LOCAL AND OTHER MATTERS.

Grading.—The sidewalk east of this office is being nicely graveled. Keep the good work going.

In Limbo Again.—Thos. Elsmore, the old man who was convicted of stealing some cups and saucers of Z. C. M. I. some time ago, and has but recently worked out a term of 20 days for that offense was arrested last night for drunkenness and this morning fined $10. Committed for 10 days.

Arrested for Fighting.—Two young boys were arrested by the police this morning for fighting. A man named Decker was also brought in at the same time, drunk, and charged with inciting the youths to engage in hostilities. The hearing was postponed until to-morrow, at 11 a. m., to allow Decker to become sober enough to testify.

Write Your Full Name. — Correspondents to the NEWS, who wish their communications to appear, or receive due attention, must furnish us with their full names. It is against the rules of this office to publish any article when merely the initials, a *nom de plume*, or any signature but the writer's name, comes along with his article. Please remember this.

Fifty Dollars Each.—J. Hogan and W. G. Campbell, the two men who figured so prominently yesterday forenoon, in the pistol and razor fracas, on Main Street, were arraigned before the police magistrate last evening, and fined $50 dollars each for the fun they had had. Hogan denied shooting at Campbell, and it was shown that such could not have been the case, as Campbell was no where near Hogan when he fired. Campbell claims that he thought he was shot at, and drew the razor from his pocket to defend himself. Both men were under the influence of liquor when arrested, and even in the court room it was evident that whisky had had a great deal to do with the actions of both in the matter.

Funeral Services.—The services over the remains of Sister Margarets G. Lienhard, took place this morning at 10 o'clock, in the 18th Ward Meeting House. The music was furnished by a choir selected from the brethren and sisters of the German and Swiss Saints, of whom quite a number were also present in the congregation. The speakers were Counselor Robert Patrick and Bishop O. F. Whitney, of the presidency of the Ward, and Elder Henry Riser, president of the Swiss and German meetings of this city. The last named speaker followed the others, interpreted their remarks for the people of his own nationality, and administered other words of consolation to the bereaved friends and relatives. Counselor Wm. B. Barton pronounced the benediction.

"Junction" Jots.—The 15 puzzle nuisance has not attacked the town as violently as was expected.

A large drove of stock passed through Ogden to-day. The cold weather has not, evidently, disposed of all the bovines in the country.

The work of excavating under the stage of the Ogden Theatre is nearly completed, and the flooring, lining, partitions, etc., will soon be put in. It is the intention to have some well-appointed and commodious dressing-rooms and a large green-room under the stage; besides which machinery for operating trap doors, etc., will be put in.

Some gentlemen connected with the *Junction* establishment are about to publish a modest literary work. It will contain about 50 pages of attractive original reading matter, of especial interest to the young and all those who have their prosperity at heart. Subscription lists will be circulated, and it is hoped that our readers and friends will kindly support native talent and enterprise even in the field of literary production.

Beaver "Watchman" Notes.—The *Watchman* of the 17th inst., has the following:

It is claimed that the railroad will establish its terminus at Black Rock, the 20th inst. Black Rock is 20 miles from Milford.

A good many have predicted that the railroad bridges on the Sevier will be unstable after the water rises in the spring.

Owing to the severity of the weather, the charcoal burners at Frisco have not been able to deliver sufficient coal to keep all the smelters running.

Mr. James Marshal, of the Sevier River country, informs us that he has taken the hides off more than 60 head of his cattle during the winter and still they are dying. His horses though thin, he thinks will get through. None have died as yet.

The divorce suit of Allen G. Campbell vs Florence A. Campbell has been tried in the District Court of the Second Judicial District so far as the motion for alimony was concerned. Judge Boreman, on Friday last decided the motion, giving the defendant, Florence A. Campbell, $5,000 to meet the legal expenses and $200 per month *pendente lite*.

Logan "Leader" Lines.—The following are from the *Leader* of Saturday:

An infant son of H. K. Cranney, Esq., recently swallowed the lid of a small tin box, and nearly choked to death. The child's father skillfully removed the foreign substance, thus preventing any serious harm.

D. B. Lamoreaux, Esq., is improving most remarkably. The extent and intricacy of the operation recently performed on him were such as to make his speedy recovery very doubtful. But his condition is now extremely encouraging.

A man who lives on Fourth Street in Logan has got a termagant wife, who occasionally "blows him up." Recently, by a premature discharge of a blast in Logan Cañon, he was lifted several feet from the earth. There were tears in his eyes when he alighted. He said that the memories of his loved ones at home had been stirred to their depths.

Hans Neilson, the young man who was nearly sent from earth a few weeks since by the discharge of a shotgun in the hands of a companion, is now nearly convalescent. His face still resembles the lid of a pepper-box, but in all probability he will soon entirely recover from the effects.

A most deplorable event occurred on Tuesday evening last in this city. A boy aged 10 years, son of John Smith, the blacksmith, died from the effects of poison. His parents had been giving him worm seed oil in small doses; but desiring to hasten its operation, on Monday night, he took nearly or quite half a tablespoonful of the medicine without telling anybody of his act. Shortly afterward his mother gave him the usual dose. On Tuesday he became extremely ill, and in the evening, Doctor Ormsby was sent for. The doctor immediately discovered the boy's condition, but it was too late to save his life. Everything possible was done to relieve him, but at 9 o'clock he expired.

Departed This Life.—From the Scranton (Pa.) *Republican*, we learn of the death, on Tuesday the 9th inst., of Mrs. Mary Howell, the wife of Brother Esdras Howell, of Hyde Park, Luzern County, Pennsylvania. The paper referred to speaks of her as follows: "The deceased came to Scranton about 17 years ago, from Mauch Chunk, Pa. After her marriage to Mr. Howell and after the death of her mother, her house became the home of her brothers and sisters, and she received them as kindly and affectionately as any mother ever did her own children. She was a lady of bright and active intellectual powers, an easy and interesting conversationist, generous in her impulses, liberal in the gifts of the hand and in the sympathy of the heart."

