SUDDEN DEATH OF
MRS. JOHN MANNING

Veteran of 77 Answers Unexpected Summons at Her Residence in Slaterville.

SCHOOLS REQUIRE \$113,500

For the Year 1905-06—Suits at Law—Rapp-Griffin Nuptials—Briefs And Personals.

Ogden, Utah, April 28.—Death came very unexpectedly at 3 o'clock yesterday morning to Mrs. Phoebe S. Manning, wife of John Manning, at the family residence in Slaterville, Weber county. Although Mrs. Manning had arrived at the ripe age of 77 years, she enjoyed comparatively good health. Thursday evening she ate a hearty supper and retired at the usual hour making no complaints of feeling any way distressed. At about midnight she was awakened with severe pains through her back. Her husband awoke also her daughter, and they did all possible to relieve the pains, but their efforts were of no avail, and she expired at 3 o'clock.

Mrs. Manning was born at Nottingham, England, April 14, 1828. At the age of 20 she married the "Mormon" missionaries, and she remained faithful to her religious convictions to the end. Twenty-five years ago she emigrated to Utah and has resided here ever since. She is the mother of a large posterity, having had 16 children, 12 of whom, with her aged husband and many grandchildren survive here. Her husband, John W. Manning, died at Slaterville, Utah, on May 1, 1904, and the time and place of funeral will not be arranged until they are heard from.

SCHOOLS REQUIRE \$113,500.
At the regular meeting of the board of education last evening the finance committee submitted the estimate for the amount of money it will require to run the public schools of Ogden during the coming school year of 1905-06. They estimate that it will cost \$113,500 to run the schools, of which amount \$47,000 will be for maintenance, \$10,000 for new buildings and \$56,500 for interest. This amount will be raised from taxation and other sources.

The board decided to hold teachers' examination commencing Aug. 28, and to hold the examination in favor of D. H. Perry in an action brought by D. H. Perry against the plaintiff in this action for the sum of \$9,410.63 and interest thereon. That no part of said judgment was paid except \$74.60, wherefore plaintiffs demanded judgment against the defendants in the sum of \$9,410.63, together with interest thereon at the rate of 8 per cent per annum from April 14, 1896.

SUIT TO QUIET TITLE.
This was filed in the Second district court by J. W. Abbott vs. John W. Shaw et al., to quiet title to a piece of land situated on Washington avenue. The complaint alleges that the plaintiff is owner of the land and has paid all taxes on the same since 1892. The defendants claim to have an interest in the said land. Wherefore plaintiffs pray that the defendants be required to appear and defend against their alleged title to the land and that the court decree to plaintiff a clear title.

SUIT ON REAL ESTATE.
J. J. Bennett, as trustee in bankruptcy, has filed a suit in the Second district court against E. R. Shaw and Sarah J. Shaw. The complaint alleges that March 23, 1905, the defendant E. R. Shaw, was by the referee in bankruptcy adjudged a bankrupt, leaving a large list of creditors, among them being Sidney Stevens. It is alleged that Mr. Shaw fraudulently transferred to his wife, Sarah J. Shaw, parts of sections 29 and 30, township 7, north 10th range, for the purpose of defrauding his creditors out of their amount of property, which plaintiff alleges should have never been transferred to Mrs. Shaw. Wherefore plaintiff prays that the title to the property be declared void, and that the property be given over to the trustee in bankruptcy and used to help pay the creditors of Shaw.

RAPP-GRIFFIN NUPTIALS.
A marriage license was granted by the county clerk to John W. Griffin, 27, and Miss Ethel May Rapp, 20, both of Ogden City.

BRIEFS AND PERSONALS.
W. W. Browning, the well known chicken fancier, will all probability go to Portland, Oregon, this summer to act as one of the poultry judges. The remains of Bishop Ira Nebeker of Logan arrived in Ogden last evening and were taken on to Logan on the evening train, where funeral services will be held this afternoon at 2 o'clock. Miss Ella Nebeker accompanied the remains home from California.

PROVO.
The Daily News is delivered by carrier in Provo early every evening (Sundays excepted) on the same terms as in Salt Lake—75 cents per month. All complaints, requests for change of address and payments of accounts should be made to R. J. Ponder, 222 West 2nd North Street, Provo. Advance orders for carrier work also received.

