FARMERS TO DIG AND STORE BEETS

Bulletin Issued by Sugar Factory Respecting Local Situation.

RENEW WORK ON VIADUCT

Nov. 1—Suit to Release Willie Buchanan From State School—Funeral of Gordon Grant.

Ogden, Oct. 22.—The local sugar factory, by field superintendent Job Pingree has issued a bulletin to the beet raisers in this district calling their attention to the importance of digging their beets early and storing them so that they can be handy to haul to the factory when needed.

The suggestion is based on account of the fact that the recent stormy weather has caused a delay in the digging of beets. The fields are in such a condition that it has been found almost impossible to get the crop from the fields. It is also suggested that the beets be gathered, piled up and covered so that they will not freeze. The superintendent suggests that if it is necessary children be taken from school for a few days to assist in the gathering of the crop.

E. S. Rolapp of the sugar company stated yesterday afternoon that the freeze Tuesday night will result in considerable good as the roads and fields will be hardened so that it will be very easy to get the loads to the factory. The supply at the factory will be sufficient to last until more beets are received.

WORK ON VIADUCT.

In railroad circles yesterday afternoon it was announced that actual construction work upon the frame

work of the viaduct would begin on Nov. 1. Work upon the structure has been postponed for some months on account of the shortage of material. The last of 40 cars of lumber for the west approach of the viaduct as well as the floor has arrived, together with the steel, and everything is being placed in readiness to rush the work through. Steel structural workers from the east will have charge of the structural work while the laying of the floor of the structure will be done by the company's carpenters. Assistant Engineer Campbell, who has charge of the entire work, says that before Christmas the viaduct will assume notable proportions.

WANTS BOY OUT OF REFORM SCHOOL.

A. M. Buchanan, through Attorney Van Cott of Salt Lake City, is seeking the release of his son, Willie Buchanan, from the state industrial school under a writ of habeas corpus.

Late yesterday afternoon a petition for the writ was filed in the district court. Buchanan asserts that his son is held at the school by Supt. H. H. Thomas illegally. A number of allegations of technical errors connected with the hearing and commitment of the boy are made in the petition. The lad was sent up from Salt Lake City by Judge B. C. Evans of the juvenile court, Dec. 10, 1907, for stealing a number of empty sacks. The father declares that no notice of the hearing was given him as required by law; that no stenographer's report of the proceedings was preserved; that the number of sacks alleged to have been stolen, their value nor the party from whom they were stolen was proved at the trial. The whole proceeding in fact is declared to be illegal by the petitioner and he asks that a writ of habeas corpus be issued at once by the district court and the youngster allowed to return to his home.

FUNERAL OF GORDON GRANT.

The funeral services over the remains of the late Gordon Grant will be held this afternoon at 4 o'clock at the Masonic temple, the local Masonic order having charge.

Services will be held as intended, but the body will be held until Saturday for the arrival of Robert Macdonald, a brother-in-law of the deceased, who will decide whether the body will be shipped to Boston or interred in the local cemetery. The local lodge of Elks will also participate in the services, as the deceased was one of their most active members.

After a short business session an adjournment was taken until afternoon, at which time it is announced that a number of addresses will be delivered by members of the presidency of the stake.

FOREST SERVICE HEADQUARTERS.

Arrangements are being made for the housing of the employees of the forest service, who will arrive in Ogden on or before Nov. 15, to make their future home. The offices of the headquarters of the district office, which will be located in Ogden, will be in the First National bank building, and will be under the direction of A. T. Mitchell. In many quarters of the city houses are being engaged for the large number of employees of the service who will arrive here with their families, while accommodations are being sought also for the single men who will be brought here.

over his body. The boy got up and walked a little way and sat down on a box, but soon fell off. The other boy ran up and told the people in the house, who ran to the boy and found him unconscious. They brought him in the house and summoned Dr. Ferguson of Castlegate, but the boy only lived about 15 minutes after he was run over. Herbert was a bright boy 12 years of age and well up in his studies at school. The children of his school attended the funeral in a body, also a large concourse of people.

The weather here has been very stormy and cold for several days with wind, rain and snow, but is clearing up now. The frosty weather of the past six weeks has done considerable damage to late grain and potatoes. It is found in threshing that lucerne seed was damaged quite badly by the early frost in September. Threshing is mostly done and people are beginning to haul their winter's coal and wood. There is a scarcity of coal or wood in this county.

NEW COAL FIELDS.

The new coal camp starting up in Miller Creek canyon is opening up another good market for the people in the county. The chances are that another one will soon be opened up further south in Cedar Creek canyon, the latter is in Emery county, about eight miles northwest from Huntington.

WOULD MORTGAGE THE FARM.

A farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica Salve cured the two worst sores I ever saw; one on my hand and one on my leg. WELLSVILLE.

Funeral of Little Son of Absent Missionary.—Missionary Socials.

Special Correspondence. Wellsville, Cache Co., Oct. 21.—The funeral of Leroy Murray Brechley, the two-year-old son of Mrs. Wm. C. Brechley, who died on the 15th inst., was held in the tabernacle here on Monday last. Sweet music, and very appropriate for the occasion, was furnished by the ward choir. The following elders spoke words of comfort, hope and cheer to the bereaved ones: Elders W. H. Maughan, P. R. Merrill, Richard Brechley, Chas. R. Bailey, John C. Brechley, William H. Darley, Wm. Murray and Bishop David Murray. This was a very sad funeral due to the fact that the father is at the present time laboring as a missionary in Great Britain, and has been away nearly two years. Elders Chas. D. Spence, Elmer Bailey and James H. Bankhead, left home last week for a mission to Great Britain. A farewell social was given in their honor in the pavilion on the 15th inst., and the 100 was given to each of them to help them on their journey and mission.
