PRESS OPINIONS ON THE RESULT.

By Telegraph to the NEWS.

PRESIDENT CLEVELAND.

He Accepts the People's Dictum Philosophically.

WASHINGTON, Nov. 7.—The *Post* tomorrow will say:

The President takes the result calmly and philosophically. He talked quite freely about the returns and the increased republican vote, but expressed not the slightest regret at any action he had taken during his administration. He is willing to admit that his position on the tariff, and the decided stand he took in favor of revenue reform may have lost him many votes, but still maintains if it were to do it over again he would follow the dictates of his convictions. The President received no telegrams from the national democratic committee until late tonight. From what he has heard, however, he concedes he is defeated. He lays the blame to no one particularly and says that Hill and Tammany Hall treated him with perfect fairness, and he has no fault to find at all.

A VIRGINIA FIGHT.

WASHINGTON, Nov. 7.—A special to the *Post* from Norfolk, Va., says: A riot occurred in Portsmouth about 8 o'clock tonight between whites and blacks. Four hundred negroes marched down Eighth Street, the principal thoroughfare in the city, singing, "Hang Grover Cleveland on a sour apple tree." At the corner of Dinwoodey Street a large party of white men were congregated, and a white boy and a negro had a scuffle. The negroes came to the rescue of their comrade, and were charged by the whites. Hardly had the fight commenced before shots were fired by the negroes. Then the wildest excitement prevailed, and after about forty shots had been fired the negroes retreated. The whites then discovered that toree of their men had been wounded. Samuel Oust was shot in the leg, James Mahoney in the abdomen, and John Reiger in the eye. The two latter are probably fatally wounded. Immediately after the riot, and after the negroes had retreated, the whites began arming themselves. Everybody is now armed. Mayor Baird has called out the Old Dominion Guard, and 150 special policemen have been sworn in. The excitement is intense, and the negroes are reported forming just outside the city. Another outbreak is feared. A detachment of guards will be sent to disperse the mob of negroes.

A JUDGE KILLED.

SANTA FE, N. M., Nov. 7.—A report from Valencia county says there was trouble between republican and democratic judges of election at San Rafael over an attempt to secure the poll books, and T. Provencho, one of the judges and an old-time citizen, was shot and instantly killed by the attacking party, who immediately afterwards escaped to the mountains.

Harrison Cheerful.

INDIANAPOLIS, Nov. 7.—General Harrison spent the evening in his library receiving election bulletins over a private wire. During the afternoon a number of friends and neighbors dropped in to offer congratulations. The rainy weather has been a great safeguard to the General, preventing noisy demonstrations around his residence. He was in a very cheerful frame of mind tonight, reading the bulletins complacently and explaining from time to time to a little group the significance of this or that bulletin or statement. Among his callers were Judge Wm. A. Woods and wife and Mr. C. W. Fairbanks. John S. Harrison, of Kansas City, the General's only brother, arrived this morning and was among the guests. All the members of the family were in and out of the library during the evening, as were Mrs. Harrison's guests, Mrs. Brown of West Virginia and Miss Strickle of Dayton, Ohio. About 11 o'clock the ladies retired, and it was not a great while thereafter until the General did likewise, leaving his son and Mr. McKee to sit up for late returns. Some nine hundred and fifty precincts had been heard from up to that time, and these being one-half the state, the General figured a few moments on this bulletin, and stated with some degree of satisfaction that an average net gain of about 6% votes to the precinct was being maintained. At this rate General Harrison's plurality will be in the vicinity of 6000.

Election Echoes.

INDIANAPOLIS, Nov. 7.—The following dispatch was received from Chicago:

CHICAGO, Nov. 7.—*Hon. Benj. Harrison, Indianapolis, Indiana:*—Congratulations upon your election. Chicago is proud of the fact that her great auditorium was dedicated by the nomination of our country's next president. FERD. W. PECK.

BRIBERY.

