always due to pelvic catarrh.

It is worse than foolish for so many women to suffer year after year with a disease that can be permanently cured. Peruna cures catarrh permanently. It cures old chronic cases as well as a slight attack, the only difference being in the length of time that it should be taken to effect a cure.

Mary F. Bartholomew, St. Francisville, Ill., says: "About twelve years ago I was afflicted with female trouble (pelvic catarrh). I doctored with several skillful physicians, but kept getting worse until I became bedfast. I was in this condition about two years, under the attendance of four physicians. I got no better during this time. Finally, looking over Dr. Hartman's female book, I concluded I would write for advice. I am not sorry I did so. I owe my life to Dr. Hartman and Peruna. My friends and neighbors never expected to see me well again."—MARY F. BARTHOLOMEW.

MISS MURIEL ARMITAGE.

Miss Muriel Armitage, 38 Greenwood Ave., Detroit, Mich., district organizer of the Royal Templars of Temperance, in a recent letter says:

The Peruna Medicine Co., Columbus, O. Gentlemen:—I think that a woman naturally shrinks from making her troubles public, but restored health has meant so much to me that I feel for the sake of other suffering women it is my duty to tell what Peruna has done for me.

"I suffered for five years with irregularities, which brought on hysteria and made me a physical wreck. I tried doctors from the different schools of medicine, but without any perceptible change in my condition. In my despair I called on an old nurse, who advised me to try Peruna, and promised good results if I would persist and take it regularly. I thought this was the least I could do and procured a bottle. I knew as soon as I began taking it that it was affecting me differently from anything I had used before, and so I kept on taking it. I kept this up for six months, and steadily gained strength and health, and when I had used fifteen bottles I considered myself entirely cured. I am a grateful, happy woman today."

MISS MURIEL ARMITAGE. Peruna has cured thousands of cases of female weakness. As a rule, however, before Peruna is resorted to, several other remedies have been tried in vain. A great many of the patients have taken local treatment, submitted themselves to surgical operations, and taken all sorts of doctor's stuff, without any result. The reason of so many failures is the fact that that disease, which is peculiar to the female sex, are not commonly recognized as being caused by catarrh. These organs are lined by mucous membranes. Any mucous membrane is subject to catarrh. Catarrh of one organ is exactly the same as catarrh of any other organ. What will cure catarrh of the head will also cure catarrh of the pelvic organs. Peruna cures these cases simply because it cures the catarrh.

MISS RUTH EMERSON.

Miss Ruth Emerson, 72 Sycamore St., Buffalo, N. Y., writes:

"I suffered for two years with irregular and painful periods and Peruna cured me within six weeks. I cannot tell you how grateful I feel. Any agency which brings health and strength to the afflicted is always a welcome friend, and today the market is so filled with useless and injurious medicines that it is a pleasure to know of so reliable a medicine as you place before the public."—MISS RUTH EMERSON.

Mrs. Anna B. Fleharty, recent superintendent of the W. C. T. U. headquarters at Galesburg, Ill., was for 19 years one of the leading women there. Her husband when living, was first president of the Nebraska Wesleyan University at Lincoln, Neb.

In a letter written from 61 West Sixty-seventh St., Chicago, Ill., Mrs. Fleharty says the following in regard to Peruna: "Having lived a very active life as wife and working partner of a busy minister, my health failed me a few years ago. I lost my husband about the same time, and gradually I seemed to lose health and spirit. My daughter is a confirmed invalid, and we both felt great need of an invigorator.

"One of my neighbors advised me to try Peruna. A bottle was immediately secured and a great change took place in my daughter's as well as in my own health. Our appetites improved very greatly, the digestion seemed much helped, and restful sleep soon improved us, so that we seemed like new women.

"I would not be without Peruna for ten times its cost."—MRS. ANNA B. FLEHARTY.

MRS. ANNA B. FLEHARTY.

Mrs. Nellie Weaver, 201 S. 9th St., Philadelphia, Pa., writes: "Having heard and read of Peruna, when my system became so run down that I thought I would never regain my health, I decided to give Peruna a trial. I gained in health and strength and consider Peruna the best remedy on the market."

NELLIE WEAVER. Mrs. B. F. Ellis, Curves, Penn., writes: "I wish to add my testimony to the life saving value of your most excellent medicine, Peruna."

"I was sick with indigestion and bowel trouble, tried a good physician and many kinds of medicine, but grew worse and weaker all the while. My wife advised me to try Peruna, as it was good for so many ailments and might be beneficial to me. I sent for a bottle and I was so weak that I could not sit up in bed. After taking Peruna for two days I was able to sit up and eat anything that I wanted."

"I am now well and getting stronger and gaining in flesh every day. Thanks to Peruna, the King of Medicines."

