At 4 o'clock yesterday afternoon Capt. George H. Arthur Brown, 24, a young man residing in Ogden, at the Commercial Savings bank and later employed by A. J. Green & Co., just as Brown was about to board an outgoing train. The charge that caused the young man's detention was for the forged name of his employer's names in checks signature捺ed \$2,000.

An older citizen was in the Commercial Savings bank for a long time and when he was trusted implicitly. He left this community about two weeks ago with his accounts were referred to him. He then entered the service of the Atchison, Topeka and Santa Fe railroad, where he had been engaged in the Atlas branch of his business. It is believed that this older man, who was elected state auditor in the Democratic ticket,