DES MOINES, Nov. 7.—The Sheriff of Adams County arrived here today with a warrant for the arrest of E. H. Hunter, chairman of the Democratic State Central Committee, on a charge of bribery. A democrat was arrested at Corning, Hunter's home, yesterday, on a charge of repeating. He admitted that he voted in two different townships, but made an affidavit that he voted a second time at the instigation of Hunter, who gave him $2 for doing so. The sheriff was unable to find Hunter. He had skipped out of town, leaving word that he had gone to Chicago.

NEW YORK, Nov. 7.—An incident of the local fight was the holding of Assemblyman Charles Smith, republican, in $2000 bail by the United States Commissioner, charged with attempting to prevent voters from freely exercising their franchise. Mr. Smith heard of the warrant and gave himself up.

Three men were held in $2000 bail each, on the charge of illegal registration, at the Jefferson Market Police court today.

Still Hanging On.

NEW YORK, Nov. 7.—The *Evening News*, dem., in a late extra, heads up its election matter thus:

"Not yet settled. Cleveland depending on Illinois and California. New York State probably republican. Connecticut and Indiana both democratic."

This matter leaded up, here follows:

The result of the election for President is still in doubt. The democrats claim Illinois, California and Nevada, which would

ELECT CLEVELAND

without New York, as the democrats have undoubtedly carried New Jersey, Connecticut and Indiana. It looks as if New York State had been carried by the republicans, as returns from the republican counties continue to pour in gains. The latest returns show Harrison's plurality to be about 9000 in this state, but many of the counties are estimated. Capt. McClellan, secretary of the executive campaign committee, has telegraphed the state committees of Illinois and Wisconsin for the latest returns. Both states are still in doubt. The national committee do not concede New York to the republicans. No returns have been received to show anything more than that the state is close. Connecticut and Indiana have been won. California news is very favorable to the democrats, and in Illinois there is a firm claim for the democratic presidential and gubernatorial tickets.

A ROSEATE VIEW.

SAN FRANCISCO, Nov. 7.—The *Examiner* extra claims Indiana is surely democratic, has hopes of Illinois and publishes this telegram received by W. D. English:

New York is safe and there is no doubt that Cleveland is elected. The republicans still claim the election of Harrison.

NOT CHANGED.

CHICAGO, Nov. 7.—The situation is unchanged. New York is strongly claimed by the republicans, New Jersey is conceded to the democrats, and Connecticut and West Virginia are claimed by both parties. The indications are that Indiana has gone republican. Iowa, Minnesota and Wisconsin will be republican beyond doubt. Illinois shows 20,000 majority for Harrison.

NEW YORK, Nov. 7.—The *Sun* this morning will say that Harrison has 11,762 plurality in New York State and that Hill has 18,952. It says that the next House of Representatives will be so evenly divided between the parties that the official count will be necessary to decide which is in the majority. Its figures show that Indiana gives Harrison a plurality of about 2,000. The Connecticut vote is democratic by 494.

MORE RETURNS.

They Keep Straggling Along.

NEW YORK.

NEW YORK, Nov. 7. — The *Tribune* this morning printed a table of electoral votes giving Cleveland 162 and Harrison 239. It says editorially:

The battle has been desperately fought and today the republican party is on its old campaign ground from which it was driven four years ago and has come to stay. The republicans lost the fight four years ago because the campaign was forced upon them as a personal one, and because it was characterized by detractions, slanders and libels. This time the battle has been fought upon principles. The democrats have faced republicanism instead of Mulliganism, issues instead of invectives, facts instead of slanders, and they have gone down before them. They have tried desperately but ineffectively to force the conflict upon side issues and personal complications, but they have been resolutely held to the merits of the contest. They have been kept squarely at the front and been whipped.

NEW JERSEY.

TRENTON, Nov. 7.—The congressional delegation of New Jersey is as follows: first district, C. R. Bergen (rep.); second district, K. James Buchanan (rep.); third district, J. Geisnheimer (dem.); fourth district, P. Fowler (dem.); fifth district, C. D. Beckwith (rep.); sixth district, Herman Leech (rep.); seventh district, Wm. McAdoo (dem.

