

GHOSTS.

Not Col. Ingersoll's "aristocracy of the air," but real human ghosts. Ghosts that were once healthy men and women, but are now simply the "ghosts of what they once were." As we meet them, and inquire the cause of all this change, they repeat the old, old story, "a cold," "neglected cough," "catarrh," "overwork," or "dyspepsia," "liver complaint," and "constipation," with unsuccessful physicians and remedies. In offering his Golden Medical Discovery and Pleasant Purgative Pellets for the cure of the above affections, Dr. Pierce does not recommend them as a "sure cure" in all stages. For if the lungs be half wasted away, or there be a cancerous complication, no physician or medicine can cure. The Discovery is, however, an unequalled pectoral and blood purifier. It speedily cures the most aggravated cough or cold, and in its early or middle stages, consumption. By correcting all irregularities of the stomach and liver, it readily cures blotches, pimples, scrofulous ulcers, "bunches," or tumors. Hundreds testify that it has restored their health, after eminent physicians had failed. For constipation, use the Pellets. As a local remedy for catarrh, use Dr. Sage's Catarrh Remedy. dsw

Various Causes—

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them incline it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray, light and red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brassy, weak, or sickly hair, to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil nor color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous. For sale by all dealers. dsw

THE *Millennial Star* will be mailed to any address, on receipt, by the publishers, of \$2.10. Three copies will be forwarded for \$4.20, the reduction being on account of the difference in postage. Address William Budge, 42 Islington, Liverpool, England. dswtf

ELEVATED Railroads, Lines of Stages, Places of Amusement, Depots and Steamers—all these radiate from, or are situated in, the immediate neighborhood of the Grand Central Hotel, on Broadway, New York, which is now kept on both plans, the American \$2.50 or \$3.00, and the European plan \$1.00 per day, and upwards. An elegant restaurant, at moderate prices, is conducted by the Grand Central. dsw

THE scarcity of Diamonds, Gold and Silver, and the difficulties met with in securing them, is a sure indication of their value.

Thus it is with a valuable medicine: Dr. Aug. Kaiser's Celebrated German Pulmonic Elixir, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, sweep back the ocean with a broom or put out a prairie fire with a tear.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. Its cures are truly magical. Ask your Druggist for it. The genuine bears the Prussian Coat of Arms, the facsimile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.
