**The Boy Murderer Trying to Escape.**

BOSTON, 21. — An attempt of young Pomeroy, the boy murderer, to escape from Charles Street jail, was discovered yesterday; he had been engaged for some time in digging out bricks around the window of his cell by means of a piece of an iron wash dish, and his plan was, after getting outside the cell, to lower himself from the iron gallery to the floor of the rotunda by cords taken from the window frame. He was to leave the cell at midnight as the watch was being changed and, presuming that he could overcome all who opposed him, clear the jail building and scale the exterior wall. Letters to his family, ingeniously describing his plan of operations, were found in his cell.

**$50,000 Fire.**

OLD ORCHARD, Me., 21.—The Orchard House was burned to-night. There were 250 guests in the house at the time, nearly all of whom lost more or less clothing and jewelry. There was great alarm at first, but all got safely out of the building, which, with a three story new music hall, stables, billiard and bowling alleys, etc., was burned; loss $50,000, no insurance.

**A Good Riddance.**

MONTGOMERY, Ala., 21.—It is reported that a terrible fight has occurred in Escambia Co., between two families named Hattlett, and Biers, in which six men, consisting of father and two sons on each side, were engaged; five of the party were killed outright, while the sixth and last had a load of buckshot in his side which must cause death. An old family feud was the cause of the fight.

**Vote Against Woman Suffrage.**

HARTFORD, Ct., 21.—The House of Representatives voted, to-day, 82 to 102, to indefinitely postpone the bill giving women the right to vote in the Presidential election. The advocates of female suffrage here regard the large vote in their favor as nearer victory than any action heretofore in any other State, and consider it quite a triumph for their cause that the committees reported unanimously in favor of the bill.

**Session of Indian Fraud Commission.**

NEW YORK, 21.—At the session of the Commission on Indian frauds, to-day, some inspectors of supplies gave evidence in regard to the character of the goods furnished; they all stated that the goods inspected and shipped were equal to the samples upon which the bids were made; samples of the tobacco, sugars and coffee furnished, or upon which bids were furnished, were produced. The testimony will be closed here this evening, and the commissioners will proceed west to-morrow to complete their inquiries at the Red Cloud agency and other points.

The Indian special commission held a session this p. m., and examined the inspector of tobacco; but no new facts were developed. In the evening Professor Marsh had a consultation of a private nature with them.

**A Correction.**

The dispatch from St. Petersburg, dated July 20, announcing the departure of Admiral Worden and the American fleet was erroneous; it was the Swedish fleet, which sailed, bearing the King of Sweden, who was accompanied to Cronstad by the Czar.

**A Cabinet Meeting.**

WASHINGTON, 21. — There was much routine business transacted at the cabinet meeting to-day. Part of the time was occupied on the subject of District Attorney Fisher's official conduct. The President in asking Attorney General Pierrepont to suspend his request of District Attorney Fisher to resign, merely designed to afford the latter an opportunity fully to reply to the complaints against him affecting the administration of his office. There will be no further intervention by the President, and the Attorney General will therefore act in such manner as he may deem proper, and with this understanding the cabinet are satisfied. The son of District Attorney Fisher, to day, resigned his position as his assistant.

**Trial Commenced—Lynched.**

MEMPHIS, 21.—A jury was obtained in the Waddy Thompson case, and the trial began.

In May last a young lady residing at Juka, Miss., was brutally outraged and beaten at the depot, while waiting for an escort, by a negro hack driver, named Lewis Thompson. Last Monday he was arraigned for trial, and sentenced to the penitentiary for life; last night a party of disguised men went to the jail and took Thompson out and hung him.

**Fire—Murder.**

NEW ORLEANS, 21.—A private dispatch from Bastrop, La., reports the destruction of the business part of the town, from the Jacques levees corner to Millers, by fire last night.

G. A. Rodesky, tax collector in Grant Parish, was murdered in Colfax, by ex-Sheriff John B. McCoy.

**Rectifiers Arrested.**

MILWAUKEE, 21.—Christian Salentine, Jno. Salentine, Jno. R. Reynolds and Wm. Hamer, rectifiers, were arrested here to-day, under indictments found by the grand jury in the U. S. circuit court now in session in Oshkosh.

