International Rifle Match—The Mennonites.

NEW YORK, 20.—The secretary of the Irish Rifle Association told a correspondent that all preparations for the international rifle match at Creedmoor are completed, and that the Irish team is nearly ready to come to America; great interest is felt in the result.

The six hundred Mennonites who landed at Castle Gardens on Friday last, started for Atchison, Kansas, Elkhart, Indiana, and Yankton, yesterday.

Terrific Storm.

EVANSVILLE, 20.—A terrific rain and wind storm occurred here this afternoon; considerable damage was done to buildings and bridges.

Terrific Boiler Explosion.

MADISON, 20.—A battery of three boilers, in Johnson & Sons' starch manufactory, exploded this morning, demolishing the boiler room and part of the main building; the engineer, fireman, assistant fireman and a ferryman were fatally scalded and bruised.

On the War Path.

ST. LOUIS, 20.—The members of the Quaker commission who have been examining the conduct of their Indian agent, J. D. Miles, arrived yesterday. They say that about a hundred to a hundred and fifty Cheyennes and Arapahoes are the only Indians on the war path in the south-west now, and they are chiefly young men who have been stung to seek redress for the wrongs done them by white buffalo hunters and whisky sellers. The latter have frequently entered their territory and, after getting them drunk, stolen their valuables and escaped.

Santanta and Big Tree are reported as keeping their promises in good faith.

"Murder Most Foul."

SHREVEPORT, 20. — An aged planter named George Simpson, residing near here, was shot dead by a negro, who stole into the house and committed the deed with a shot-gun, while Simpson was asleep.

Ex-Secretary McCulloch Arrived.

FORT WAYNE, 20.—Ex-Secretary of the Treasury Hugh McCulloch, arrived here from London on Saturday, to spend a few weeks with his friends.

Butchery.

MEMPHIS, 20.—This morning two negro butchers fought in their shop, in Chelsea, with cleavers, and each inflicted mortal wounds; one was disemboweled and the other received a wound extending from the shoulder to the groin.

Confession of Murder.

TOPEKA, Ks., 20.—Fred Olds, today, in the District Court, confessed having murdered D. W. Ferris, a grocery keeper, last March; the confession states that they quarreled over a game of checkers, when Ferris drove him from the store with a revolver in hand, and addressed the most abusive language to him; he returned with a carbine, intending to demand retraction, when Ferris again seized the revolver, when Olds shot him in the face, and then dragged him to a cellar, dispatched him with a cheese knife and buried the body. The next morning he opened the store, telling the people that Ferris had been suddenly called East, but subsequently his conduct roused suspicion and he was arrested on the charge of murder.

Foot Races.

SARATOGA, 20.—The college foot races came off this afternoon at Glen Mitchell, and was witnessed by a large concourse of people; it is pronounced the most interesting affair of the regatta week. The first race, a mile running race, was won by E. Copeland, of Cornell, in 4 m. 58½ s.; the second prize was won by J. H. Vandementer, of Princeton, in 5 m. 12 s.; the third by S. A. Reed, of Columbia, in 5 m. 14½ s. The second race, a hundred yards running race, was won by A. E. Neven, of Yale, in ten and a half seconds; the second prize was won by J. B. Potter, of Cornell, in 10½ seconds. The third race, a three mile running race, was won by W. H. Dowbs, Wesleyan, in 18 m., 17½ s.; the second prize was won by J. T. Goodwin, of Columbia, 18 m., 44½ s. The fourth race, hurdle running race, 120 yards, hurdles twelve yards apart, 42 inches high, was won by C. Maxwell, of Yale, in twenty and a half seconds, he beating A. Marquand, of Princeton, by three feet. A. L. Rives, of Harvard finished, about two feet in the rear of Marquand. The fifth race, a seven mile walking match, was won by J. E. Eustis, Wesleyan, in 71 minutes. C. M. Hubell, of Williams, second, in 72 min., 22½ s., E. Price, of Columbia, third. Wm. Blaisie, of New York was referee. The prizes were very handsome, and were given by James Gordon Bennett, of the New York *Herald*.

Public Prosecutor Illused.

ST. PAUL, 20.—Ex-Attorney General Clarke, of Manitoba, was, last evening, struck twice on the head with a slung shot, in front of the Metropolitan Hotel, by an unknown person, who escaped; this morning as Clarke was leaving for the East he was attacked by a crowd of ruffians from Minneapolis headed by Mike Hoy, the chief of police in that city who beat and kicked Clarke savagely and, but for the interference of two of our citizens, would doubtlessly have killed him. Clarke was taken into a car and left on the train, but it is feared he is dangerously hurt, being in poor health. Hoy was arrested and held for trial; he is of the Minneapolis party who were imprisoned last year at Winnipeg, for the alleged attempt to kidnap Lord Gordon, and the murderous attack on Clarke is in revenge for his action as public prosecutor in that affair.

