**T**O UNDERSELL you must underbuy and we have underbought. And this is the reason. Each year the largest eastern shoe distributors and factories have a clean up in which they sell all floor goods, discontinued lines and surplus stocks at what they will bring. This great shoe buying opportunity is usually taken advantage of by the largest eastern department stores owing to the immensity of lots and cash money involved **WE'VE MADE A BIG SCOOP** for the shoe buying public of Salt Lake and secured choice selections of these lots at discounts ranging to 50 per cent.