FUNERAL OF M. JORGENSEN.
Wedding bells—Death in Hospital—Insanity Board Makes Inspection.

Special Correspondence.
Provo, Utah, April 28.—The funeral services over the remains of Elder Made Jorgensen took place yesterday attended by a large number of relatives and friends. The speakers were Elders Peter Madsen, J. P. R. Johnson, Alexander Olsen, David John, Bishop O. H. Berg, Bishop George M. Smith and Bishop John Johnson. Each testified to the worthy life of the departed and his devotion to his religion, and many words of encouragement and consolation to the bereaved relatives were spoken. A large cortege followed the remains to the cemetery.

DIED IN HOSPITAL.
Frank Lewis, of Salt Lake, 47 years of age, died at the state mental hospital yesterday from general paresis. The interment took place today.

WEDDING BELLS.
The following couples have taken out marriage licenses:
Hymus Holm, 28, of Mapleton, and Christina Holm, 25, of Spanish Fork.
Hans C. Righter, Jr., 28, of Spanish Fork, and Clara Cherrington, 25, of Spanish Fork.
Joseph Baker and Beatrice Emily Cook, 18, both of Provo.
John W. Edsall, 27, and Cora Henson, 25, both of Lehi.

STATE BOARD OF INSANITY.
A special meeting of the state board of insanity was held at the mental hospital Thursday for the purpose of making a thorough inspection of the institution with a view to determine what improvements should be made in the way of building, etc. Architect Watkins was instructed to prepare plans for the new bath house, to be submitted at the regular meeting on the second Thursday in May.

GARDEN CITY NOTES.
The old people of the First ward were entertained in the ward house yesterday with a sumptuous dinner, and a fine program of songs, music, speeches and recitations.
Each of the following families has been increased by the arrival of a son:
Mrs. A. J. Bennett, of Provo, who has a son, now living on the Upper Glen, and is prospering. After coming here on this visit, he has been residing in the city, where he has returned from a mission to Colorado, and will accompany Mr. and Mrs. Bennett to Arizona.
S. H. Bennett, formerly of the Lackawanna railroad, is here with Mrs. Stinson, who is visiting relatives. Mr. Stinson is combining business with pleasure, setting some wool shipments over his road.

Sheriff Harmon brought a man by the name of Arthur Whims down from a hotel last night, to be taken to the infirmary for treatment for a severe case of pneumonia. Whims is a transient and without money; he is 26 years of age, and is a native of the town of Winchester, Ohio, has been advised of the condition of Arthur.
"Father the Beautiful Queen" was presented before a large house in the Opera house last evening. The performance of the Fifth ward juvenile choir under the direction of Prof. Boshard. The opera was greatly enjoyed, and its presentation was creditable to the young people who composed the cast, and to Prof. Boshard and those who have assisted him in training the performers. Another performance will be given this evening.

FUNERAL OF GEORGE STORY.
Missionary Departures—Considerable Damage Done by Wind.

Special Correspondence.
North Ogden, Weber Co., April 28.—The funeral services held yesterday over the remains of George Story in the North Ogden meetinghouse was the most largely attended of any held in this ward for many years. Many acquaintances from long distances were present. The services were conducted by Bishop James Ward, the music was furnished by a double quartet, composed of A. G. Bennett, Wm. M. Ellis, Chas. Ellis, Alfred Koford, Cora Ellis, Lucy Koford, Lillian Ferrin and Esther

LAKETOWN.

MOURN THE DEATH OF BISHOP

Ira Nebeker Held in High Honor—His Probable Successor.

Special Correspondence.
Laketown, Rich Co., April 28.—Word reached us over the phone yesterday that Bishop Ira Nebeker, who presided over the Laketown ward for over 35 years, ending last November, when he was honorably released therefrom, died on that morning at Los Angeles, California, where he had spent several months in the home of recuperating in health and enjoying the life which he had made of his ever busy life.
The deceased was one of Utah's and Bear Lake valley's pioneers, having come to the former in 1847, and to the latter in 1852. He was widely known in the business world and his name was a synonym of sterling honesty and integrity both as a man of the world and as a man of the church. He was devoted to much of his life's energies. Bright's disease was the trouble with which he was afflicted for many years, and he was unable to do much of his usual work, bearing all with heroic Christian fortitude.

He leaves a noble family and many adherents of his faith survive here, and his death will probably be known as long as our little town shall exist.

