Don't You Dare to Tell.

Tell if you want to, but if you do, don't for decency's sake say, "don't tell." Some women and men, when compelled to tell a friend, will tell a tale so hair-braiding and blood-chilling that even to have listened to it was a proof of friendship more genuine and more meaningful than any words of endearment. They will point into your face and say, "I told you so," and other such things as they will be less inclined to say than the things they are likely to say to you.

Colossal! I think this is. That which the teller of the secret is not fine enough, not strong enough, not brave enough to keep to herself, she expects you to share and give her the thrill of telling to your friends the very things she carelessly flings to the breeze.

How can we expect that others will cheat us? we are held high. Kindly tell me, in the first place, in what way you confide, and don't insult her by

telling her not to tell.
