G. S. L. City, U. T., Jan. 25, 1865.

NOTICE IS HEREBY GIVEN,

THAT under an order of the President of the United States, dated October 3d, 1861, the entire portion of the valley of the Uintah River within Utah Territory, extending on both sides of said river to the crest of the first range of contiguous mountains on each side, was directed to be set apart as an Indian reservation.

Therefore, notice is hereby given under instructions of the Department of the Interior, transmitted to me through the Commissioner of Indian Affairs, "that all white settlers, must forthwith remove from the Uintah Reservation, and that on the opening of Spring, 'all persons found therein unlawfully,' 'that is, without a license to trade, a passport, or permission of the proper Indian authorities, will be removed,' and that the laws of the United States, applicable to Indian Reservations, will be enforced."