He was truly a good servant as well as a wise, fatherly director, and while his death is a great loss to the ward, it is a happy release that the angel of death brought to him, we very sincerely sympathize with the children and relatives of the deceased, and by his death, he has been deprived of so good, pure and loving father and kinsman.

Weather hereabouts, while disagreeable to the traveling public, is very beneficial to our farming interests. Much of the wheat was sown very early this year and is coming up nicely now.

Fortunately, and occasionally a little stranger appears amongst us, the latest arrival being at the home of Percy D. Moffat.
We have had three missionaries return home during the past month, George H. Robinson from West Virginia; Willis D. Johnson, from Texas; and John W. Hutton, from each of whom we have heard in our public gatherings.

MAY BE BISHOP.
Well authenticated rumor points to Elder Robinson as the successor to the Bishopric of Ira Nebeker. To this end it is expected that the stake presidency will visit up next Sunday. The young man will without doubt have the hearty support of all. He is a native of Yorkshire, England, but has spent most of his life in Laketown, filled with the duties of the stake presidency of the 12th quorum of Seventy; always has been an energetic churchman, and in the evening of his life, he is still a man of great energy and a number of interesting speeches were made.

This morning the committee was taken over to the Saratoga Springs farm and ranch, where the government experts are raising single grain heets and also were shown through the fields of Lehi. This afternoon citizens of Pleasant Grove took a picnic in charge and they were taken to Pleasant Grove to inspect a site offered by the people of that town.

Spanish Fork, Lehi, American Fork and Pleasant Grove have offered sites of the choicest land in Utah county, worth between \$200 and \$300 per acre, and mass meetings will be held in each of these towns to appoint committees to wait on the county commissioners and request that the appropriation for this site be raised from \$5,000 to \$8,000, as each site is in the neighborhood of \$10,000. The Lehi citizens will meet in the Central schoolhouse Saturday evening for this purpose. The Pleasant Grove citizens will meet at the Lehi schoolhouse Sunday evening for the same purpose. The American Fork citizens will meet at the Lehi schoolhouse Monday evening for the same purpose. The Spanish Fork citizens will meet at the Lehi schoolhouse Tuesday evening for the same purpose.

PAYSON.
VOTE FOR HIGH SCHOOL.
People Tax Themselves Two Mills for Tax Support—Painful Accident.

Special Correspondence.
Payson, Utah, April 27.—An election was held here today to assess a tax of two mills for the purpose of raising funds to establish a free high school in Payson school district. The tax was levied on the property of the town. The ninth and tenth grades will be taught, and judging from the interest manifested this year the young people in attending the temporary high school which has been running the past season, it will be a step in advance for the cause of education in our city.
The graduating exercises of the public schools of Utah county will be held here on March 15.
The ninth grade pupils go to Spanish Fork tomorrow to contest with the eighth grade pupils of that place in athletic sports.

SH'EPSHEARING OPERATIONS

Heavy Precipitation Gives Assurance of Abundant Crops.

Special Correspondence.
Fountain Green, Sanpete Co., April 26.—Sheep shearing is now going on. Shearing began at Waterhollow, five miles north of here, on the 17th, but the work has made no progress, owing to the unsettled weather. It is expected that 50,000 to 60,000 sheep will be shorn here. The wool has recently been sold for 10 cents per pound. We have had more rain and snow during the months of March and

CITY COUNCIL MEETING.

Tuesday evening the city council met, transacting the following business:
The clerk was instructed to write to the Board of Street Commissioners, the pairing of Hanover avenue, a street running north from Seventeenth South, informing him that the city has no title to the land on which the street is to be laid, and that the street cannot be laid until the title is accepted.
It also instructed the city marshal to

MURRAY DEPARTMENT.

The "News" is delivered in Murray and vicinity from the branch office every night. J. B. Bannock, Branch Manager. Orders for Church Works and advertisements received. Telephone: Office, 15; residence, 35-A Independent.

On April 22, a suit was entered against Mary A. Lindberg by Joseph H. Jacobson, of the Lehi Stake, for the purpose of obtaining the residence of the shape of a dog and chicken ranch, at Third East between Fourteenth and Fifteenth South. Defendant was fined \$10.

About a month ago the same charge was brought against Mr. Lindberg, but he proved to the court he was the owner of no property whatever, and was discharged.