The State Legislature will stand thus: democrats 31, republicans 27. Democratic majority on joint ballot, not including doubtful districts, five.

INDIANA.

INDIANAPOLIS, Nov. 7.—The city has been in a ferment since early this morning. Long before the hour for the resumption of bulletins, a large crowd gathered around the newspaper offices calling, "Returns! Returns!" and clamoring to know the latest from New York and Indiana. As darkness came on the crowd began to grow around the *Journal* premises, standing patiently. As the stereopticon illuminated the last returns from New York City and Kings County, confirming the previous figures, the crowd grew boisterous and hilarious, singing and cheering. In the corridors of the New Dennison the scenes of last night are being repeated upon a moderate scale. At the Bates and Grand hotels large crowds are congregated, but no demonstrations are in progress.

CONGRATULATORY TELEGRAMS

have poured in upon General Harrison since early morning, and are from all parts of the country. The press will be given access to these telegrams at such time as General Harrison thinks proper. Under the circumstances, he is not disposed to be hasty in this matter, taking the same cool but serious view of the election as he manifested in such a marked degree throughout the campaign.

It has been an anxious day for the crowd at democratic headquarters. The returns from New York have been very depressing, and all eyes were turned to Indiana. At 8 o'clock this evening the committee rooms were packed with seekers after the latest news. Chairman Jewett, Mr. Sharin, secretary of the democratic national committee, and a large corps of assistants have been busily engaged since early morning in receiving returns from various parts of the state. When the

ASSOCIATED PRESS

correspondent called this evening after supper Mr. Sharin was in charge. When asked for an expression regarding the result in Indiana, he said:

We have heard from fifty-four counties officially, and taking the figures claimed by the republicans for the rest our returns give the state to Cleveland by from 1,500 to 2,000 plurality. The republican state ticket is behind their national ticket, so that our state ticket will have a larger plurality than that. I think we have gained three and possibly four Congressmen and we have a good working majority in both branches of the legislature. Our returns are official from every county. Our committeemen send them to us as soon as they can get them exactly.

The opinions expressed among the democrats generally are varied, but a great many are conceding the state

TO THE REPUBLICANS.

At 10:30 this evening the democratic committee rooms were deserted. In the chairman's private room Mr. Jewett and three or four assistants were engaged figuring on the result on the legislative and congressional tickets. Mr. Sharin had gone home. Chairman Jewett greeted the Associated Press correspondent pleasantly and in answer to a suggestion that he might have something to say regarding the political situation in the state he said:

The indications are that the republican electors have carried the state. An official count may show differently. The probability is that we have elected a part of our state ticket. We have elected ten congressmen against four. We have a certain majority in the state senate of six and in the lower house of twenty, giving us control on joint ballot. I don't care to say about the methods by which this has been accomplished.

ILLINOIS.

CHICAGO, Nov. 7, 11 p. m.—The Associated Press has just completed the count of the Illinois gubernatorial vote and they say Fifer is elected by 7000 majority.

This city complete and the rest of Cook County, except two small townships, which it is not thought will materially change the result, give Cleveland 81, 120, Harrison 80,263, a plurality for Cleveland of 857. The county complete in 1884 gave Blaine 60,221, Cleveland 60,609, a plurality for Blaine of 8,642. As there has been no doubt that the state outside of Cook County went heavily for Harrison, though possibly by a somewhat less plurality than for Blaine in 1884, there would now appear to be no question, notwithstanding the great gain for Cleveland in Cook County, that the state is safe for Harrison.

The vote of 84 counties in Illinois, including Cook, shows pluralities for Harrison, 38,943; Cleveland, 19,363 The remaining counties in 1884 gave Blaine 5884, Cleveland 6342. Assuming that these eighteen counties, not yet fully reported give the same result as in 1884, the state will give a net plurality for Harrison of 18,912. It is safe to say, therefore, the Harrison plurality will be 19,000.

