Rocky Mountain Pills.

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys have resulted in the discovery, not only of many new varieties of plants, but of new species, some of which have wonderful medicinal curative properties. By continued experiment their virtues have become known—and thus from extracts of these newly discovered plants are these pills compounded.

If properly used, they will cure very many diseases, pains and aches, and are more especially valuable in DYSPEPSIA, LIVER COMPLAINTS, INDIGESTION, JAUNDICE, and all cases of FEVERS, COLDS, URINARY AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING THE BLOOD, and for many other diseases, and all cases of BILIOUSNESS and DISORDERED STOMACH.

On orders accompanied by the cash or postal order, I will send safely by mail, postpaid, 1 box Pills for 25 cents; 1 dozen boxes, $2.50; 1 gross boxes, $24.00.

J. E. JOHNSON,

d39 St. George, Utah.

FOREIGN.

GREAT BRITAIN.

Military—Gambetta's Speech.

LONDON, 22.—It is reported that Turkey will concentrate a large army in Bulgaria next month, and it is denied that Russia will mass troops in Western Russia in the Spring.

The *Times'* special, reviewing Gambetta's speech delivered in private at Aix, says the speech will force itself on the attention of all France. It is essentially an appeal for conciliation and for the programme of the moderate republicans. In the speech, which is very very long, Gambetta says that they do not want monopoly, they are too anxious to repair the losses of France to exclude any Frenchman from the task of raising up the country; they must, however, enter the republic honestly.

Mining, Coffee and Sugar Market.

The dulness in the mining line continues, but coffee has experienced a good demand, at some further advance upon Plantation. In Ceylon, according to present estimates, the crop will generally be short. More liberal shipments are reported from Rio Janeiro, which may, if continued, influence the value of ordinary qualities here. Sugar continues depressed.

Eleven Persons Killed.

Eleven persons were killed to-day by a railway collision, which took place during a blinding snow storm.

SPAIN.

Election for the Cortes, &c.

MADRID, 22.—Reports from the elections in this city for members of the Cortes indicate that the ministerialists have secured five districts, while two return a constitutionalist and a republican respectively. Many constitutionalists and republican candidates have retired from the contest. Provincial reports state that the ministerialist jority is large everywhere.

The Carlists severely bombarded San Sebastian on Thursday, some of the inhabitants were killed.

The story of the Carlist General Tristany having submitted to the Alfonsist authorities is not believed at San Sebastian; the persons who submitted were members of the Navarreze Carlists Junta.

Castellar Unsuccessful.

So far as known, only two republicans have been elected to the Cortes; Castellar was unsuccessful everywhere.

TURKEY.

Fighting.

RAGUSA, 22.—The attack of the insurgents was on the Turkish entrenched position on the hill between Ragusa and Trebinje, whither the Turks had fled after the action of the 18th. One of the breastworks was captured; the inner breastwork was gallantly defended, but was evacuated by fifty survivors during the height of the battle on Thursday, and a number of these were killed during the flight. Trebinje is completely demoralized. No troops are moving to relieve the beleaguered detachment, and the insurgents hold the road unmolested.

BRAZIL.

The Coffee Market.

RIO JANEIRO, 22.—The coffee market is quiet and prices are maintained.

CORRESPONDENCE

The Work in Sweden.

GOTHENBURG,
December 17th, 1875.

Editor Deseret News:

The missionaries called at the last October Conference arrived all in good health and spirits. We are all in our respective fields of labor. The Swedish Elders were appointed as follows—Swen Nilson, from Tooele, and John Larson, from Moroni, to labor in Scona conference, under Bro. Gustafson; John C. Sandberg to preside over Gothenburg conference; J. A. Anderson, from Ephraim City, as travelling Elder in the same; E. F. Branling to labor in Stockholm conference.

The mission in this part of the country is in a prosperous condition. Our meetings are well attended and a few are being added to our number lately. Several good young men have been called in the mission this winter, and are doing a good work. The saints are good and poor as usual, but all live in hopes of deliverance.

