

PAVING OF EAST SOUTH TEMPLE ST.

Engineer Snow Discusses it in a Lengthy Communication to The City Council.

ESTIMATED COST IS \$210,000.

Auditor Felt Makes Report on Condition of the City's Finances—Miscellaneous Matters.

City Engineer Snow submitted to the city council last evening a lengthy communication concerning his plans for the paving of east South Temple street from State to Tenth East street. An effort was made to take definite action in regard to the paving by having the city recorder advertise at once notice of intention to make the improvement. Such action was recommended by the finance committee but the report was laid over for one week, as was also the communication from the city engineer, and in the meantime the council will decide upon a plan for the improvement of the street which will be acceptable to the property owners.

The plan proposed by City Engineer Snow combines some of the best features of the other plans submitted by Col. E. A. Wall and Spencer Clawson and overcomes the objectionable parts of those plans. Hence it is thought that it will be acceptable to the property owners on that street. The estimated cost of the paving to Tenth East street is \$210,000, or \$11 per front foot. Of that amount the property owners will have to pay \$122,000 and the city \$88,000.

THE CITY'S FINANCES.

City Auditor Felt made a report to the council of the condition of the city's finances at the end of the first four months of this year. A number of the funds show deficits, among which is the contingent expense fund which shows a shortage of \$19,719.24. However, the balance as a total shows an excess of \$44,227.50 over the deficits. The report, which follows, was referred to the finance committee:

A communication was received from Fred G. Palmer notifying the council that he had notified the city of its liability for the damages caused by the city's failure to maintain the sewer system.

SEARCHING FOR IT

Some Salt Lake City Citizens Can Tell You Where It's Found.

If you have any itching of the skin, Irritating Eczema, Itching Piles, You're looking for relief, Searching for a cure, Salt Lake City people have found a cure for itching skin diseases. They tell about it. Read what this citizen says:

James L. Hutchinson, retired, of 357 West Fifth South, says: "I have had attacks of itching hemorrhoids, commonly known as piles, for seven years. In that time I can safely say I have used more than fifty different kinds of ointments and salves and I can also say that no benefit resulted from any of them. I was very unfortunate. Like a great many other preparations which I noticed advertised I came across them and with every expectation that it would turn out as all others I had used, I went to the F. J. Hill drug store for a box. Now it is over four months since I stopped using them and a return of the old annoyance, if a recurrence takes place it requires very little stretch of the imagination to realize that what performed such an absolute cure what it did came to me, can be depended upon to bring about the same results in the future. For sale by all dealers. Price 50 cents. Foster-McBride Co., Buffalo, N. Y. Sole agents for the United States. Remember the name, Doan's, and take no substitute."

TWENTY YEARS AGO TODAY.

(DO YOU REMEMBER?)

President John Taylor returned from his long tour of southern Utah and Arizona.

The Egyptian government offered a Sudan chief \$25,000 for the rescue of General Gordon at Khartoum.

TEN YEARS AGO TODAY.

Articles of incorporation to build the Grand Opera House were filed, with Frank Maltese and Brigham Pyper as the principal shareholders.

Carter's section of Coxey's army was destitute at Murray, while General Coxey was in jail at Washington.

FIVE YEARS AGO TODAY.

The troops at Fort Douglas left for Wardner, Ida., where the strike had assumed serious proportions.

Agulnald's emissaries told General Otis that the rebel knew he would be crushed in time, but what he wanted was "peace with dignity." Otis figuratively laughed at them.

that the city would be held liable by him if any work for sidewalk extensions, for which the special tax was levied prior to Oct. 31, 1903, is given to any other contractor. The petitioners claim that he is entitled to do the work under his contract of Feb. 4, 1903, and is ready to proceed with the work whenever ordered. The communication was referred to the municipal laws committee with the city attorney associated.

NO INCREASE IN SALARIES.

Preece's ordinance increasing the salaries of the captain of police from \$10 to \$15 and the mounted policemen from \$50 to \$55 per month was amended by Martin so as to fix the salaries as they are at present. The ordinance as amended was then passed by the council and the salaries will remain the same as heretofore.

PASSED OVER MAYOR'S VETO.

Mayor Morris submitted a veto of the report of the committee on improvements, granting Alan L. Lovey permission to string wires between certain buildings in the city for an independent messenger service. The veto was overridden by a vote of 11 to 2.

MISCELLANEOUS MATTERS.

An ordinance was introduced by Black, and passed, giving owners of plots in the Salt Palace permission to sod their own plots under the supervision of the city sexton. Black also introduced a resolution providing that all garbage wagons employed by the city shall be covered with tarpaulins while driving through the streets of the city. The resolution was adopted.