Monday about 8:30 p. m. as Mr. McHenry was traveling toward the city, driving a pair of horses, and going at a pretty high rate of speed, he ran into a gentleman in a cart coming from the opposite direction, breaking a shaft, and throwing the younger gentleman from the cart. The reason for this was due to the fact that the cart instead of turning to the right, as it should have done, turned to the left, allowing the team to plunge right into

the horses were excited and floundered about in a careless manner, and if it had not been for the good management of Mr. McHenry, the damage might have been done. The horses were finally quieted, the cart repaired, and the two gentlemen from Jordan were on their way once more only to come in contact with something more serious. A few minutes later an automobile came dashing along within a foot of the horse, causing it to become frantic, and with one leap threw the young man from the cart. He called to his friend to jump, but the old man held on for another half mile, when he was thrown out, bruising him pretty severely. The cart and horse were sent across the fields, leaving the two comrades to walk home.

FIRE EXTINGUISHERS.
The decision of the council was to have six double boxes with a glass door on one side—which can be easily broken in case of fire—placed along the street. The town of Lehi has a number of these extinguishers at 12 1/2 cents each.

Marshall Mauss was instructed to see that O. Sanders & Co. and Lorenzo Williams clean their slaughter yards, and that they be kept clean and free from refuse, to place them under arrest. The clerk was instructed to have 100 books of city ordinances printed, accepting the most reasonable price for printing the same.

PARADISE.

MISSIONARY RECEPTIONS

In Honor of Elders Parley Lofthouse and John H. Gibbs.

Special Correspondence.
Paradise, Cache Co., April 24.—Friday night, April 22, a reception was given by the ward of Elder John H. Gibbs, who is about to depart on a mission to the central states. Elder Gibbs goes with the best wishes of the people of Paradise, and a large number of friends for the departing Elder by the ward.

About two weeks ago a similar amount was presented to Elder Parley Lofthouse at a reception given in his honor. He is now on his way to fill a mission in Great Britain.

This makes five missionaries we have sent out from this ward since last July. Others are on the waiting list. The citizens raise the last four weeks have prevented the farmers from planting. The grain that was planted in March is coming up nicely, but makes a slow growth.

April 23 a match game of base ball between the married men and the single resulted in a victory for the boys of score 12 to 10. At night of same date the Hyrum Dramatic company presented a temperance drama to a good sized audience.

Alta Willes, who was injured a short time ago with a baseball is recovering nicely. It was a close call for him.

Missed the Destructive Windstorm—School Closes—Cream Shipments.

Special Correspondence.
Peterson, Morgan Co., April 26.—The destructive wind storm which did so much damage to the crops and property here, did not reach here, but we got a heavy rain storm that will retard the seedling of grain. The ranges and meadows and early sown grain are making rapid growth.

Captain Eli Whitaker, pioneer musician, reached his 75th mile stone yesterday.

The Peterson district school closes Friday, with appropriate exercises. Miss Ray Farley is getting up a new program for the occasion.

Messrs. Farley and Wold ship from 700 to 800 bushels of cream weekly to Ogden.

The baseball season has opened up at Dexter Park, on the 25th Utah and Peterson will cross here, and a grand ball follow in the evening.

FAIRFIELD.

COURSE OF STUDY COMMENCED

Arbor Day Tree Planting and Amusements—Sheep Shearing Activity.

Special Correspondence.
Fairfield, April 22.—The sentiment of the people here very much commends the Deseret News on the firm stand taken in the efforts to defend our fair state and its people against such vile traders who profess to be Christians or Americans, who are using such unchristianlike and unamerican means to create prejudice.

Arbor day was very appropriately celebrated at Fairfield. The forenoon was devoted to the planting of trees and shrubs. In the afternoon the school board and the principal, Irving L. Pratt, about 50 beautiful trees were planted, the greater number being boxelder and poplar from a Salt Lake county nursery. There were also quite a number of shrubs planted. In the afternoon the boys of the eighth grade went to Lehi where they played a game of baseball with the boys of the eighth grade of the Lehi schools, resulting in a victory for Fairfield of 11 to 9. A return game was played at Fairfield on the 23rd, with a final victory for Fairfield of 13 to 11. After the game at Fairfield a dance and supper was given in honor of the visiting players and their partners. A very enjoyable time was had at each game and conversation. Interest was shown by the people at each place where the games were played.