The deceased was well known to many of the traveling elders of this Church, who will recall numerous acts of kindness from her hands, while staying beneath her hospitable roof. She was formerly a member of the Church and came to Utah, but returned and, we are sorry to say, afterward departed from the Faith. She was an active opponent of some of the prominent principles of the Gospel, and often bitterly expressed her opposition, but at the same time would show great kindness to the advocates of those principles.

The writer, having known her personally, can testify to the truth of the above encomium on her character.

Back to the Mire.—A man named Joseph Reynolds was up in the police court this morning, to answer a charge of drunkenness, disturbance and profanity, for which he was arrested last night. He was fined for these offences $15. When he was locked up last evening he amused himself by smashing the windows of the cell wherein he was confined. For this he was given an extra 20 days. "Joe" is a hard case. A month or two ago he was pardoned from the Penitentiary where he was serving out a term of two years, by Governor Emery, who shortened the original sentence on account of good conduct. Since then he has been up before the police justice twice for drunkenness. He was also one of the "converts" of Dr. McKenzie, the temperance orator, but, it seems, has gone back to wallow in the mire. The McKenzie Reform Club took him in hand, furnished him with new clothes and gave him a complete tonsorial outfit, as he represented that he intended to set up a barber shop. He afterwards sold some of the razors for money to get drink, and some of the implements were found on his person when he was arrested the time previous to the last.

Not Sustained.—Yesterday afternoon, a miner named Wm. Frazer came into the police court and made affidavit against a saloon keeper named John Lollin, for selling liquor on the Sabbath. He claimed to have passed through the saloon when two men, John Crane and Frank Dewey, were at the bar drinking. On his representation, requisitions were issued for the presence to-day of Messrs. Lollin, Crane and Dewey, and the case had a hearing this forenoon. Frazier claimed that about 2 o'clock last Sunday afternoon he had occasion to go through Lollin's saloon, being familiar with the place, and there saw Crane and Dewey at the counter. He passed on and after reaching the rear of the premises, looked back through a glass door and saw the men drinking and Crane paying money to the bar-keeper.

Crane and Dewey, however, testified that they were not in the saloon between the hours of ten a. m. and four p. m., on that day. The charge was not sustained against Mr. Lollin, and the case was therefore discharged.

Getting Around.—Wm. Jones, of Kaysville, the young man who was accidentally shot in the foot at Grass Mountain, last January, and who afterward had his foot amputated at St. Mary's Hospital, is getting along nicely. He was out upon the street to-day, walking with crutches, and is still an inmate of the hospital, where he is well treated.

The Runaway Season.—The runaway season is fairly booming. Something less than a dozen have been chronicled within the last three or four days. The most serious one happened on Monday, when an old gentleman named Hansen was thrown from his buggie on Second South Street, and hurt pretty badly.

An Unblemished Complexion

Is, like a sweet voice, "an excellent thing in woman." Where it does not exist naturally, it may be imparted by artificial means. "GLENN'S SULPHUR SOAP" removes all the unpleasant effects of dust and perspiration, obliterating blotches, tan and all other discolorations of the skin; more than this, it gives a healthy tint to the cheeks, and a lustrous whiteness and smoothness to the neck and arms. It is the fashionable cosmetic at the watering places, and, as science vouches for its harmlessness, no lady need be afraid to use it. Beware of counterfeits. See that "C. N. Crittenton, Proprietor," is printed on each packet, without which none is genuine. Sold by druggists at 25 cents; three cakes, 60 cents. A fitting toilet accompaniment is "HILL'S INSTANTANEOUS HAIR DYE" which changes gray or any obnoxious color to a beautiful black or brown in the space of a few minutes, and contains no mineral poison. Depot, No. 7 Sixth Avenue, New York. d eod&w

WHAT IS HAY FEVER?

This fashionable disorder is supposed to be an affection of the mucous membrane of the nose. They say that Henry's Carbolic Salve will cure it if used freely and persistently. Give it a trial. Beware of counterfeits. d eod&w

IT IS TRULY WONDERFUL

TO SEE what improvements now exist as compared with railway travel only a few years ago. To become convinced of this, one has only to select for his route East, the popular and well-known

CHICAGO & NORTHWESTERN RAILWAY.

You are landed by the Union Pacific R. R. in the Union Depot at Council Bluffs, where stands the C. and N.-W. Pacace train, composed of Pullman Hotel Cars, Pullman Sleeping Cars, elegant Day Coaches, Smoking Baggage, Postal Cars, etc., ready to convey its passengers through Iowa and Illinois, and into Chicago. Gliding smoothly along over the superb track of steel rail through thriving cities and villages, comfortably seated in this train, one scarcely discovers the high rate of speed which he is riding. Trains of this road are always on time, connections sure, and passengers seeking pleasure, comfort, safety and ease in traveling, will find the "North-Western" in excess of their expectations, and the greatest of all routes to Chicago and the East. Insist upon Ticket Agents selling you Tickets via this road; all Agents sell them. Examine your Tickets, and refuse to buy if they do not read over this Road. If you wish the best Traveling Accommodations, you will buy your Tickets by this Route, ☞ AND WILL TAKE NO OTHER. dswly

I Wish Everybody to Know.

Church, just this moment stopped in our store to say, "I wish everybody to know that I consider that both myself and wife owe our lives to Shiloh's Consumption Cure. It is having a tremendous sale over our counters and giving perfect satisfaction in all cases of Lung Disease, such as nothing else has done.
