arter the norses, and brought to the camp. I saked Welcome it if he was going down to the celebration, but he didn't want to go, so I

Our Idaho neighbors do not like the idea of their climate being described as too Greenlandish. The Blackfoot Register says: The Ogden papers of last Saturday contained an item saying that the thermometer indicated 4 degrees below zero in did. He gave me an under and an Blackfoot on Friday night. Where overshirt which Welcome took from future home. Blackfoot on Friday and they were 28 despress out of the way. Twenty-four allove zero was the way it stood.

Butte Montana, is a very lively with the new one. I stopped at the barn, got my tlankets and followed him. At Warship, Welcome sold Mr. Reynolds some grain. Continuations of the stopped at the barn, got my tlankets and followed him. At Warship, Welcome sold Mr. Reynolds some grain. Continuations of the stopped at th

ing on our way, we stopped at the large rack spoken of. The bed was made beyond the ends of the tongues. I went to bed immediately after supper: Emers in did not come till late. When retiring, I asked what smelt so, he said he thought it was some dead animal. I attributed it to his feet. Next morning on awaking in thirty days, unless some unexpected accident occurs. The pig 3 is at Melrose, and one wagon load has been already received. Two new reservoirs, which the Comppny has been building for some time are about finished. The dimensions of the new reservoirs are forty by

The Uinta Chieftain says: that on again. He always appeared to me Tuesday last, Henry Kerley, who is in the employ of the Hilliard Company, started out on a loaded wagon for the timber. In some way he lost his balance and slid off a pile of sacks, and striking his left arm on the edge of a constant of the striking his left arm on the edge of a constant of the sacks, and striking his left arm on the edge of a constant of the sacks, and striking his left arm on the edge of a constant of the sacks, and striking his left arm on the edge of a constant of the sacks, and striking his left arm on the edge of a constant of the sacks, and striking his left arm on the edge of a constant of the sacks, and striking his left arm on the edge of a constant of the sacks, and striking his left arm on the edge of a constant of the sacks, and striking his left arm on the edge of the sacks, and striking his left arm on the edge of the sacks, and striking his left arm on the edge of the sacks, and striking his left arm on the edge of the sacks, and striking his left arm on the edge of the sacks, and striking his left arm on the edge of the sacks, and striking his left arm on the edge of the sacks, and striking his left arm on the edge of the sacks, and striking his left arm on the edge of the sacks, and striking his left arm on the edge of the sacks, and the sacks are sacks and sacks are sacked as the sacked as t orrhage was temporarily stopped by twisting a cord around the arm, and he was taken to Evanston on the first train where Dr. W. A. Hocker dress ed the wound in proper shape.

LOCAL AND OTHER MATTERS.

Recovering.—The boyJohn Beck, of Lehi, who was accidentally shot in the leg by another lad, a few days since, and who was taken to St. Mary's Hospital, is doing nicely. It is probable that he will be able to walk within about three weeks. So we learn from the boy's father.

Departure. — This morning the following mir sionaries left for Great Britain: Orson F. Whitney and Joseph W. McMurria, of Salt Lake City; John T. Righ, of Grantsville, and Salt Lake City; John T. Righ, of Grantsville, and myself Moore, to whom I surrender of the salt Lake City. and John Pickett, of Tocele. A Henry Webster, the youth men tioned by defendent, tratified to sec ing Welcome give Emerson a coat and John Pickett, of Tocele. A Ivell and God ar end.

C. B. & Q .- peaking of the Chienge, Burlington and Quincy R. R., which is the anticipated eastern was possible he could have gone out without my seeing him.

Defendant's attorneys read three
sfildavits, in which Pat Egan, G.o.,
Roach and John Moring t stiffed ty outlet for the Denver & Rlo Grande.

This road has been pushing rapidly forward its extension to Denver, and within two weeks has graded twen ty-five miles from Indianola, Kan and. It has now about 100 miles with him to under grade. The distance from Indianola to Denver is only 240. The process miles, which will to completed in s few months, and the road will tegin torun trains and take busine's f soon as the last rail is laid.

Deseret Museum .- The Curator trial. returns thanks to Director T. W. Powell, Geological Survey, for geological report for 1880, published under the direction of the Honorable Clarenca King. Also to Miss A. Crane, 11, Wellington Villas, Brighton, England, for works on brachic poda; etc. A specimen of amblystoma has been received by post from "Clarke's" Nebraska, but no letter concerning it. This salamander greatly recembles the "mud-E. D.