OHIO.

CINCINNATI, Nov. 7.—Returns from Ohio continue to show nearly the same ratio of democratic gain over Forker's vote of last year, when he had a plurality of something over 23,000. Indications point to a reduced plurality for Harrison. Some estimate it at 15,000 to 18,000.

Republican Congressmen are elected in the first, second, third, seventh, eighth, ninth, eleventh, twelfth, fourteenth, fifteenth, seventeenth, eighteenth, nineteenth, twentieth and twenty-first, making 15. Democrats are elected in the fourth, fifth, tenth, thirteenth and sixteenth, making five. The sixth is in doubt, both sides claiming the election.

COLUMBUS, Nov. 7.—Chairman Cappelar claims the state by 24,000 for Harrison. The democratic committee makes no claim, but says the vote on the national ticket is close. There seems no doubt that the

STATE IS REPUBLICAN

and that the republicans make a net gain of one congressman.

CINCINNATI, Nov. 7.—All the counties in Ohio have reported but four. Harrison's plurality will be between 20,000 and 21,000. The republicans gain two congressmen and lose one.

COLUMBUS, Nov. 7.—The interest in the election news continues intense. Judge Thurman had nothing to say to correspondents this evening when asked his opinion. The two state committees are receiving returns from the state and figuring up the gains and losses. The republicans are claiming a plurality of from 25,000 to 30,000 and place their estimates on more or less complete returns from about half the counties in the state. On the other hand the democratic committee says a complete or conservative estimate of the returns from 72 out of 88 counties give evidence of a gain of a little over 900, and if this erratic gain continues, which they scarcely dare hope, they will

CARRY THE STATE.

At any rate they say there is no doubt they have cut down the republican plurality to a small figure.

For Congress, the democrats say their losses balance their gains, and there is yet no certainty that they have not made a net gain. On the other hand the republicans claim a net gain of one, having lost in the tenth and gained in the seventh and twenty-first.

The democratic state committee at midnight say the returns so far show a republican plurality of only 17,000, with several of the strongest democratic counties to hear from.

The republican committee say their figures show Harrison's plurality over 20,000. No definite returns on Congressmen or the state ticket.

OREGON.

SAN FRANCISCO, Nov. 7.—Forty precincts outside of Multnomah County, give Harrison 4286, Cleveland 3431, Fisk 183 The same precincts in 1884 gave Blaine 3312, Cleveland 3292.

PENNSYLVANIA.

PHILADELPHIA, Nov. 7. — Returns from every county in the state show a plurality for Harrison of 72,948, a democratic gain of 8971 as compared with the vote for President in 1884. One republican Congressman is gained.

MINNESOTA.

ST. PAUL, Nov. 7.—There is nothing new to report from Minnesota. Marriam's majority is about 7000. Four republican Congressmen have been elected.

The *Pioneer Press* estimates Harrison's plurality at 28,000, Merriam (Rep.) for Governor, 20,000.

The *Globe* (dem.) concedes Harrison 20,000 and Merriam 10,000 plurality.

Republican congressmen are elected in all the districts in the state.

MISSOURI.

ST. LOUIS, Nov. 7.

Unofficial returns of the vote in this city show most extraordinary and altogether surprising results. Harrison's majority is over 6000. Kimball, republican, for governor, has over 10,000 and the republican city ticket ranges from 3500 to 8000. It is known that the republicans will gain three congressmen with many important points to hear from.

The democratic state committee has incomplete returns from about 50 out of 114 counties in the state, which indicate Cleveland will have a plurality of 30,000 in the state, and Francis for governor will have a plurality of 14,000. These returns embrace the vote of St. Louis, Kansas City and other large cities in the state.

Kimball seems to be running well with Francis in the state, and this evening the republican state committee are claiming his election by a safe plurality.

The democratic state committee have conceded the defeat of Clardy, dem., for congressman in the tenth district. This makes a republican gain of three congressmen in St. Louis districts.

NEBRASKA.