America Heeding the Resolutions.

WASHINGTON, 20.—A prominent [illegible] claims that [illegible] will [illegible] to come [illegible] the Spanish rule in the way of [illegible] New York and Philadelphia have advanced large sums to sugar planters, who put on their [illegible] security, and are therefore the real slaveholders, hence they are doing their utmost to crush out the Cuban rebellion, the success of which insures their emancipation.

Assignment of Cavalry.

The Superintendent of the Mounted Recruiting Service is ordered to forward 100 recruits to Austin, Texas, for the South Cavalry, and all the available colored recruits to the same place, for assignment to the Ninth Cavalry. Also eighty recruits to Fort Dodge, Kansas, to the Sixth Cavalry.

Burned to Death.

TRENTON, 20.—Two children, while playing in a barn near this city, on Saturday, set fire to the hay, and were burned to death.

Arrived.

OMAHA, Neb., 20.—A large body of Mennonites arrived to-day, en route to the interior of the state.

A Wretch.

BOSTON, 20.—Jesse R. Pomeroy has made a full confession of the murder of Katy Curran. He said that Katy came to the store one morning for papers; he directed her to the cellar, and she went down and he followed her to the middle of the cellar, when he put his left arm around her neck, and with a knife in his right hand cut her throat; he then concealed the body, washed his hands and knife, returned to the store, and told nobody.

A Walking Feat Commenced.

Edward Mullen commenced his walk of 500 miles in six consecutive days, at 12.10 yesterday morning, in Barnum's Hippodrome, and at 10.50 to-day had completed his 65th mile.

WESTERN.

Drowned—The Harvest—Railway Investigation—Shipwreck.

SAN FRANCISCO, 20.—Horatio G. Horner, Secretary of the Commercial Life Insurance Co., was drowned yesterday while fishing in Lake Pillarcitos, San Mateo County.

Reports from all parts of the State represent that the harvest is progressing; the yield of grain is abundant, much larger than last season.

San Francisco has donated $26,000 to the Louisiana sufferers, the last installment, of four thousand, was forwarded to-day.

It is understood that investigations are being conducted in this city, on the part of German bondholders, into the financial condition of what is known as the Vallejo Railroad system, and that revelations may be made in the business, which will not redound to the credit of this State. The friends of the Central Pacific say they will attempt to clear their skirts by throwing all the blame on Latham and his associates, who transferred the roads to that company.

Last night during a heavy fog, the British ship *Warrior Queen*, in ballast for this port, from New Zealand, ran ashore five miles north of Point Reyes, above this harbor; she will prove a total loss. The Captain and crew have just arrived in the ship's boats, bringing the news of the disaster. No lives were lost.

FOREIGN.

FRANCE.

New Ministers.

PARIS, 20.—In the Assembly, today, General De Cissey, minister of war and vice president of the council, announced that Baron de Chabaud La Tour had been appointed minister of the interior, and M. Mathieu Bodet minister of finance; he further stated that the cabinet, as now organized, had not had sufficient time to agree upon its policy, and moved a postponement of the constitutional debate until Thursday. Agreed to.

The new ministerial appointments are considered a blow to the Bonapartists, who are now without a representative in the cabinet. In the Assembly, next Thursday, Changarnier will move a further postponement of the debate on constitutional bills until January '75. On this question the ministry will be neutral. The Left will oppose the motion.

Dead—Married.

Napoleon Lannes, Duke of Montebello, is dead, aged 73.

Jules Favre has married an Alsacian refugee.

WEST INDIES.

Taxation in Cuba.

HAVANA, 20.—Captain General Concha has issued a decree, to take effect August 1st, providing that duties be paid as follows: 50 per cent in specie, 25 per cent in Spanish bank bills, with 100 per cent added, the remaining 25 per cent in bank bills at their nominal value. On and after the 1st proximo, land taxes are to be paid in bank bills with the addition of 100 per cent. They Mean Business.

MADRID, 20.—A proclamation has been issued supplementary to the decree establishing a state of siege; it declares that charges of sedition or conspiracy against the state shall be tried by court martial, and that persons convicted of interfering with the operation of railways or telegraphs shall suffer death.

GREAT BRITAIN.

Left St. Petersburg.

LONDON, 20.—Marshal Sewell, the American minister to St. Petersburg, left that city yesterday, on his return to the U. S., to assume the duties of postmaster general.

GERMANY.

BERLIN, 20.—The Police, in accordance with a decree from Lasingen, have searched the house of M. Cremen, editor of the *Germania*, and other prominent ultramontanes, and have seized a number of documents.
