The American organ announces with flambuoyant flare that there was a secret meeting of the party leaders last night at the office of State Chairman Snyder. It refers to the gathering as being a "rousing" one, though it gives only one other name in addition to that of Snyder, and that is County Chair-

It is stated further that "the machinery was put in motion" for a great campaign throughout the state, and, that it is proposed to sweep all obsta-cles before it. The Republicans are to he thrown over a precipice and dashed to pieces, and the Democrats are to be suck in midsocean with milistones about their necks. It is gravely stated that an American party ticket will be ominated in at least 14 counties of the state, and that complete organizations and campaign committees will be put to work in the near future.