OMAHA, Nov. 7.—The returns from Nebraska are very meagre. Indications are that Harrison will have a plurality of about 25,000. Thayer, republican, for governor, is elected by a reduced majority. The republicans elect all their Congressmen, although the first district will be close. The democratic candidate for attorney-general is running ahead of his ticket.

Fragmentary reports come from the interior of the state; not more than half a dozen counties have sent returns even for estimate. The canvass of Omaha, Lincoln and several other towns is completed. The state is safe for 25,000 republican majority, except on governor and attorney-general. First congressional district close but it is generally conceded that Connell, republican, is elected.

NEW HAMPSHIRE.

CONCORD, Nov. 7.—Returns from all but 24 towns and wards in the state give Harrison 43,169; Cleveland 40,421; Fisk, 1552. The republicans will have 33 majority on joint ballot, being the same as in 1888.

NEVADA.

SAN FRANCISCO, Nov. 7.—Forty-two precincts in the State of Nevada out of 172 give Harrison 3147, Cleveland 2534 Three of the precincts are given incomplete and give the count only up to 2:05 o'clock. The 42 precincts in 1884, gave Blaine 3166, Cleveland 2534.

Returns from 35 precincts in Nevada give Bartine, republican, for Congress 1,984, Cassidy, democrat, 1,683.

EUREKA, Nov. 7.—Complete returns from Eureka precinct No. 1, Eureka County: Total vote cast, 239; Harrison 155, Cleveland 84, Bartine 27, Cassidy 100.

WINNEMUCCA, Nov. 8.—The majority for Cleveland is about 60 in the county. Bartine and Murphy are some ahead of their ticket.

Their Business Booming.

Probably no one thing has caused such a general revival of trade at A. C. Smith & Co's Drug Store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size $1. Every bottle warranted. 3

Epoch.

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health, to the use of the Great Alterative and Tonic. If you are troubled with any disease of Kidneys, Liver or Stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50c. and $1 per bottle at A. C. Smith & Co's Drug Store. 3

DOCTORS' BILLS.

Nearly all diseases originate from inaction of the liver, and this is especially the case with chills and fever, intermittent fevers and malarial diseases. To save doctors' bills and ward off disease take Simmons Liver Regulator, a medicine that increases in popularity every year, and has become the most popular and best endorsed medicine in the market for the cure of liver or bowel diseases.—*Telegraph*, Dubuque, Iowa.

The 'Exposition Universelle de l'art Culinaire" awarded the highest honors to Augostura Bitters as the most efficacious stimulant to excite the appetite and to keep the digestive organs in good order. Ask for the genuine article, manufactured by Dr. J. G. B. Siegert & Sons, and beware of imitations.

In 1850 "*Brown's Bronchial Troches*" were introduced, and their success as a cure for Colds, Coughs, Asthma and Bronchitis has been unparalleled.

MATTERS OF INTEREST TO

Gardeners and Farmers.

BUY NORTHERN-GROWN SEEDS. WE ARE THE PRODUCERS OF seed sold by us. They are the best in the world. They are the best for all climates. They are earlier, more hardy, vigorous and productive than those grown in lower altitudes. We keep a large stock of fresh seed and believe that we can give you satisfaction. We unhesitatingly affirm that no better seeds than those we deal in CAN BE PROCURED. Bestowing such assiduous care upon them, we feel justified in saying our seeds are UNSURPASSED in purity and quality. We do not pretend to be the "only house in the west selling NORTHERN-GROWN SEEDS," but we do claim that we have the very best seed to be had anywhere; and that has not been all over the country, for several years, in commission boxes, as we do not send out any commission boxes at all, as so many do. Ask your HOME MERCHANT for our Northern-grown Seeds. OUR PRICES are as low as reliable stocks can be sold at and afford a fair remuneration for the expense and labor attending the proper conduct of the seed business. We ask a trial order from all who have not used our seeds. Write for circulars. Address all correspondence to the UTAH NURSERY CO., General Western Agency, Salt Lake City, Utah.