Fairfield has a very creditable eighth grade class, and they are doing excellent work.

There seems to be considerable business going on here at present on account of the shearing season. They are about 60 men at work at the shearing corral of Charles Flack. Between 2,500 and 4,000 sheep are being shorn.

SEVIER BRIDGE.

FINE IRRIGATION RESERVOIR

Now Under Construction by the Deseret Irrigation Company.

Special Correspondence.
Sevier Bridge, Juab Co., April 25.—The Deseret Irrigation company is at work on its dam at the crossing of the Sevier on the old Millard county road. The dam is located at the narrow place above the old bridge across the Sevier. The length of the dam is 400 feet in the bottom, and will be about 600 feet long on top, and when completed will be 60 feet high, with a crest of 40 feet on the bottom. The outlet is through a tunnel in the solid rock formation on the north side of the river. The tunnel is 45 feet long, the outlet is at the top of the dam, and is in the most substantial manner. The dam is now near the 30-foot level, where the work will rest for the present season. There is now about 100 feet of water in the depth of 17 feet covering a large area with water making the river run for about six miles with about one mile in average width. This is a large body of water and presents a beautiful sight, with the snow capped mountains perfectly mirrored in the clear water, making a scene long to be remembered. This enterprise will tend to develop the many possibilities of Millard county than anything that has taken place in the past. Every water user and land owner on the river should unite in such work, to the perfect development of this most worthy enterprise, as it will be the making of their county. The climax is all that can be desired, making it possible to produce a great variety of crops. This with the rich soils promises a great future for this part of Millard county. Negotiations are now being made with the completion of this reservoir, and then is the time for the people to turn their attention to fruit raising, for which the climate seems so well adapted.

THATCHER, IDAHO.

DEATH OF BISHOP IRA HOGAN

Valiant Church Worker Victim of Sudden Attack of Pneumonia.

Special Correspondence.
Thatcher, Blaine Co., Ida., April 22.—Bishop Ira Hogan of this place died on the 16th day of this month at Soda Springs, Ida. He was president of the Idaho Stake, and was a native of Iowa. He was a man of great energy and a number of interesting speeches were made.

His remains were brought back to his home in Thatcher, where services were held Wednesday, from the new chapel, which he has been the leader in building. Fitting remarks were made by President Wm. H. Mendelshon, Elders Parley Nelson, President B. A. Henderson, and others. The funeral was held on the 18th at 10 o'clock. Bishop Hogan was a man of great energy and a number of interesting speeches were made.

BYRON, WYOMING.

NEW TOWNSHIP IN BIG HORN.

Enterprise of Elk Canal Co.—Town of Center Laid Out.

Special Correspondence.
Byron, Big Horn Co., Wyo., April 22.—Last Thursday was a great day for the stockholders of the Elk Canal company. The new township of Center by the river bridge, four miles south of Garland, was visited and the stockholders met at the home of Mr. Thompson, and with our honored president, Byron Sessions, and Stake Clerk Ed. Thomas, to select the public square and a lot for schoolhouse and titling yard. Ten lots were reserved for building sites. The township embraces some 200 acres. The streets are six rods wide, and the building lots are 14 rods square, four lots will be one of the coming towns of the Big Horn basin.

Some 40 lots were taken by the stockholders last Thursday, and almost every one of them by the head of a family. The town of Center is on the Shoshone river, and there is every probability that the Elk & M. railroad will cross the river at this point.

The Elk creek is about 400 feet in length and will water about 4,000 acres of land. The Lovell Irrigation company has filed an enlargement and extension on the canal and sold company will water some 1,000 acres of land. Peter Shirts is president, Nels Asher vice president, and Wm. Blackburn secretary and treasurer, and J. J. Smith, H. S. Shumway, J. K. Lundberg, and E. N. Wright are directors of the Elk Canal company. The company was incorporated in 1904 and deserves great credit for what it has accomplished so far. It will be one of the coming towns of the Big Horn basin.

A number of the settlers are settling out from their place, and a general spirit of activity is manifest. The work of building up this country, as commenced by our beloved and revered Apostle A. O. Woodruff, is bearing good fruit. His name is ever on the hearts and tongues of all. And thousands will yet live to bless his name for the work he commenced in the Big Horn basin of Wyoming. This is the country for the poor man, and we need more of our people out here to take up the vacant land.