A resolution, introduced by A. J. Davis, was adopted, providing for the appropriation of \$750 to the legal department of the city "for conducting experiments and determining the rights of this city to the waters of Parley's canyon creek."

The report of the streets committee, recommending that the bootblack stands be taken off the streets, was adopted by the council. The latter part of the month by the company on Fourth South near State street. The petition was referred to the license and municipal committee with the city attorney and building inspector associated.

Frederick Heath also asked for a blanket license to cover all the amusements at the Salt Palace for the season. The matter was referred to the license committee.

I. Waters and eight other pawnbrokers petitioned the council to reduce their license from \$200 to \$100 per annum. The matter was referred to the license committee.

The report of the finance committee was brief but impressive, consisting of an increase in the salary of Clerk Walter P. Jennings, of the city treasurer's office, from \$75 to \$100, was adopted by a vote of 9 to 5.

City Treasurer Williams submitted the appointment of Hugo Hofer as deputy dog tax collector, and the appointment was confirmed by a vote of 13 to 1. Martin voting in the negative.

Upon recommendation of Chief of Police Lynch, police powers were conferred upon H. P. Richards, city oil inspector and sealer of weights and measures.

The department payrolls for the second half of April, amounting in all to \$3,973.56, were submitted by Auditor Felt and referred to the finance committee and the chairman of all the other committees associated with power to act.

MARY J. ALLEN DEAD.

Mother of Mrs. Charles H. Morehouse of This City, Passes Away.

Kansas City, May 2.—Mrs. Mary J. Allen, wife of Dr. E. B. Allen, formerly secretary of state of Kansas, and a pioneer Kansas, died at the home of her son, Edgar P. Allen, of pneumonia, here today. Mrs. Allen was born in Indiana in 1839. The couple lived at Lawrence, Kan., during the border war, and later removed to Wichita. A daughter is Mrs. Charles H. Morehouse, of Salt Lake City.

MRS. FIELD'S FUNERAL.

The funeral services of the late Mrs. Clara Harrison Field were held in the Eighteenth ward chapel yesterday afternoon, in the presence of a large number of mourning friends. The services were brief but impressive, consisting of an earnest address by Bishop O. F. Whitney, who was a close friend of the deceased, with music rendered by Messrs. Pyper, Whitney, Robinson and Spencer. The bereaved husband will return to his home at Gray, Ida., on Friday.

Mrs. Field was born near Benton, Franklin county, Ill., on June 10, 1837. She was the daughter of Mariah Harrison and Virginia Hoge Harrison, sister of Judge E. D. Hoge of this city. Mrs. Field's parents died in Illinois many years ago, and in compliance with the request of her mother, Judge Hoge went to Illinois and brought her remains to Salt Lake City.

DRUNKEN BRAWL ENDS IN SHOOTING

Roe Ferguson, Proprietor of a Prize Restaurant, Killed by Warren Jones of Sevier.

HAD BEEN MAKING GUN PLAYS.

Murdered Man Was Filling an Order For Supper When Jones Fired The Fatal Shot.

(Special to the "News.")

Price, Utah, May 2.—At half past six o'clock this evening, Roe Ferguson, who runs the restaurant next door to the Mint saloon, was shot and killed by Warren Jones of Sevier county. Mr. Jones had been making several "gun plays" this afternoon and the last one ended in the death of young Ferguson.

Mr. Jones had just left the saloon through the side door which leads into the restaurant. He ordered his supper. Mr. Ferguson had gone into the kitchen where he was filling the order. A moment after Mr. Ferguson left the dining room, Jones stood by the counter, pulled his gun, twisted it on his finger and fired through the partition into the kitchen. The ball entered Roe at the left breast, passing diagonally through his body and came out in the small of the back. Roe said: "O Lord, O Lord," and fell. He died instantly.

Deputy Sheriff Harry Wood was near when the shooting took place and immediately arrested Jones, taking him to the county jail where he is now behind the bars.

Roe Ferguson is 21, Jones about 23. There had been no quarrel between them and the killing was purely accidental, but the shooting was intentional. It is simply another case of a "drunk man with a gun."

STRIKERS PLACED UNDER BOND.

Twelve strikers appeared before Justice Ward at Helper today. Tony Scalza was bound over for interfering with an officer and Ralph Scalza was bound over under the same charge. Eight were put under \$500 bonds, which they could not furnish. Two were released on their own recognizance.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. G. G. GREEN, Westbury, N. J.

ATTEMPTED ROBBERY.

Henry Pool, a Machinist, Assaulted by A Negro on Victoria Alley.