MRS. B. F. ELLIS. Superior for Worn-Out Women. Mrs. M. Van Vranken, Chairlady of Sick Committee of Lady Standard Mutual Benefit Association of New Orleans, 821 4th St., New Orleans, La., writes:

"In connection with my official work I have repeatedly found Peruna a most reliable remedy. In cases of catarrh of the system there is nothing which will cure any quicker, and as a remedy for worn-out women it is superior to anything I know."

"It restores a mother after severe childbirth and prevents pain and irregularities in a very short time. I have found it of much value both as a preventive of colds and as a tonic when I have been feeling badly, although I never give a testimonial for anything. I make an exception in favor of Peruna, as I consider it of exceptional value."—MRS. VAN VRANKEN.

Peruna Invigorates. In all such cases Peruna is a godsend. Peruna comes to those who are unable to afford the expensive luxuries of change of scene and climate. Peruna comes to such people with refreshment, recuperation and a renewal of vigor and spirits.

Nervous Women. No nervous woman ought to neglect to give Peruna a fair trial. It is almost absolutely certain to help her, and in some cases the relief is magical. Margaret Reimer, 21 Cedars Terrace, Hot Springs, Ark., writes: "I was very much run down about a year ago and all medical treatment failed to bring the required relief and losing my system, needed I was advised to try Peruna, which I did only when everything else failed. One bottle really made an entirely different woman of me and four bottles toned up the system and restored me to perfect health. I shall always speak in the highest praise of Peruna and cheerfully recommend it to any and all in need of a tonic. With the very best wishes for your success."—Margaret Reimer.

MISS FLORENCE MURPHY.

Miss Florence Murphy, 2703 2nd Ave., Seattle, Wash., writes:

"I suffered for over a year with female trouble, and although I tried several physicians none of them seemed able to help me permanently."

"It took only a little over three bottles of Peruna to make me well and strong. I never have backache, headache or bearing down pains any more."—Miss Florence Murphy.

Mrs. Judge McAllister writes from 1217 W. 23rd St., Minneapolis, Minn., as follows: "I suffered for years with a pain in the small of the back and right side. It interfered often with my domestic and social duties and I never supposed that would be cured, as the doctor's medicine did not seem to help me any."

"I took Peruna faithfully for seven weeks and am happy indeed to be able to say that I am entirely cured. Perfect health once more is the best thing I have ever known, and thanks to Peruna I can enjoy that now."—Minnie E. McAllister.

### HOT WEATHER NERVOUS WOMEN.

Peruna Is a Catarrhal Tonic Especially Adapted to the Nervous Depression Incident to Warm Weather.

Nervousness is very common among women. This condition is due to anemic nerve centers. The nerve centers are reservoirs of nervous vitality. These centers become bloodless for want of proper nutrition. This is especially true in the warm season. Every summer a host of invalids are produced as the direct result of weak nerves.

This could be easily obviated by the use of Peruna. Peruna strikes at the root of the difficulty by correcting the digestion. Digestion furnishes nutrition for the nerve centers. Properly digested food furnishes these reservoirs of life with vitality, which leads to strong, steady nerves, and thus nourishes life.

Peruna Cannot Be Imitated.

There is no use trying to imitate Peruna. It has been tried many times by men skilled in pharmacy and chemistry, but they have always failed. The imitators of Peruna don't fool any one who has ever taken Peruna or who has ever witnessed the good results of Peruna. Peruna acts so promptly, its benefits are so lasting, and it is so sure to reach catarrh wherever located in the body, that no imitations of Peruna can succeed.

Mrs. Margaret Little, 47 Hoyt St., Brooklyn, N. Y., writes: "I have been troubled with constipation and indigestion for over a year, my complexion was ruined and I was nervous and losing flesh every day. The doctors advised that I go to a sanitarium, but a number of people advised me to try Peruna before going to that expense, and I did so. I found that the first bottle regulated my bowels, cleared my complexion, and by the time I had taken six bottles my stomach and digestion was in perfect working order and has remained so ever since."

As this was very much cheaper than going to a sanitarium, I have every reason to be grateful."—Margaret Little.

Mrs. Mary A. Engelhardt, 232 Madison St., St. Louis, Mo., writes: "I have been a hard worker all my life, and very often I need a tonic. Nothing does me so much good as Peruna. It acts like a charm and I feel like a new woman. I do all my own work and a lot of other work besides. I will give Peruna all the credit."—Mrs. Mary A. Engelhardt.