**FOREIGN.**

**CANADA.**

**Incendiarism.**

LONDON, Ont., 21.—Owing to the prevalence of incendiarism here the insurance agents of the London offices have received notification that the companies represented by them will withdraw their agencies on the first of August proximo. Fires are of almost nightly occurrence, but thus far the buildings destroyed have been of little value.

**GREAT BRITAIN.**

**Shooting for the Challenge Cup—A Steamer Grounded—The Presbyterian Council.**

LONDON, 21.—The challenge cup was competed for by the Americans alone. Fulton made eight consecutive bullseyes and Canfield five. The following is the score—Fulton 133, Canfield 125, Coleman 119, Bruce 117, Ballard 108, Glidersleeve 105.

The steamer *Abbotsford* from Philadelphia, while proceeding from Queenstown to Liverpool, went ashore on Cwmnaes bay, Wales; the passengers were all landed and tugs have been sent to the assistance of the steamer.

In the Presbyterian Council today, the constitution of the future union was discussed. The American delegates favored the formation of a confederation, but a large majority of the council preferred the title and form of an alliance as less restricted in its scope, and it was ultimately agreed that an alliance of all the reformed Presbyterian Churches of the world should be formed. The delegates dined this p. m. in the Freemasons' Hall. Several speeches were made. The Rev. Dr. Schaff, of N. Y., expressed his admiration of the recent work of Moody and Sankey, and hoped it would be permanently useful. The final sitting of the council will be held to-morrow, when the results of the conference will be formally announced.

**Opposed By the Conservatives—Prisoners Sent to Newgate—A General Lockout—Fired Damage by Rains.**

The government's tenant right bill meets with opposition among the Conservatives, and if Disraeli insists on its passage a meeting of the party will be held in the foreign office to arrange difficulties and to expedite business.

Alexander and Wm. Collie have been sent to Newgate, where they will remain until bail is procured. The prosecuting counsel, in opening the case to-day, stated that from $7,500,000 to $8,750,000 of the fraudulent bills of the firm were afloat, of which the London and Westminster bank had $2,500,000. After crediting all that could be recovered from the bankrupt estate the loss to the bank would be from $1,000,000 to $1,500,000.

The action of the mill operatives in Oldham yesterday will result in a general lockout.

Heavy rain in the inland counties continues, and inundations are reported at Leicester, Grenfield Forest of Dean, and Godmanchester. In many places the gathered and growing crops have been destroyed, and the railways are interrupted in all directions.

**FRANCE.**

**Business in the Assembly.**

VERSAILLES, 21.—In the Assembly, to-day, after the close of a contest, the right carried a motion to discuss the question of recess to-morrow; the left sought to postpone the debate till Saturday.

**Disrupted.**

PARIS, 21.—The right centre is completely disrupted, the liberal portion seeking a fusion with the group under the leadership of De Lavergne, with a leaning towards the left.

**Denied—Increase of Revenue.**

The Carlists deny the truth of the reports that their troops have entered France, and that General Dorregary is wounded and has taken refuge in Conterets.

The French customs returns for the last six months show an increase of receipts of twenty-three millions of francs over the corresponding period last year; the total revenue of the country for the same time has increased seventy-nine million francs over that of 1874.

**SPAIN.**

**Carlist Prisoners—Rejected.**

MADRID, 21.—General Martinez Campos is investing Sea de Urgel. The number of Carlists captured since the 1st of July is 4,000.

The committee on the constitution have rejected another amendment directed against religious liberty.

**BAVARIA.**

**Imprisoned for Talking Treason.**

MUNICH, 21.—The ultramontane Baron Loe has been sentenced to six months imprisonment for a treasonable speech made by him in Oct., 1873. Harr Sigl, editor of the ultramone journal, *Vaterland*, was sent to prison to-day, to serve out a ten months sentence for treasonable utterances.
