BASEBALL WORLD.

The national baselall family is likely base a big quarted on its handle this solutor, as the American association, the degreest of the minor lengues, is up in orms and Sarcatening to withdraw from he mational agreement. The club own-its of that bague say they are deriving to benefits from the alliance and. In act, are thed hand and foot by being emicoded with organized basebail. I threage will be most vitally interested of the assard if it comes off, for it is is plan of the association to put a ball each and the and grounds on the ceth gide.

E. Cantilion, owner of the Minne-lis franchise of the American associa-, was outspoken in his demunciation the conditions which he claims pin league down to mere sortform. We are under protection now which

a league down to mere sortdom, "We are under protection now which now"t protect." said Mir. Cantillon. With the present conditions it is abso-tedy impossible for a club in our league-agenates are ready to band us their dia-rid physics. I for one, think we would a for better off it we cut away rros-is national arcsement and went out and with for ourselves. Then we could get gether some ball clubs mispendent of her leagues and other owners. "Hair of the physics in our league are

other leagues and other owners. "Head of the players in our bearne are really owned by major league clubs, and nobody knows when the string will be pulled and a team brillion up by the re-call of those players. Men are farmed out to our clubs and immediately want the same salaries in a minor league that they received in the big leagues. It is impossible to meet those demands, or

It's always

course, and when we are compelled to reduce their pay to minor league propor-tions the men naturally become dissatis-field and very often don't give the teams their best efforts. "Then again, the patrons in the Amart-can association cities don't like the blas of getting discarded playars all the time.

If you are a sufferer from headache, neuralgia, or pain from any cause you should read the following letter from a nurse. wenetime I have felt it my write you. I was having a twice every week for head-

CHANCE FOR AGGIES.

Logan Team to Play Game With U. of California.

California. Los Angeles, Oct. 21.—Utah Agricultural ollege of Logan, and the University of outhern California will prohabily most a the second interstate football contest. I the second interstate football contest of the second processing of the work danager Carl Hunt of the Methodist will received a communication from the "Abi manager yeatersiay, destring a game in the near future. Hunt immediately uplied favorably, and a definite answer sequenced from the college before to-nortyw. Holmes is analous for his team or play the Utah aggregation as no other is games are at present scheduled for he university with the ecception of the rolling arm Thanksgiving day, which is till open to an acceptance by the River-ties management. An occasional contest is an investive to continue the stremous mu tise.

DIRIGIBLE BALLOON RACE AT AN END.

RACE AI AN END.

St. Louis, Oct. 22.-Sailing to windward and return over a course measuring one mile and a half from the start to the most Lincoln Beachey of Toledo today won the dirightic balloon, or airship race. which marked the close of the St. Louis acronautic carnival of 1997. The prize was \$2,000. In his Beachey air-ship, a cleare-shaped machine propelled by gasoline motor, the winner covered the distance in four minutes and 40 sec-onds. Jack Dailas, in the Strobel airship a sister craft to the Beachey, won second place, with a time record of six minutes be seconds, while Captain Thomas S. Builden of New York, in the California Arrow, was third in seven minutes for second A four the competitor, the Comet, entryed by Charles Baysdorfer of Omaha and sailed by Horace Wild, did not com-net the first trial of the course, the mator breaking. The ace as finally arranged was a faurt-at-will affair, with each contestion the start again until the Arrow had made a record of 250 on its last attempt. Then the Beachey ship started on the best flight of the dus, Heading his car di-strict again until the Arrow had made a record of 250 on its last attempt the stricts degree in the guest, the hig craft, anded to the turning point, wheeled are of the first pround 7.16, and did not start again until the Arrow had made a record of 250 on its last attempt then the Beachey ship started on the best flight of the dus, Heading his car di-strict again until the Arrow had made a record of 250 on its last attempt then the beachey ship started on the best flight at the first mound came which in his own hength and came which in his own hength and came which in his who hength and came which in his have approximated be great could which had gathered to watch the onesits broke into oheers, which were proved which had gathered to watch the onesits broke into oheers, which were proved which had gathered to watch the onesits broke into oheers, which were proved which had gathered to watch the onesits broke into oheers, which were prove

grandstand. In making his last flight, Beachey met Dallas returning in the Strobel. There was an exchange of greetings in mid-air and the spectacle of two flying machines passing at full speed with propellers whirding information of the strong of the watching throngs to a high pitch of en-timation. ASSESSMENT NO. 22. THE SILVER SHIELD MINING & MILLING CO. Principal place of busi-ness Sult Lake City. Utah. Notice is hereby given that at a meeting of the Board of Directors of the above named company, held on the 9th day of Cot. 1957, assessment No. 22, of 2 cents per share, was levied on the capital stock of the corporation outstanding, payable immediately to E. H. Mead, secretary, at 54 McCornick Building, Salt Lake City. Utah. Any stock upen which this as-sessment may remain uppaid on Monday. Nov. 11, 1957, will be delinquent and ad-vertised for sale at robbie suction, and unless payment is made before, will be sold on Wedneaday. Nov. 21, 1997, at 19 a. m., at the office of the secretary, Mi McCornick Building. Balt Lake City. Utah. to pay the delinquent assessment together with cost of advertising and ox-pences of sale. E. H. MEAD, Secretary. watching throngs to a high pitch of en-thusiasm. The California Arroaw, which performed so splendidly in the trials of yesterday, did not behave so well today, and the owner and operator had some difficulty in keeping his craft on the course. His metor seemed to lack power in the face of the preity wiff wind that was blow-ing, and because of this, he abandoned on attempt to turn the goal on his sec-ond flight. Reachey and the Strobel air-ships both were more pointed at the nose than the Arrow. The Israel Ludiow aeroplane was to have given an exhibition flight attached to an automobile, but was badly damaged by coming in contact with the exposed gas pipes that were used in the inflation of the balloons contesting in the informa-tional cup taces. BALLOONISTS LAND COLD AND HUNGRY. 514 McCornick Building, Salt Lake City, <section-header><section-header><section-header> PACIFIC COAST LEAGUE. San Francisco, Oct. 21.-Portland's good fielding won today's game by a score of i to 1.
