Races and Shows Being Arranged For State Fair This Fall.

PARTIAL PROGRAM COMPLETE

Attractive Premiums Hung Up to Tempt Owners of Fine Animals To Exhibit Them.

"Bigger and better than ever" is the st way to describe the horse events to be held during the next state fair. Oct. to 10, 1908. The "fast horse" department has been under the management of Lester D. Freed for years, and the coming exhibitions will see the same of-ficient man at the old post. The running and trotting races have not been arranged yet, but an unusually interesting program of varied events is now being worked out. Entries for the horse exhibitions on the track close sept. 30, and the program for this branch of the "fast horse" departments arrangements is complete. The big horse parade will be held at 10:30 a. m. Wednesday, Oct.

The program for this follows: ROADSTERS.

Driving team roadsters, gold medal, \$25, \$10, \$5. Gentleman's fancy driver, gold medal, \$20, \$10, \$5. Single horse driven by lady, gold medal, \$20, \$10, \$5.

CLASS II-CARRIAGE HORSES.

LAST SEASON'S SUCCESS.

LAST SEASON'S SUCCESS. Last season's attendance at the races was surprising. Never were bigger crowds seen at a local track. As much success was due to the dispatch with which all races were run as to the ex-cellent programs themselves. Both sad-dle and harness events were started at the minute scheduled for starting and no time was lost between events. Thus long and tedlous programs were done away with. The old grandstand and bleachers were filled to overflowing at all races and the advisability of en-larging the seating capacity of the track was discussed. This year will see the track in better shape than ever and Utan's horse fiest will have an oppor-tunity of having its inning, even though only once a year.

NO SOCKER GAME.

and their families will participate. A baseball game, tug-of-war, band concerts and no end of races will constitute the program, in which the old-time drilling match is sadly missing, however. There is nothing more interesting than a drilling match between four or five good teams but recently these have been dropped, probably because of the trou-ble attendant upon their arrangement.

HUMMEL IS SIGNED BY SALT LAKE TEAM Hummel, a youngster with a power-ful arm and a spit ball, has been sign-ed to play with the Salt Lake baseball team and Sponberg, another pitcher of considerable renown may play with the home team. Reports from Murray, Og-den and other league towns say good men are being found and attached to the growing line-ups. It is with deep seated joy the baseball fan watches all this, for to him it means good baseball during the coming seaton. Efficient um-pires are being sought to complete the eague. A trip down to Walker's field these afternons will be a revelation to Mr. Fan, who can't bring himself to realize Salt Lake is to have å ball team to participate in a league series with other good teams.