Peruna Prevented an Operation. Mrs. Minnie Steever, President Illinois Woman's Alliance, writes from 42 Delaware Place, Chicago, Ill.:

Gentlemen:—Ever since my son, now grown, was born I have suffered with some peculiar weakness of the pelvic organs which no medicine seemed to reach. "My physicians finally suggested an operation, which I was considering, when my sister asked me to try Peruna as a last resort. She had used it and been greatly helped. Peruna simply worked away my pelvic trouble, and in a few weeks the pains began to go away. I felt so much better that I kept on taking it and am now in perfect health. I give great praise to this splendid healthy and certainly advised suffering women to try it when all else fails."—Mrs. Minnie Steever.

MRS. LUCY A. CLARK.

This prominent lady writes the following letter to the Peruna Medicine Co., Columbus, O., in regard to their medicine, Peruna.

"Peruna has for some time been the only medicine I have used for myself and family. I have found it very good in cases of influenza, as it seems to throw the illness quickly and effectively out of the system. In cases of extreme weariness or frequent backache it dispels the uncomfortable feeling, and by occasional use it maintains the body in a healthy condition."—Lucy A. Clark, Postmistress, Farmington, Utah.

Mrs. Lucy A. Clark, Postmistress of Farmington, Utah, has held many prominent positions in her state. She is vice-president of the Utah State Council of Women, charter member Utah Women's Press Club, was Vice President Lady Managers of Utah Columbian Exposition, and was a delegate to National Women's Association at the convention at Washington, D. C.

Why Suffer Longer? It would be well nigh impossible to enumerate all the consequences to a woman's life which naturally result from a neglected case of pelvic catarrh. Whatever they are, there can be no doubt that in most cases it is entirely unnecessary for them to continue. An intelligent use of treatment with Peruna will, in most cases, effect an entire cure.

99 11th St., Milwaukee, Wis. "A short time ago I found my condition very serious. I had headaches, pains in the back and frequent dizzy spells, which grew worse every month. I tried two remedies before Peruna, and was discouraged when I took the first dose, but my courage soon returned. In less than two months my health was restored."—MRS. M. BRICKNER.

MISS LOUISE BERTSEL.

Mrs. Eva Bartho, 123 E. 12th St., New York City, N. Y., writes:

"I suffered for three years with female weakness and ulceration of the parts. The doctor advocated an operation, which I dreaded very much, and strongly objected to go under it. Now I am a changed woman. Peruna cured me; it took nine bottles, but I felt so much improved I kept taking it, as I dreaded an operation so much. I am today in perfect health and have not felt so well for 15 years."—Mrs. Eva Bartho.

Miss Mamie Powell, Lake Charles, La., writes:

"I sincerely believe that Peruna is woman's best friend, for it has certainly been that to me. I had had headaches, backaches and other aches every month for a long time, but shortly after I began taking Peruna this was a thing of the past and I have good reason to be grateful. I take a bottle every spring and fall now, and that keeps my health perfect and I certainly am more robust now than I have been before and am weighing more. I do not think any one will be disappointed in the results obtained from the use of Peruna."—Miss Mamie Powell.

Mrs. E. L. Brown, 329 Elliott St., Memphis, Tenn., writes:

"I suffered for several years with headache, brought on by nervous prostration. I was also afflicted with insomnia. I would get up in the morning more weary than when I retired and used to dread the approach of night. Peruna came into my home as a welcome guest, and within three short months I was like another woman. I have now enjoyed perfect health for over a year, and those who have suffered as I did will know how happy I am."—Mrs. E. L. Brown.

MRS. M. BRICKNER.

Dr. Hartman receives many letters from suffering women who have been cured of some catarrhal derangement by the use of Peruna. The following letter speaks for itself:

The Peruna Medicine Co., Columbus, O. Gentlemen:—My health was excellent until about six months ago when I seemed to have a collapse from over-doing socially and the doctor ordered an entire change of scene and climate. As this was an absolute impossibility at this time, I had to try and regain my health in another way and was induced by a friend who gave Peruna such a good recommendation to try Peruna. I cannot tell you the condition of my nerves when I began to use it. The least noise irritated me and I felt life was not worth living, but Peruna soon changed me into a well woman and now I do not know I have nerves."

Julius Bertel, 194 2nd St., Brooklyn, N. Y.

What used to be called female diseases by the medical profession is now called pelvic catarrh. It has been found by experience that catarrhal diseases of the pelvic organs are the cause of most cases of female disease.

Dr. Hartman was among the first of America's great physicians to make this discovery. For 40 years he has been treating diseases peculiar to women, and long ago he reached the conclusion that a woman entirely free from catarrhal affection of these organs would not be subject to female disease. He therefore began using Peruna for these cases and found it so admirably adapted to their permanent cure that Peruna has now become the most famous remedy for female diseases ever known.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of the Hartman Sanitarium, Columbus, O.