Stockholm Conference is increasing very rapidly, and takes the lead of the Scandinavian Mission for the present. They have twenty-two missionaries in the field, besides the local priesthood.

Seona Conference, which used to be the largest in Sweden, is now the smallest, and but a few missionaries are there at present.

Drunkenness, immorality and vice of every description are increasing fearfully amongst the lower class of the people. Although it has been a general good time for some years, hundreds of families are suffering from cold and hunger. The middle class has turned to be very religious, and is joining in masses the Methodists, Baptists, and other sects, separating themselves from the State or Lutheran Church. The upper class is drifting into infidelity very fast, and society to-day is a sad picture to behold. My belief is that thousands of this nation will embrace the gospel.

Yours truly,
JOHN C. SANDBERG.

AGENTS WANTED!

To sell the New Patent Improved EYE CUPS.

Guaranteed to be the best paying business offered to Agents by any House. An easy and pleasant employment.

The value of the celebrated new *Patent Improved Eye Cups* for the restoration of sight breaks out and blazes in the evidences of over 6,000 genuine testimonials of cures, and recommended by more than one thousand of our best physicians in their practice.

The Patent Eye Cups are a scientific and philosophical discovery, and as ALEX R. WYETH, M. D., and Wm. BARTLEY, M. D., write, they are certainly the greatest invention of the age.

Read the following certificates:

FERGUSON STATION, LOGAN CO., KY., June 6th, 1872.

DR. J. BALL & Co., Oculists.

GENTLEMEN: Your *Patent Eye Cups* are, in my judgment, the most splendid triumph which optical science has ever achieved, but, like all great and important truths, in this or in any other branch of science and philosophy, have much to contend with from the ignorance and prejudice of a too sceptical public; but truth is mighty and will prevail, and it is only a question of time as regards their general acceptance and endorsement by all. I have in my hands certificates of persons testifying in unequivocal terms to their merits. The most prominent physicians of my county recommend your *Eye Cups*. I am, respectfully, J. A. L. BOYER.

WILLIAM BEATLEY, M. D., Salvisa, Ky., writes: "Thanks to you *for the greatest of all inventions*. My sight is fully restored by the use of your *Patent Eye Cups*, after being almost entirely blind for twenty-six years."

ALEX. R. WYETH, M. D., Atchison, Pa., writes: "After total blindness of my left eye for four years, by paralysis of the optical nerve, to my *utter astonishment* your *Patent Eye Cups* restored my eyesight permanently in three minutes."

Rev. S. B. FALKINSBURG, Minister of M. E. Church, writes: "Your *Patent Eye Cups* have restored my sight, for which I am most thankful to the Father of Mercies. By your advertisement I saw at a glance that your invaluable *Eye Cups* performed their work perfectly in accordance with physiological law; that they literally fed the eyes that were starving for nutrition. May God greatly bless you, and may your name be enshrined in the affectionate memories of multiplied thousands as one of the benefactors of your kind."

HORACE B. EURANT, M. D., says: "I sold, and effected future sales liberally. The *Patent Eye Cups*, they will make money, and make it fast, too; no small catch-penny affair, but a superb, number one, tip-top business, promises, as far as I can see, to be life-long."

Mayor E. C. ELLIS wrote us, November 16th, 1869: "I have tested the *Patent Ivory Eye Cups*, and I am satisfied they are good. I am pleased with them. *They are certainly the greatest invention of the age.*"

Hon. SCHUYLER COLFAX, late Editor of the New York *Tribune*, wrote: "Dr. J. BALL of our city, is a conscientious and responsible man, who is incapable of intentional deception or imposition."

Prof. W. MERRICK writes: "Truly, I am grateful to your noble invention. My sight is restored by your *Patent Eye Cups*. May Heaven bless and preserve you. I have been using spectacles twenty years. I am seventy-one years old. I do all my writing without glasses, and I bless the inventor of the *Patent Eye Cups* every time I take up my old steel pen.
