Pathick's New Calcular Stys They mount to \$02,200,500 From Summore Solve a

This was a good day on the stock of Johangs and eales were quite nonmicrose attituding most of these cares aftering most of these cares aftering most of these cares aftering in the care is the instance in the day's trainfer having been negotiated directly after the call. Figures, it is the main, were attent, aimough some few abodes showers is alimit to desire the stock of the compared with the quotations of yesterday. The brakes were quite loth to leave the pil, and after the regular modus operand, they wrented with the siness at maidon and effected evental edict.

Another was featureless but Ajex showed agreeding strongs. The sands was belief at 25 cents, the saining figure, and at the class stood as as effecting at 90 cents. Button likely mained skitchings, white Daly West was stronger to the offerings, but eligibly weater in the bidding at local, with no offerings at but for at 10 cents, with no offering at sing fluore, and Four Aces was sistinging at 25 cents asked, with 17 cents that Alexon advanced in \$7.50 for the stock, this shutting off 1.50 for the electric stock was not said. Manmoth was prainstrong, being freely did for at \$2.75, which believes wanted \$2.00 for the electric stock with a desired stock were in a skitt que profitm.

The united stocks struck a popular chood and securious the totals of the day's buttering littless belocks were in a skitt que profitm.
