**THEY BUILD UP UTAH** and are entitled to the support of the people. By dealing with the merchants who give preference to the sale of Home Made goods, you help the Home Industry. You help to give employment to worthy people; you help to keep money at home, which circulates in our midst and you get back a part of that money again in your business or production. Keep this in mind every dollar expended for Utah made goods, means more employment for home labor, every dollar expended for goods manufactured elsewhere, means employment for somebody living elsewhere and whose interests are generally not with us. "Charity begins at home." This is a time for both common sense and patriotism. When you wish to buy anything be sure to look over the following list before making your purchase.
