WOMAN'S TRIUMPH.

A Severe Surgical Operation. It is Endured without taking Ether. Return of the Disease prevented.

From the Correspondence of the Kingston, N. Y. *Freeman.*

The case of Mrs. Edward Meyers, of Rondout, New York, furnishes an apt illustration of woman's power of endurance. This lady had been treated for months in the usual way for Erysipelas of the hand, without benefit. Not until her hand had become a mass of putrid flesh did she turn to Dr. David Kennedy, proprietor of the "Favorite Remedy," which is made at Rondout, N. Y.

He informed her that it was impossible to save the hand—it must be amputated. She received the terrible intelligence quietly, declined to take ether, stipulating merely to hold her husband's hand during the operation, and underwent the painful process without moving a muscle or uttering a groan. Dr. Kennedy then gave "Favorite Remedy" freely to cleanse the blood and prevent a return of the disease, and Mrs. Meyers now lives and rejoices in her great deliverance.

Dr. Kennedy's "Favorite Remedy" is fast becoming a trusted household friend in all cases of Female Weakness and diseases of the blood, Kidney and Liver complaints, and Constipation of the Bowels.

Dr. Prentice,

Recently from London, Eng.,

Whose unequaled success in the treatment of

EYE, EAR AND CATARRH

Astonishes Everyone,

Has been induced to again postpone his departure until

Sept. 1st.

The following are a few of the many cases of cross eyes Dr. Prentice has straightened in this city in less than one minute:

Geo. A. Smith, Salt Lake City.
Susie M. Shettler, Salt Lake City.
Frank J. Hocking, Salt Lake City.
Florence Peppers, Salt Lake City.
Lester Riggs, Salt Lake City.
Sarah Wilder, Salt Lake City.
Joseph McRae, Salt Lake City.
David M. Cambell, Providence, Cache County.

Catherine Bivens, eye turned outward.

P. Pugsley's grandson totally deaf in one ear, restored to hearing, and many others.

PILES.

Piles are almost instantly and painlessly cured by Dr. Prentice, and the cause forever removed.

I have been afflicted with Hemorrhoids (or Bleeding Piles) for the past twenty-five years. For several weeks past the pain has been so intense that I was forced to quit work. I found no relief either day or night, and was frequently compelled to walk the floor all night long, as it was impossible for me to sleep. In this condition I called on Dr. Prentice at the Continental Hotel, who, after a painless operation of less than one minute, relieved me from all pain, and I have been able to sleep and rest well ever since.

I consider myself perfectly cured, and unsolicited offer this testimonial for the benefit of those who may be similarly afflicted. HENRY GREGORY, 149 N. West Temple Street.

Dr. Prentice can be found at the Continental Hotel, Salt Lake City, until

SEPT. 1st.

MADE HANDSOME.

Mr. B. H. Shettler, of Zion's Savings Bank, has a bright and intelligent little daughter nearly nine years old, but she has suffered the unfortunate disfigurement all her life of being badly cross-eyed. Susie M. Shettler's parents were very loath to trust any one to operate on her eyes. But they had faith enough to trust Dr. Prentice, and he has made the eyes perfectly straight, which was done in less than a minute, and Susie Shettler is now a handsome little girl, while her parents are well pleased.

JUDGE CARLTON'S LETTER.

SALT LAKE CITY, August 7, 1888.

Dear Doctor:—Before leaving for the east I wish to express my appreciation of your treatment of a complicated case of the eyes. I have tried for several years to get far-seeing glasses, and I had concluded that I could get none that would be of any benefit to me. But after I saw the wonderful benefit of your system, I take pleasure in saying that the glasses furnished by you have restored my vision both for reading and far-seeing to the same condition as in my boyhood. I resolved to have you furnish me glasses after I witnessed your system to a beautiful young lady of sixteen years, from Summit County, afflicted with a complicated condition of the eyesight. She told me she had never been able to distinguish one's face at a distance of six feet. With Dr. Prentice's glasses she could see as well as any one. As she looked up and down the street, and for the first time in her life saw the distant mountain tops, she was greatly delighted, and inquired with childish simplicity, "Do other people see this way?" It seemed that a new world was opened to her view, so novel and beautiful as "Eden's rosy bowers," appeared to our first parents.

Yours truly,
A. B. CARLTON,
Chairman Utah Commission.

EVENING NEWS.

Thursday, August 23, 1888.

TELEGRAPHIC NEWS.

Continued from First Page.]

Storm at Boston.

BOSTON, Aug. 22.—It is difficult to estimate the damage caused by the disastrous rainfall of last night. A hundred cellars were flooded. Two large plants in Roxbury alone suffer an aggregate loss of $30,000. The Boston Belting Company suffered $25,000; Towers Oil Cloth works $20,000. The New York & New England Railroad is at a standstill.

Three Men Killed.

BRADFORD, Penn., Aug. 22.—During a celebration tonight in honor of Gov. Beaver, Edward Deuel was compounding a colored fire in a gas pipe. It exploded, killing him instantly. Robert Hurley, who was sitting on a piazza near him, and W. C. Curtis on the other side of the street were also killed. Half a dozen others were badly injured.

NEWS NOTES.

Items Gathered from Various Sources.

Los Angeles, Cal., August 19.—Elmer Alford, of Olive Heights, this county, was drowned at Long Beach this afternoon. He was carried out by the undertow while bathing. The deceased was 23 years old and came from Kansas recently.