There was a daring attempt at robbery in Victoria alley last night about 9 o'clock, the victim being Henry Pool, a machinist.

Bleeding from a cut in his face, he was picked up by the police and taken to the station where he told his story. He said that he started out in the afternoon with \$50 in his pocket, and was drinking. He wandered into Victoria alley and was leaving when he said, a burly negro attacked him and struck him a blow in the face. Pool said the colored man tried to rob him, but he yelled lustily for help and the robber was frightened away.

About 10 o'clock last night Officers Barlow and Carlson arrested Charles Williams, a negro, who was under arrest on a charge given by Pool. Williams is an ex-convict, and desperately resisted the officers when they placed him under arrest. Pool identified Williams as the would-be robber.

BAILEY ON HADES.

Salt Lake Ministers Discuss a Future Existence This Morning.

The Salt Lake Ministerial association met yesterday and listened to a paper on the cheerful subject of "Hell" from Rev. Mr. Bailey, pastor of the Liberty Park Methodist church. The essayist spoke on the Use, Abuse and Abuse of this fiery department of eschatology, and emphasized the fact that hell was very much of a permanent place, a definite location, not a theory, but an actual, cognizable condition. Moreover, hell is a place of torment, of punishment for the finally unrepentant, an everlasting condition, and not a probation. The members of the association approved of Mr. Bailey's ideas.

NOT ON MEAT

Man Couldn't Regain Strength Until He Changed to Grape-Nuts.

It's a common joke to say "He eats so much it makes him go to the toilet all around" when speaking of some thin, scrawny fellow who eats as much as a horse, but it is frequently true if the food is not the kind the body calls for. A person might eat a ton of improper food and never get an ounce of nourishment from it but put them on a Grape-Nuts diet and four teaspoonfuls of this food (which is all nourishment) quickly brings pounds in weight and a fortune in health and strength. This has been proved over and over.

A German woman of Chicago gives an instance in her own family. It is briefly told but the truth is there: "My husband lost his left hand in an accident and lost a terrible amount of blood, kept getting weaker for five months and finally got a terrible cough. He would eat big meals of meat and potatoes to get well but didn't get any good from them. Finally I persuaded him to try Grape-Nuts food and from a skeleton of 83 pounds he soon regained his normal weight of 207 pounds and is strong and well and declares he wants no other food for the main part of his meals."

"As for myself my flesh was flabby. I tired so easily and my memory was so poor I could keep nothing in my head but after three months of the Grape-Nuts diet I gained 12 pounds, my flesh is hard and firm, I am stronger and my memory has improved wonderfully. I keep a candy store, but I sell Grape-Nuts, too, for I think it is the best thing to give the children."

A Face to Face Talk.

These Two Women Have Been Cured of Catarrhal Diseases by Using Pe-ru-na.

They Are Telling Each Other About It.

What They Are Saying May Interest You.

Don't Miss a Word.

First, we will introduce the ladies. The one on the left is Miss Evelyn Morse, of Minneapolis, Minn. She resides at 651 Adams street.

The one on the right is Miss Mary Gray, of Ontario, Can. She resides at Walkerville.

Miss Morse is saying: "I suffered nearly three years with catarrh of the stomach, which no medicine seemed to relieve until a friend advised me to try Peruna."

"Although skeptical, I tried it, and found it helped me within the first week."

"I kept taking it for three months, and am pleased to say that it cured me entirely, and I have had no symptoms of its return."

"I am only too glad to recommend it as a wonderful medicine, doing all and more than is claimed for it."

Miss Gray is also a friend of Peruna. She thinks the case of Miss Morse a remarkable one, and in some respects it compares with her own experience.

"She relates her story, as follows: 'Pen and ink never can tell of the good Peruna did for me, after suffering from congestive catarrhal troubles in my stomach and bowels.'

"I realized the cause had to be removed, and as I had Peruna recommended to me by a friend who had used it, I concluded to try it."

"I found it to fill all the requirements of my case, for a few bottles restored me to good health."

The women all over the United States are saying the same thing about Peruna. Not one of the vast multitude of women who have been cured by the use of Peruna ever tire of reciting its virtues or sounding its praises.

It is friend to friend conversation that advertises Peruna. All the advertising ever devised would never have brought Peruna to its present popularity.

People are cured by Peruna of some chronic ailment that doctors and nostrums have failed to cure. Naturally enough, they talk of the cure. They continue to talk. They never leave off talking until all their friends have tried the remedy.

This explains the rise and phenomenal popularity of the greatest catarrh remedy ever devised by the medical profession.

Dr. Hartman, the inventor and original compounder of Peruna, gives free, confidential advice to all users of Peruna.