Colusa, Cal., Aug. 18.—Sam Probst, nine-year-son of B. Probst of this city, while looking for a cow last night, fell off the river bank adjoining town and was drowned. His body was discovered at 5 o'clock this afternoon by an Indian diver 100 yards below where he went down.

Silverton (Or.), August 19.—Charles Smith, a farmer living three miles from Silverton, became enraged at a Chinaman working in his threshing crew Friday evening and knocked him over the head with a pitchfork handle, crushing in his skull. The victim lay unconscious until yesterday morning, when he died. No arrest has yet been made.

Butte, Mont., Aug. 19.—About midnight last night, at a slugging exhibition in a Galena Street dive, A. V. Corey, proprietor of the place, and William Doherty settled an old feud with dirk-knife and revolver. Corey was fatally stabbed, and J. F. Harrington, a spectator, was also disembowled by Doherty and died in a few hours. Corey fired several shots without effect. Doherty resisted arrest desperately, flashing his fatal knife in the face of the officers, but was finally jailed.

San Jose, Cal., Aug. 19.—P. A. Van Tassel and wife made a fizzle of the balloon ascension and parachute descension at Agricultural Park today. As soon as the bag was filled and the basket attached a large rent was made in the top of the balloon and it collapsed. The large crowd in attendance grew very indignant and a yelling mob made a rush for the ticket office. A box containing a few dollars was thrown out and the ticket sellers escaped with the rest. The mob followed Mrs. Van Tassel to her parents' home and remained in front of her place for half an hour, when it dispersed. No one was hurt.

Salem, (Or.), Aug. 19.—Last March J. C. Joseph, a well-to-do stone mason of Salem, died suddenly, and his estate, valued at $15,000, fell to his son William, aged 23 years, who was at that time a member of the Salvation Army. When he came into his property he left the army and commenced a wild course of profligacy, spending money in riotous living, drinking excessively and associating with fallen women. He has succeeded in making way with a large portion of the estate. Yesterday his uncle David W. Joseph filed a petition with the County Court asking that a guardian be appointed over his person and estate.

Seattle, W. T., Aug. 13.—Richard A. Jones, Chief Justice for Washington Territory, died suddenly at 3 o'clock this morning from dropsy of the lungs, aged 58 years. He had been suffering for a few weeks and his case was not considered serious, hence his death was unexpected. He was a native of Indiana. He went to California in 1850, returned to Minnesota, began the practice of law and attained eminence at the bar in that state. He made a speech seconding the nemination of Cleveland in the Chicago convention in 1884. He afterward removed to Portland, Or., and from there was appointed chief justice of this Territory in April, 1887, in the place of Roger A. Greene, now the prohibition candidate for delegate to Congress.

Another Railway Project.

Recent movements in the railroad field tend to confirm the belief that the Illinois Central will not only invade Nebraska, but also Wyoming and possibly Colorado. The objective point is either Ogden or Denver, with the odds in favor of the former. Articles of incorporation of the Wyoming & Eastern Railroad Company have been filed with the secretary of the Territory at Cheyenne. This is believed in well-informed quarters to be the local name of the Illinois Central. The capital stock is $10,000,000, and the length of road to be built in the Territory is 425 miles. The initial point of the road is at or near Twin Creek, on the northeastern boundary of Utah and Wyoming, where it will connect with another road to Ogden and Salt Lake City. The route designated is easterly and northwesterly through the valley of Ham's Fork, in Uintah County, the south pass, the Sweetwater and North Platte valleys to the Nebraska boundary in Sioux County. Several branches are also proposed, one southward from Independence Rock through Carbon County, and one through the Sweetwater Valley to the northern boundary of the Territory. The company is already at work on the road at the western end, and surveyors are moving eastward selecting and staking the route. The undertaking is a huge one, but the men at the head of it have ample means and will push the road as rapidly as possible. Seven hundred men are now at work on the the road. The route through Nebraska can be readily seen by a glance at the map. Between the main lines of the Elkhorn Valley and Union Pacific road is a vast unoccupied stretch of country, an empire in itself, the productive wealth of which has scarcely been touched. Here lie the counties of Sioux, Box, Butte, Grant, Blaine, Thomas, Loup, Garfield, Wheeler, Madison, Stanton, Cumming and Burt, presenting an unexcelled field for railroad enterprise. The eastern counties are well settled and support hundreds of thriving communities, while the central and western counties are in the infancy of development. They have been retarded by lack of facilities for reaching markets, but the growing and gathered crops, the herds of live stock and the increase of population which will naturally follow, insure profitable returns to the first railroad in the field. Crossing the river at Ohawa, the route indicated to the mountains would be an air line, and would lead rival lines a lively race for overland traffic.—*Omaha Herald.*

Is Consumption Incurable?

Read the following: Mr. C. H. Morris, Newark, Ark., says: "Was down with Abscess of Lungs, and friends and physicians pronounced me an Incurable Consumptive. Began taking Dr. King's New Discovery for Consumption, am now on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made."

Jesse Middlewart, Decatur, Ohio, says: "Had it not been for Dr. King's New Discovery for Consumption I would have died of Lung Troubles. Was given up by doctors. Am now in best of health." Try it. Sample bottles free at A. C. Smith & Co's Drug Store. (5)

Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray,

Ayer's Hair Vigor will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmittou, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.
